PRIMARY ELECTION

DELEGATES TO THE REPUBLICAN COUNTY CONVENTION.

Athena Elects Solid Lowell Delegation
—Ukiah, Alba Hogue and McKay
Elect Furnish Men—Other Pre-
cincts.

The republican primary election in
the precincts of Umatilla county was
held today, but at the hour when the
East Oregonian goes to press the re-
sult was only to be had from a very
few precincts, in a number of pre-
cincts the polls not closing until after
4 o'clock.

The general result so far seems to
be in favor of W. J. Furnish, as a
candidate for governor, although a
number of the larger precincts have
elected Lowell men as delegates to
the republican county convention,
which will assemble in Pendleton on
Wednesday, the 12th inst.

The Result in Athena.

Athena, March 7.—The result of the
republican primary election in the
two Athena precincts is as follows:

North Athena—W. H. Reeder, V. M.
Shick, G. W. Hansell, E. S. Water-
man.

South Athena—D. A. Dudley, Geo.
W. Bradley.

The men elected are known to be
for Stephen A. Lowell for governor.

Ukiah and Alba.

Primary election results at Ukiah
and Alba are said to have resulted in
favor of W. J. Furnish at least the five
delegates elected to the republican
county convention are said to be Fur-
nish men.

Helix and Fulton for Furnish.

Word reaches the East Oregonian,
just as the forms are ready for the
press, that Helix, Fulton, Milton and
South Milton, Hogue and Umatilla
have elected "Furnish men" as dele-
gates to the republican county con-
vention.

Pilot Rock for Furnish.

The result of the primary election
here was the selection of C. W.
Mathews, Albert Hemphill, Tom Jac-
ques, Herbert Boylen, G. W. Doane
and Oliver Knotts, all said to be Fur-
nish men. They received 111 votes
to the opposition's 67.

Adams for Lowell.

The primary election's result in
Adams was the election of J. D.
Gregoire, J. W. Perring, J. O. Hales
and J. C. Smith by a vote of 44 to
41 for the opposition. The delegates
are in favor of Lowell as a candidate
for governor.

LIENS FILED AGAINST MILL.

Claims Against the Badly Managed
Athena Mill Continue to Pile Up.

Eight liens were filed Thursday eve-
ning at the court house against the
Athena Flouring Mill Company's
property, consisting of claims for
milling machinery, scales, ware-
houses, trucks and other stuff pertain-
ing to the mill, with some grain stored
therein.

These liens are the outcome of a
recent suit brought to have a receiver
appointed for the corporation, which
was to forestall several suits that
were threatened for judgment to re-
cover pay for grain that had been
stored in the mill warehouses by
farmers around Athena. The aggre-
gate is \$10,366.07 and the assets of
the company are given as not to ex-
ceed \$13,000.

Those holding liens against the cor-
poration and the amounts of each,
are: W. E. Bond, \$3,171.17; First Na-
tional Bank of Athena, \$2,635.88; T.
J. Kirk, \$769.07; W. C. Minnis, \$220-
80; Henry Koppitke, \$206.22; J. S.
McLeod, \$164.95; C. H. Brown, \$487-
98; David Ferris, \$1259.

In Honor of Governor Yates.

St. Louis, Mo., March 7.—The St.
Louis Republican club has made
great preparations for the dinner to-
night in honor of Governor Richard
Yates of Illinois. Many political
leaders of prominence have been in-
vited and it is expected that the din-
ner will be made the occasion for an
informal conference regarding the
coming campaign in both Missouri
and Illinois.

General Wood Wanted.

Washington, March 7.—The secre-
tary of war has directed General
Wood to come immediately to Wash-
ington to confer on the plans for the
departure from Cuba on May 1, of all
United States troops. The adminis-
tration, at this time, is also anxious
to learn Wood's ideas on Cuban recip-
rocity.

tey Organ Company, died here today

Mrs. Sam Hays, died at 11 a. m. today
at their home, corner of Court and
College streets, from the effects of

A BAD S. P. TRAIN WRECK

(Concluded.)

persons, according to reports received
here, were killed and the same num-
ber injured. Sixteen bodies have al-
ready been recovered from the wreck.

The accident occurred in a ravine
in a remote mountain district. The
train was going down grade on a
curve, when it struck a broken rail,
throwing the engine and every car,
except a private car occupied by a
large party of New York capitalists,
into the ravine. The wreckage im-
mediately took fire and nine of the cars
were burned. The station agent at Ta-
bor, several miles away, saw the
flames and went to the scene as fast
as a handcar, which he worked alone,
could carry him. A terrible spectacle
met his gaze. Such passengers as
were able were frantically running
about or trying in the semi-darkness,
to rescue those imprisoned in the
blazing wreck. The first coach was
loaded with immigrants, all of whom,
it is believed, perished. The engine
lies at the bottom of a huge pile of
wreckage. Immediately upon receipt
here of the news a relief train start-
ed out, and surgeons and nurses were
picked up at every station en route.
Among the known dead are: Engineer
Mast, Fireman Betsch and Express
Messenger Adams.

BASEBALL IN PENDLETON.

The Team Here Will Be Made Up
Largely of Home Players.

Captain Charles W. Ziegler, who ar-
rived this week from Seattle, thinks
the prospects are very good for an
enthusiastic baseball year in Pendle-
ton. The people are desirous of see-
ing good ball and some are anxious
that the team be made a professional
one and his idea seems prevalent
among some of the neighboring towns
but, from former experience, Mr. Zieg-
ler says that professionalism kills the
interest in baseball to a certain ex-
tent and especially in a small town,
as the people like to see home boys
on the team, so it is his intention to
give the local players the preference,
provided they come up to his expec-
tations. But should he see the local
team is not strong enough to win
more than their share of the games,
steps will be taken to immediately
strengthen any weak position. Pen-
dleton, as well as the neighboring
towns, is not large enough to support
a professional team, but the "fans"
are assured that Pendleton will not
go on the diamond with a weak team.
In all probability, a practice game
will be had with Whitman on the 26th
of this month and at that time the
strength of the team can be deter-
mined to a great extent.

Walla Walla Raised Money.

There has been turned over to
Manager John L. Sharpstein, of the
Walla Walla baseball team, a sub-
scription list pledging business men
and private citizens of Walla Walla
to give \$200 a month for a period of
five months toward the maintenance
of a baseball club in that city. With
the exception of \$7.50 the entire \$1000
asked for has been subscribed, and
Julius A. Levy, with whom Thomas
Drumheller went out among the peo-
ple and secured the money, stated
that this sum was guaranteed by peo-
ple who did not like to see their
names on the petition but who would
not refuse to pay.

A Good Work.

The Oregon Medical Society has
three crusades in view: Against un-
wholesome meats. Against impure
milk. Against spitting in public
places. The three subjects came up
at a meeting of the society in Port-
land, and were laid over as a special
order of business at the next meet-
ing, two weeks hence. The members
of the society believe they have a
broad field to work in, if they pursue
these three purposes.
