County Court in Session.
The March term of the county court, which convened today, has been busy reviewing a petition for a county road, filed by Jesse P. Hart and Daniel Schock, asking that roads Nos. 329 and 400 be vacated and one opened from the northeast corner of the northeast quarter of section 27, township 4, to a point nine and a half miles west of the northeast corner of the southeast quarter of the southeast quarter of section 27, township 4. This was across land belonging to Peter Deardorf, who filed a protest, but the protest was overruled and the road ordered opened. The rest of the day was taken up in reviewing and allowing bills.

Burt Snyder Injured.
Dr. Henderson was called Monday to attend Burt Snyder, a prominent farmer living four or five miles west of town, who had been injured in a runaway. Mr. Snyder, with another man, had been in the field reseeded his grain that was frozen out last winter, and had been using a disk harrow. This was tied on behind the wagon and the men started home with the four horses hitched to the wagon. The team became frightened and ran away, throwing Mr. Snyder to the ground and pulling the harrow over his head, with the result that a gash three and a half inches long was cut in the top and back of his head. This was the only injury of consequence and unless blood poisoning sets in there is no danger of the injury proving fatal, although it is quite serious. Several stitches had to be taken to close up the gash.

POLITICAL ACTIVITY.

The President Warns Federal Office Holders to go Way Back.

Washington, March 4.—The following statement was made public at the White House last night:

After inquiry of the president as to what the president's views were in regard to the political activity, especially in regard to any factional differences within the party, of his appointees, Major Hogan stated to the president that he would be compelled to withdraw his name from consideration in connection with the appointment of an internal revenue collector for the southern district of Illinois, as he desired to continue actively to participate in the politics of the state.

The president reiterated to various Illinois representatives, both in congress and in executive offices, that he expects his appointments in Illinois to keep clear of any factional work; that the election of a senator from Illinois was for the Illinois people only to decide and that he expected the federal appointees in that state to serve their party by doing their work in their respective offices in first class shape, and by refraining from any improper factional activity in connection with matter with which federal administration has no proper concern.

Could Not Breathe.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucus, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace J. Q. Hood, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." Tallman & Co. and Brock & McComas.

ATHENA CITY ELECTION.

James Mosgrove Elected Over C. A. Barrett for Mayor.

Athens, March 5.—The city election held here Tuesday, for the election of a new set of city officials, resulted as follows: James Mosgrove, mayor; O. G. Chamberlain, recorder; Doc Osborn, treasurer. The councilmen elected were: H. Caton, H. H. Curtis, H. Keen, N. H. Pinkerton and V. Shick. The election went off without much interest, the only opposition for any of the offices being that of mayor, Jas. Mosgrove and C. A. Barrett were candidates. Mr. Mosgrove received 104 votes and Mr. Barrett 74.

For the Complexion.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe, thorough and gentle. The very best pills. Tallman & Co. and Brock & McComas.

To Amend Primary Law.

The Minnesota legislature, which is now in extra session, has a bill before to amend the primary election law so as to exempt from the operation of the law all municipal and school officers in towns of less than 10,000 inhabitants. As a great majority of the towns in Minnesota have a smaller population than 10,000, the primary law will be greatly shorn of its usefulness if the amendment is adopted. The law as it stands today provides, first, for holding the primary elections at the same time and place that the registration of voters is held.

Practically Starving.

"After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate, insurance and loan agent, of Macomb, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief." You don't have to diet. Eat any good food you want, but don't overload the stomach. Kodol Dyspepsia Cure will always digest it for you. Tallman & Co. & Brock & McComas.
