PRINCE IN BOSTON

reeted by Committee Headed
by Mayor Collins.

THE ROYAL VISITOR
IN EXCELLENT SPIRITS.

hundreds of People Were Out to Greet
—Seventeen Guns Fired on
Boston Common in His Honor—The
Afternoon Spent at Harvard Col-
lege.

Boston, March, 6.—The royal visit-
Prince Henry, showed no sign of
weariness because of his long trip. He
is in a particularly happy mood up-
on his arrival here, making a most
pleasant impression upon those who
came in direct contact with him. He
is gracious to the crowds who as-
sembled to meet him and his acknowl-
edgment of their interest in him
has received in correspondingly good
humor. The prince was greatly sat-
isfied and somewhat surprised at the
warmth of his reception in all parts
of the country. In short, he likes
the "great republic" more than ever,
and he is not slow in giving expres-
sion to his appreciation. From this
city the prince and his party go to
Cambridge for a visit to Harvard col-
lege.

Boston Welcomes the Prince.

Boston, Mass., March 6.—Prince
Henry's reception in Boston today
was a repetition of the hearty wel-
comes he has encountered every-
where since his arrival in the United
States. The special train reached the
city on schedule time, arriving at the
North Bay station shortly after 10
o'clock. Since an early hour in the
morning crowds had been congregat-
ing in the vicinity and it was with
the utmost difficulty that the prince,
attended by squads of infantry and ma-
jors, were able to keep the people
back. The prince was officially
greeted by Mayor Collins and Wil-
iam T. Reincke, the German consul.
Under an escort of cavalry the party
proceeded to the Hotel Somerset.
The route was through the business
district and all along Winter, Tremont
and other thoroughfares the
crowds were packed with specta-
tors who cheered loudly as the prince
passed.

When the party arrived at Boylston
square it was greeted with a salute of
seventeen guns fired by a battery station-
ed on Boston common. During the stay
of the prince and his suite at the ho-
tel the cavalry remained on guard
outside. Governor Crane was one of
the first to appear to make his call of
welcome, and then, as demanded by the
formalities of the occasion, he hast-
ened back to the state house to re-
ceive the return call of the royal vis-
itor. Under the cavalry escort the
prince and his suite proceeded to the
state house by way of Commonwealth
and Massachusetts avenues and Bab-
son street.

At the conclusion of the call upon
the governor, and after a look at the
how monument, the party proceeded
to the public library, where, amid the
bibliotheca paintings, Mayor Collins and
other city officials awaited their
turn to greet the visitor. From the
public library the prince was taken by
way of Dartmouth street and Com-
monwealth avenue back to his hotel.
The Prince at Cambridge.

Cambridge, March 6.—As Prince
Henry's carriage arrived at the state
house the naval brigade band played
"America" and through file marches
the prince and his suite passed to
the executive chamber where the gov-
ernor and staff and heads of depart-
ments were waiting. After reception
of the prince was conducted to the
use of representatives, where both
legislative bodies had assembled, and
the prince was formally presented to
the members, but instead of making
his usual brief address, he calmly
turned around and sat down. The
memorial hall was next visited, where
the prince seemed especially interest-
ed in the battle flags returned by the
Massachusetts regiments from the civ-
il and Spanish wars. At the public li-
brary the prince was introduced to
the German veterans from Boston
in the vicinity. He entered into meet-
ings with the old soldiers with rare
spirit of comradeship, stepping before
each man, inspecting his medals and
listening to the details of his record, finally
taking his hand.

Prince Henry at Harvard.

Cambridge, Mass., March 6.—Prince

WILL REPRESENT THE ARMY

Brigadier-General James H. Wilson
will represent the United States army
at the coronation. General Wilson is
a very distinguished soldier. He was
an able officer during the civil war,
and performed splendid service dur-
ing the Spanish-American war. He is
a foremost military writer and noted
for his great courtesy.

Henry spent the afternoon at Harvard
university, noting all that he saw
with a keen eye and expressing sur-
prise and astonishment at the size
and completeness of the institution.
The prince was heartily received by
the faculty and students of the uni-
versity. The visitors arrived under
escort from Boston at 1:30 and were
received in Memorial Hall by Presi-
dent Eliot. After the greetings had
been exchanged all proceeded to the
faculty room, where, after the profes-
sors and officers had been presented,
luncheon was served. The meal was
as informal as consistent with col-
legiate and imperial dignity, and when it
was finished all repaired to the Har-
vard Union building, where there was
a formal reception to students and a
few brief speeches. The program of
the afternoon closed with a reception
to the German Student Association at
the home of Professor Munsterberg.

