became richer and more extensive. as depth was gained they decided to equip the mine with a modern deep-

sinking plant which was installed durnig 1901. The plant has a canacity of three thousand feet and is considered to be one of the finest and most complete in the west.

The property has been developed with soop to 7000 test of tunnels. cross-cuts and drifts, the greatest depths obtained being 470 feet. vein is from 3 to 15 feet in width, auff a monthly production of \$30,000 to \$50,000 testifies that the values are

The Concord Group.

The group was located in 1886 and was but slightly developed when, in 1839, J. H. Robbins purchased it for \$35,000 and began a thorough course of exploitation of the ore bodies, previously uncovered. Under the super intendency of W. W. Robbins nearly agon feet of tunnels, cross-cuts and drifts were driven and about two months are a body of ore 4 feet wide at a depth of over 4000 feet, gave an average value of \$70 per ton. This pay shoot was uncovered within a hundred feet of the end lines of the Blame claim of the Red Boy group and is equally as rich on that roperty and proved the permanency of the pay shoot some 300 feet long feet wide, with a depth of over 400 feet. This is undoubtedly one of the greatest pay shoots of rich ore in

Pendleton Men Again Interested.

J. H. Robbins spent several days of last week in Pendeton, talking mines and mining and visiting with friends. He left for Sumpter on Saturday night's train. It turns out that he is interested in another mining deal of ESTIMATED 7,0000 ACRES greater importance and larger mageltude than the one just closed up so DEAL A LARGE ONE successfully. He has an opportunity Demand for Wheat for this Purpose suit taxed to the prosecuting witness while in the defendant's employ. to get control of one of the richest Pendleton Men Got Large Profits Out properties in the Sumpter district and he was in Pendleton with the view of interesting others in the deal with him. It is said he succeeded, and he Several Pendictonians have recent is expected back in Pendleton shortly winter wheat in Umatilia county, gether to injure plaintiff's good name. Stillman & Pierce are Mr. Drake's ly been made considerably richer by to further promote the enterprise. from 30 to 40 per cent will have to be and reputation by falsely accusing attorneys. the consolidation of the "Red Boy" His success with the Red Boy-Con-resown is the general opinion express- him and causing him to be arrested and "Concord" mines in the Sumpter cord project gives confidence to his ed today by some of those in the best and imprisoned and by reason of this were satisfied and closed the trans- district. This deal was largely con- operations and a large amount of position to figure on the subject. As imprisonment plaintiff's good name mines promise to be great producers, spirit that builds up Pendleton and 57 cents per bushel in the warehouse humiliation, and being rendered un. Walla already paying monthly a half of one makes it year after year a better for seeding, while Sonora is quoted per cent dividend on a valuation of town to live in.

COLUMBIA SOUTHERN.

It Will Be Pushed Further Into the to be used. Interior.

The Columbia Southern Railway exany mine in the west; located in 1890 ed extension south to Shaniko. Definite location of the line has been the vein for a year or two when it was sold for \$1500 to Clark Tabor.

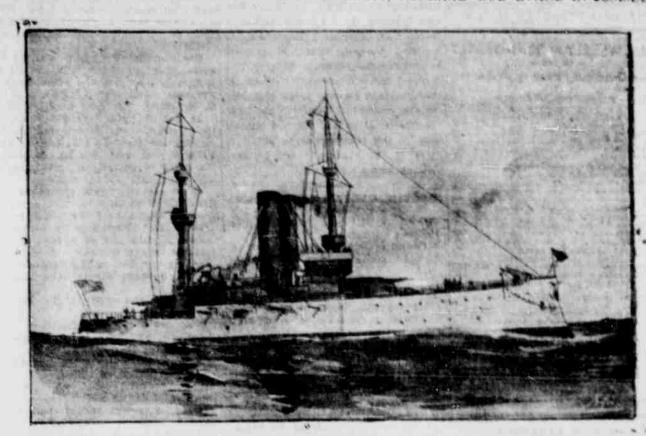

That could be a fine for the propose of sowing and difference in value of crop between made for a distance of about 30 miles passing Cross Keys and crossing the line for the propose of sowing and difference in value of crop between winter wheat and reseeded winter passing Cross Keys and crossing the That gentleman worked it at different divide over the Willow Creek Basin intervals, the ore being packed from or Agency Plains. The descent from the audit to a rude arastra, which Shanko to Cross Keys is round to be process saved only a small percent on a more favorable grade than was age of the values. In 1893, E. J. God- expected, the maximum grade being frey, who has practical mining ex two per cent. The maximum grade perience in the Black Hills of South up from Hay Creek to Agency Plains Dakota, became interested in the is but 1.5 per cent. has Forced the Local Market up to at 62 and 621/2 cents. One objection to Sonora wheat is that about two bushels of it has to be sown to the acre, while only one of red chaff has

The loss in Umatilla county is estimated at not less than \$280,000. The history of the Red Boy mine is probably the most interesting of field locating the line for the proposary mine in the west; located in 1890. \$250,000. These figures, also, are ob tained from the farmers who in the past years have had to reseed, and have kept close tab on their losses.

As an example of the change in

conditions and price the case of M. M. Wyrick may be cited. Mr. Wyrick! sold his crop of 27,000 bushels of wheat raised on his Prospect farm and other lands in the Stage Gulch country, for about 51 cents per bushel, and for that price had to deliver it at the railroad warehouses of Fulton, Warren and Pendleton, the Pacific Coast Elevator company being the purchaser. Before Mr. Wyrick had hauled all the wheat to the warehouses the cold weather came on, wheat land was frozen out and the farmers who had sold all their wheat R. J. Carsner, of Haystack, and except enough to sow their land once Oran Stubblefield, says the Canyon began to realize that they would have City Eagle, arrived last Friday with to get into the market as buyers, Tim Townsend of Desolation creek whereas they had been on the oppoand W. J. Robbins, of Haystack, site side of the transaction. The who were placed under \$500 and \$400 agent of the company that had bought bonds respectively by Judge Brierly. Mr. Wyrick's wheat notified him not of Monument, last week to await the to haul any more wheat to the wareaction of the district attorney at the houses until further orders. In addi-May term of court on a charge of tion the company put a set of scales larceny of horses, the property of at the Wyrick farm and had him Grant county horsemen.
