What it is.

Advertising is the life blood of the business world today, and well directed advertising is like the powerful searchlight of a river steamer, thrown upon a distant cottage on the bank, cutting it out like a picture painted on a black canvas. The timid buyer and the prospective industry will follow the rays of the searchlight of publicity, just as surely as will the eyes of the steamer's passengers follow the light thrown from their vessel. They will not search the surrounding gloom for objects of interest when a beautiful picture is clearly shown before them. Prospective buyers will not search the surrounding gloom for your competitors if the searchlight of publicity is turned on your own place of business.—Canastota (N. Y.) Bee.

Surgeon's Knife Not Needed.
Surgery is no longer necessary to cure piles. DeWitt's Witch Hazel Salve cures such cases at once, removing the necessity for dangerous, painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeits. Tallman & Co. and Brock & McComas.