Albany to Welcome Prince.

Albany, N. Y., March 6.—All ar-
rangements have been made for the
reception of Prince Henry and his
suite, who will arrive in Albany early
tomorrow morning. The guest will
be escorted by committees represent-
ing the Albany City Club and the
state legislature, first to the city hall,
where the mayor will formally pre-
sent the freedom of the city. From
the city hall the party will proceed to
the state capitol, where the prince
and his suite will be presented to Gov-
ernor Odell and members of the leg-
islature.

COURT-MARTIALED.

Charged With Torturing and Killing
Filipinos Without Trial.

Manila, March 6.—Major Waller
and Lieutenant Day, of the marine
corps, are to be court-martialed on
the 17th, being charged with tortur-
ing Filipinos and executing others
without trial in the Island of Samar.
Major Waller and his marines did
good work in Samar, after the mass-
acre of part of the company of Ninth
Infantry.

Republican Members Confer.

Washington, March 6.—The republi-
can members of the house met for
the third time in hope of reporting
some agreement relative to the relief
which should be given to Cuba. It is
not expected that any definite con-
clusion will be reported. The members
representing the high protection inter-
ests are stubborn in their attitude to-
ward Cuba and will probably prevent
justice from being done the people of
the island, which President Roosevelt
insists should be done.

Honor Texas Heroes.

Houston, Texas, March 5.—This was
the anniversary of the fall of the
Alamo, when so many of the brave
sons of Texas died for liberty. In
commemoration of the event the San
Jacinto chapter, daughters of the re-
public of Texas, today decorated the
graves of all the veterans of the Tex-
as republic in this locality.

Trial of Counterfeiter.

San Francisco, March 6.—The trial
of O. L. Woodworth, who, last Sep-
tember, attempted fraud in a real es-
tate transaction, at Long Beach, was
begun in the federal court in this
city this morning. He is charged
with having counterfeited tools in
his possession.

Fred Miller, lately from Weiser,
Idaho, was adjudged insane at Baker
City, and taken to the asylum at Sa-
lem.

WILL REPRESENT UNCLE SAM AT THE CORONATION.

The appointment of Whitelaw Reid as special ambassador to represent
the United States at the coming coronation of King Edward, gives great
satisfaction in official and unofficial circles in England. Mr. Reid is much
liked by our neighbors across the sea on account of his many personal
efforts to promote a better understanding between the people of this coun-
try and England. It now appears certain, says a London dispatch to the
Herald, that Whitelaw Reid, of the American delegation at the coronation
ceremonies, will take Brook House, in Park Lane, for his stay in London
during the coronation. It is the residence of Lord Tweedmouth, and it
is stated that Mr. Reid will pay \$20,000 for six weeks. Everybody is sur-
prised to think Lord Tweedmouth would care to let his house for such a
period, considering his important position in the liberal party, and it was
anticipated that Lady Tweedmouth would give several very important
parties during the season. Brook House is one of the finest places in Park
Lane, with a splendid view over Hyde Park.

VALENTINE-ARMOUR.

Mrs. Phillip Armour, Jr., Weds Her
Husband's Partner.

New York, March 6.—The marriage
of Mrs. P. D. Armour, Jr., and P. A.
Valentine was quietly celebrated to-
day in this city. The ceremony was
attended only by members of the two
families and a few intimate friends.
Part of the honeymoon is to be spent
with Mrs. P. D. Armour, Sr., at the
Hotel Bon Air, Augusta, Ga.

The bride of today is noted as a
woman of extraordinary beauty. Be-
fore her marriage to the late P. D.
Armour, Jr., she was Miss May Les-
ter, daughter of John T. Lester, a mil-
lionaire board of trade operator in
Chicago. She has two children, Philip
D. Armour III, and Lester
Armour, both of whom are preparing
for preparatory school. For many
years Mr. Valentine was manager of
the interests of the late P. D. Ar-
mour and is extensively interested in
the business. He is credited with
possessing seven millions of dollars.
Mr. and Mrs. Valentine will make
their future home in Chicago.

