Don't forget to write it 1902. For a while 1901 will linger in our memseries but after a while we will for sium

the world, but as all the people who thing in fact that falls to the lot of hate him do not live in his precinct, horse or donkey. What is more, the hence, as a politician, he store not dog even takes his owner for an air better, as a politician, he does not qualce in his boots.

Their time will come again. Democrats are such patient waiters that there are good tortune may rall Mide their hands, for it is said everythink comes to those who wait-tom-

Whiteles Kingry Smith; who resigned a mutuinster grantal from Presi-4gg; Coosevell's caldner, is a trained newsuaper man, and to show how well trained he is, we have but to reis: b, the fact that he knew days Before that he was going to resign and not be posisted making a resonant of this ispowholize by publishing it has 2011 TOWN TOWNER.

Schatze Depow, treated with years, and Miss Palmer, Mounting with postly, were married the other day to Not. Of yourse is was a wire wedding, and the couple are happy. Det. we reased tracet saying that the only gas "a bone" and he a "hank of cientar form of education anty those

Many a michle makes a macale. The truth of this famous old express will represent a man endeavering to that the uncrease of one cost as hourin the wagine of the street car combatoo in Philadelphia, which occurred The teacher lowers the figure to the Insuary 1, 1902, will amount in one ground, and the dor learns that fand year to \$250,000. No wonder the servet car company was a long time atir so much as a finger until the Ancreasing the wages of its employes order is given. After the dummy a Pendleton, \$800. second this mine.

through 1802. Pull steady boys and this purpose is usually he who min fa. we will reach port with every sail set forts, and for whom the canine deand colors llying. Keep eye open to tective is sure to emertain a grateful acres at botton land under irrigation. duty and remove to do your share, effection and do it, and the result will be satisfactory. The man who expects oth sealere to do his share of work and their tried on other members of the force, tereis half cash balance on time to own too, will be the only one left he and in four months the dog's educahind and there is where such as he belongs. Here is to that 1902 will animals are also taught to swim, and

should leave no stone unturned to stacles; nominate a man from this section burglar who goes "a-burgling" in the governor. The manager election Ghent has a lively time of it if he for governor. The governor elected meets one of these four-footed "bob next June will be in the office during bies. the Lewis and Ciark centennial at Portland, and an eastern Oregon man in the governor's chair would be a justly entitled to the nomination, and it should not allow the opportunity to slip from its grasp. Now or never!

It is reported from Washington uary. hat President Roosevelt repents the eprimand he gave General Miles, as he chief of the army, for expresing his opinion in the Schley-Samp gow Single-Taxer on controversy, soon after the deciion of the court of inquiry had been ade public. This report has the rsy, and in reprimanding General

he this naval drama.

The "bargain day" the East Oregoniali Inaugurated was a great success, that is if the gain of 350 new- subscribers and \$500 can be called : successo. The best thing developed by this "bargain day" offer, that is the best thing to the man at the bein. He kissed the blade, he knell and of the East Oregonian, was the desire that existed among such a large number of people to get the East With sadden leap, a flashing sweep Oregonian under the offer. The regblar subscription price of the paper Her warm breath failed and beauty is coasonable, particularly so, when the population of its field is taken into consideration, but the avidity Her flowing reeds, her flowly meads with which the paper was snapped unon the lower prices, was very complimentary to the paper, to say the 200 least. Even some of those who have ther searlet gown fell fluttering down 121 shown aversion and ill will to it in From shivering naked limbs. 7 the past, were among the number at who pressed up to our "bargain coan-

### DOGS FOR POLICEMEN.

Most people know how promisent part is played by the day in Helglum, where he acts as the poor man's lorse. By ones, by twos, by get the old and only think of the new, threes and by fours, down may be een drawing the milk carts, hauling it is said that Joseph Chamber the vegetables, bringing home the most hated statesman in washing doing anything and everying, and what stands in Belgium for the little donkey shay" on London's Whitechapel, or the classic Old Kent Democrats in Portland are prepare cond is drawn by a team of dogs who ing for the spring campaign. There move along at a great page and who will like in the democrats of Orewell cared for. But the Relgium does as not scopped here. He is an ambillions creature. He is not content to do content but slave. He has in astifred to the low with such rood effect that he has become one he limbs and now plays the part a softeeman and with such good cellia too, that erios in that parti-dur district paralled by him is not to have diminished by two thirds

> a recognition) member of the or of Philic their, who has truly

ampereis strappeters that may likely not. How shock tractice is morehe him who undertakes this one yet cars of them, he done, the have tried to trade andmals wil thinks differently for the next week property appropriate. The dog must be ten days at least.

