#### Death of E. H. Vinson.

E. H. Vinson, an old and respected citizen of Milton, died of a paralytic stroke Thursday morning, says the Eagle. Mr. Vinson was 69 years of age and leaves a wife and four sons to mourn his loss. The funeral occurred at 1 o'clock Friday from the M. E. church, south, and the remains were interred in the Odd Fellows' cemetery at Milton. Mr. Vinson was

born in Tennessee and served with distinction in the confederate army during the civil war. He was a Mason and stood high in the degrees of that ancient order. He was a good citizen, a devoted husband and father, and a faithful friend. The community unites in sorrow for the death of a good man.

#### Royalty Expert with a Rifle.

Quite a number of royal ladies are adepts with the rifle. One of these is Portugal's plucky queen, who recently received the German medal for saving life. Her majesty is a keen sportswoman, and can handle her gun with a precision that is positively deadly. Queen Helena of Italy is another clever shot. She spends most of her time in her pretty little hunting lodge in the island of Monte Cristo, and is as clever with the revolver as she is with the rifle. The Duchess Carl-Theodore of Bavaria and her sister, the Archduchess Carl-Ludwig, the grand duchess of Luxembourg, and the grand duchess of Hesse are others who can hold their own with a gun. England's queen and her daughter prefer the rod to the gun, and may be regarded as expert fisherwomen.

#### To Open Columbia River.

The necessity for permanently overcoming the obstructions in the Columbia river between the Dalles and Celilo is generally recognized and acknowledged, both by engineer officers and by members of the rivers and harbors and commerce committees at Washington, and the canal project of Captain Harts is regarded as by far the most sensible scheme yet proposed.

#### WILLIAM GORMAN'S PROPERTY.

A Brother Turns Up in Portland and Sets Claim to It.

John Gorman, a resident of Portland, now comes and claims the money and lands of William Gorman, who was found in the ashes of his cabin in the mountains south of here two years ago, with evidence that he had been murdered and the house burned to hide the crime. John Gorman claims to be a brother of the man who met such a horrible fate and says that they were born in Ireland and emigrated to Canada when quite young. When he was only 11 years of age his brother left him and he never heard of him thereafter. Mr. Gorman, who was here from Portland recently, says that he has lived in that city for 32 years and that only recently he learned of his brother's tragic death, whose fortune has been seeking a claimant these past two years.

William Gorman was a very close-mouthed man, and seldom spoke of his personal affairs and not one of his neighbors has been found that ever heard him speak of his relative or where he came from. C. B. Wade has control of the estate and its administrator of it.

#### ATHENA DEPOT ROBBED.

Thought the Robbery Was Committed by Two Strangers Who Were Seen Around.

Athena, Dec. 30.—The Northern Pacific depot at this place was broken into yesterday between 12 and 1 o'clock while Agent J. A. Murihead was away to dinner, and robbed of \$20, the contents of the money drawer. Entrance was made into the office by prying open a window and the money drawer was broken open with a pair of pinchers and stove poker. Two tramps were seen to go behind the depot about the time the

robbery was committed, which is the only clue so far. They have disappeared. No arrests have been made, nothing but the money drawer was molested.

The United Brethren of Athena began a series of meetings at their church last night. Bishop Carter, of Elkhart, Ind., is expected to arrive tomorrow and take charge of the meetings, which will continue indefinitely.
