HEPPNER VS. PENDLETON.

Football Game on the Alta-Street Gridiron at 2 O'Clock on New Rattinger..... R.G. Year's Day.

New Year's day, at 2 o'clock, Heppner and Pendleton are to compete for football honors on the Alta-street grounds, west of town. The Heppner eleven arrived Monday evening from Dallos, where they played the local boys Sunday and were beaten by a score of 17 to 9. The Heppnerites claim that this was due to the fact that The Dalles team had sev professional players in eral team, including some from the Washington Agricultural college at Pullman, some from Eugene and other places and that they were outclassed weight. However, this may be, the Heppner boys are husky fellows and the Pendleton eleven are not expecting a snap when they go up against them.

two of the Heppiner boys were badly crippled in the game at The badly crippled in the game at their the rectarc on the history is meet their annual masquerade ball tomorwint to play as they vanis, Dr. Charles W. Dulles, is at

FRATERNAL INSURANCE CASE.

Who Carry Policies.

In the case of Head Camp, Pacific done with \$1000 Insurance held by James Hair, a Portland policeman, who shot himself over a year ago, turned over to Clarinda Taylor.

inda Taylor, as his fiancee. It was them to use in winter, when the tree immediately claimed by the defend; is leafless. ants that Clarinda Taylor was at the time a married woman, and that be cause she had promised to marry Hair when she secured a divorce it would not entitle her to being named as the beneficiary. It was also contended that Hair was at he same time securing a divorce from his wife. To all of this the plaintiff respond-

ed that she had a right to be the flan cee of Hair, and that furthermore the defendants had no right to come into court and question the transaction The constitution of the ordre provides beneficiary certificates can be made payable to certain members of the family or to a flauence, provided, however there are no persons of the immediate family dependent upon the insured party at the time of his death. It is also provided that where no beneffeiary is named in the certificate the money may be distributed to the immediate blood relatives in a certain ratio Judge Bellinger then went on to

discuss the standing of the brothers. and sisters of Hair. White the order distribute the money where. CAUL enebelary is named, the court held in this instance -a beneficiary that ad been named, which would nullify the section in regard to the distribution of the money to relatives. question of the dependency of the derendants was then discussed length, and an Illinois case cited. - 11 was the conclusion of the court, however, that he defendants were not dependent upon Hair at the time of his death, and are therefore strangers to this transaction and have no right to make any protest as to the disposition of the money.

The question of the right of the plaintin, Clarinda Taylor, was not Taylor, was not taken up, Judge Bellinger stating that this was a question for the order to decide, but that the payment of the money into court was a waiver to any right to object, and that the decision would be for the plaintiff.

THE TWO CRAZY MEN

One is Sent to the Asylum at Salem the Other to County Hospital.

Ed Burns, brought down. Steacham Sunday in a date combition left for Salem today, accompanied Deputy Joe Blakely, who will place him in the asylum for the insane

CATTLE WERE DYING.

Stockmen of the Dayville Section. Grant County. Alarmed.

The Blue Mountain Eagle is inform ed that a large number of cattle have men found dead on the range In what known as the Rattlesnake country alow Dayville, and the stockmen of that locality are considerably alarmed over the matter. Recently 17 head were found dead in close proximity to the section mentioned, and when the stockmon endeavored to drive the stock from that section, several more head died during the drive.

The stockmen who have lost stock in that locality differed as to the cause of the death of their On examination of the stomstock. sche of several of the dead animals it was found they contained a large quantity of alkali, but whether death was due from this is not known. Some laim that he animals died from a polsonous grass which they cat as a result of the present condition of the range, while others are inclined to think that he range has been polson which theory is not hardly posathle

Cattle and stock of all kinds have been driven from the Rattlesnake neighborhood. In hopes of preventing further loss.

THE MISTLETOE.

The story of how the mistleton gets on the tree is a most interesting one, says Professor Schumacker in the Ladies' Home Journal. Covering the mistletoe twigs are pearly white berries. These come in the winter season, when food is comparitively scarce, and hence some of our birds 127 and 129 East Alta Street.