American to Wed Prince.

Paris, March 6.—A rumor is cur-
rent here to the effect that Miss Helena
Gorham Wade, an American, who has
made her home in Paris for some
time, will shortly marry Prince Eu-
gene, of Sweden, if he can gain the
consent of his father, and arrange to
resign to the succession of the
throne of the Bernadottes, as his
brother Oscar did some years ago
when he made a morganatic alliance
by espousing Miss Ebba Money, a mar-
riage which created considerable of
a stir at the time. Prince Eugene
is a painter of some note who has
lived in the Latan quarter for many
years. Miss Wilde is both pretty and
wealthy.

No Help for the Boers.

Washington, March, 6.—Messrs.
Wolmarans and Wessels, Boer repre-
sentatives, were received by Sec-
retary of State Hay as private citizens.
The secretary of state heard them at-
tentively and promised to do what-
ever he could to ameliorate conditions
in South Africa. Later Wolmarans
and Wessels, accompanied by Dr.
Frederick Mueller, of the Orange Free
State, were received by President
Roosevelt. He informed them this
government will not interfere in the
struggle.

Traffic Resumed.

New York, March 6.—The snow
storm has ceased and traffic has gen-
erally resumed.

WILL REPRESENT THE NAVY

Captain Clark, of the United States
battleship Oregon, has been selected
by the president to represent the
navy at the coronation of King Ed-
ward. President Roosevelt takes this
opportunity of rewarding the gallant
sailor, whose advancement by six
numbers the president does not con-
sider sufficient compensation for his
services.

ROOSEVELT WILL HOLD BACK.

Will Give Congress a Chance to Do
Something for Cuba.

Washington, March 6.—President
Roosevelt has decided to keep out of
the Cuban sugar fight in congress. It
is authoritatively announced that he
will not send a message to congress,
unless the latter should fail to take
any action in behalf of the island. As
long as there is a chance that con-
gress will do something he will not
interfere.

Big Fire in New Jersey Town.

Plainfield, N. J., March 6.—The Bab-
cock block and the Sebing building,
two of the largest business structures
in this city, were burned this morn-
ing. The loss was \$250,000.

SENSATIONAL CASE

Mrs. Grace Bohn Seeks Di-
vorce From John Bohn.

NAMES HER OWN MOTHER
AS CO-RESPONDENT.

Mother-in-Law Took Sides With Her
Son-in-Law Against Her Own
Daughter and the Daughter Now
Goes Her One Better.

Chicago, March 6.—Mrs. Grace
Bohn, in an amended petition for di-
vorce filed in court in this city this
morning, names her own mother, Dr.
Mary Green, as co-respondent. The
plaintiff is a gifted woman of 30 years
and recently figured in a sensational
suit brought by her husband, John
Bohn, to recover his children, whom
Mrs. Bohn took with her to "Loma
Land," the home of theosophists,
near San Diego, Cal. This suit was
brought in the courts of Los Angeles
and the children were given to the
custody of the father.

Mrs. Bohn's present suit is a sequel
to the other, her charge against her
own mother being partly due to the
fact that Dr. Green has taken sides
with Bohn against her during all of
her troubles.

Arkansas Republicans.

Little Rock, Ark., March 6.—Con-
siderable interest is manifested in po-
litical circles in the meeting of the
republican state central committee
to be held this afternoon at the Lin-
coln club. The purpose of the meet-
ing is to recommend a successor to
Colonel H. M. Cooper, as United
States marshal for the eastern divi-
sion of Arkansas, and to confer re-
garding the appointment of several
postmasters. Col. A. S. Fowler of
this city will in all probability be re-
commended for the marshalship.

The Street Car Men's Strike.

Norfolk, Va., March 6.—The strike
among the street car men and the
light and electric power plants in
this city is as far from settlement
this morning as ever. The situation
is growing more serious all the time.
The militia are keeping order. Num-
bers of women have been arrested for
placing rocks on the tracks in the
streets.

Mr. New Declines It.

Washington, March 6.—Harry H.
New, of Indianapolis, has declined the
proffered post of first assistant post-
master-general, offered him by Presi-
dent Roosevelt.

Mine on Fire.

Monongahela, Pa., March 6.—A seri-
ous explosion this morning caused the
burning of a mine here. It is feared
that a number of entombed miners
are dead.
