### THE NEW YORK WORLD.

The Most Widely Read Newspaper  
in America.

Time has demonstrated that the  
Thrice-a-Week World stands alone in  
its class. Other papers have imitat-  
ed its form, but not its success. This  
is because it tells all the news all  
the time and tells it impartially,  
whether that news be political or oth-  
erwise. It is in fact almost a daily  
at the price of a weekly and you can-  
not afford to be without it.

Republican and democrat alike can  
read the Thrice-a-Week World with  
absolute confidence in its truth.

In addition to news it publishes  
first-class serial stories and other  
features suited to the home and fire-  
side.

The Thrice-a-Week World's regular  
subscription price is only \$1.00 per  
year and this pays for 156 papers.  
We offer this unequalled newspaper  
and the weekly East Oregonian to-  
gether for \$2.25.