The dog must be ten days at least.

The dog must be thunke to seek to attack to sleav, and to hold but without furting seronely! The first step is to place the drawing in such a position that R must hapt and enters into this part ton. in his lenson con amore, but it is not ed farms in the county and has good though he may not warry his news. he must not ables the fallen for living model is used, and as this procome is obviously not entirely with land near Milton. One-half of tract And now we start out on a voyage out danger, the person chosen for in bearing fruit tree, 7 acres alfal isters to the numbl's creature come proved. Nevertheless he is preyenled at first by means of a muz- proved. ale, from an exhibition of too much tion as a policeman is complete, and terest. he takes his place with the rest. The anly bring reward to the deserving to sieze their prey in the water; to save life, from drowning; to scale The republicans of eastern Oregon steel walls, and to overcome all obso that any enterprising

The dogs work so well and so conscientiously that their number is to be increased, and there is every pro-"friend at court," until the exposi- ability that the plan will be adopted tion comes off. Eastern Oregon is in other centers. Their keep comes to about three pence a day, and they cost the town altogether about sixty pounds a year including their doc-tor's and their tallor's ills.-J. E. Whitby, in Modern Culture for Jan-

### ROOSEVELT, SINGLE-TAXER.

A correspondent writes to the Glas-

I have made the delightful discovery that the new president of the United States is a single taxer. From articles in the October and November ir marks of being true, as President numbers of the Contemporary Reassevelt is known to lean slightly view. I learn that Roosevelt sat at ward the Schley side of the contro- Henry George's feet in his youth, and that during his term as governor of New York state the bill was framed iles he did only what he thought and passed by which the franchises is his official duty. President of the great corporations owning

Roosevelt is too much of a fighter not street railways, gas and electric light to be in sympathy with Admiral properties, etc., are taxed on the full Schiey, and too much of a bater of A part of this is well-known his red tape and forms not to appreciate tory and I doubt if the honest-mindthe spirit of the American people in ed president of the United States their attitude towards the principals would deny faith in the doctrines of Henry George. Indeed, he could hardly do so in the light of certain paragraphs in his late message. Seattle Herald.

### WINTER.

From scabbard new, King Hoar frost

His ley sword or death

prayed It rimmed his blighting breatly

He cut with his right handqualled

For naught could him withstand.

Her tris-baunted brooks. Changed in a day to somber gray Through terror of his looks.

From shivering naked limbs. As he drew near with quivering fear She lossed her summer whims

Willowy locks, like startled flocks By gleamin strake were shorn, iter bridgit veil of pines all pale With one wild gust was torn.

"O Reguite Proud! wear my white shroud

And wive with me," he cried-Her shroud of snow it chilled her so She drooped her head and died

kinsed the blade and sadly laid. With freezing tears like pearls. With wallings food, his ermine shroud

Over her vine-leaf curls Hortense Tousley, in National Mag

Flakes the Hair grow. Clears the Complexion. Softens and whitens the Hands. Preserves and beautities the skin of in-Tants and Children.

changed bands in San Francisco, Aug 30, 1901 The transfer involved in coin and stock \$110 Secound was paid by a party of bustness more for a specific for Bright's Disease and Disbetes hitherio incurable diseases.

They commenced the serious investigation of the specific Nov. 16, 1900. They interviewed scores of the cared and tend it out on its moits by making over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 10, eighty-seven per conof the test taxes were either well or progres some investibly.

There being but thirteen per cent of failures the parties were satisfied and closed the trans action. The proceedings of the investigating cutamittee and the clinical reports of the test cases were published and will be matted free Best line of on application, Address Jones J.
