DEATH OF E. GILLIAM.

One of Umatilla's Pioneers Passes to His Final Rest.

Died, at his residence, corner of Webb and Stonewall Jackson street, in this city, Saturday evening at 10:30 o'clock, E. Gilliam, aged 61 years, 3 months and 12 days, after suffering for the past four years with Bright's disease.

Mr. Gilliam was born in Henry county, Missouri, in 1840, and crossed the plains with his parents in 1847, when he was only 7 years of age. His parents settled in Polk county in the same year and he and his relatives have been prominent in different counties in the state ever since. In 1861 Mr. Gilliam was married to Miss Nancy Jane Robbins, in Polk county, and in 1864 they moved to a place near where now is Echo, where they remained just a year, and went from there to the vicinity of Pilot Rock. Several years ago they left the ranch and came to Pendleton, where they have resided since.

Mr. Gilliam has devoted most of his time to farming and stock raising, although he has been a prominent politician in the county, having served as stock inspector for 10 years and was county assessor four years prior to the election of George Buzan, nearly four years ago. He has been a faithful church worker since a young man, when he joined the M. E. church, and is also prominent in lodge circles, being a member of the Royal Arcanum Lodge, No. 1623, and the United Artisans.

To Mr. and Mrs. Gilliam were born 11 children, all of whom are living except two, and all are in this state except one, Mrs. H. A. Agnew, whose home is in Evanston, Ill. The rest of the children are: Albert Gilliam, a prominent farmer of Pilot Rock, Elmer Gilliam, of this city; Mrs. Elmer McBroom, Pilot Rock; Mrs. George Rugg, of this city; Mrs. C. W. Oliver, of Portland; Miss Grace, who is teaching in the public schools, and Misses Dorothy and Francis. These nine children and the widow are left to mourn the taking away of a devoted parent and husband.

The funeral occurred from the Thompson Street M. E. church this afternoon at 3 o'clock, and a large concourse of sorrowing friends followed the remains to the Olney cemetery.

AN ELEGANT STORE.

R. Martin's Family Grocery and Bakery a Model Establishment.

Pendleton, for a city of less than 6000 people, has fine stores, the best of any town of its size in the Northwest. Another has just been added to the list of fine establishments, the latest being R. Martin's Family Grocery and Bakery store, in the La Fontaine block, on the east side of Main street, between Webb and Alta streets. The store is completely stocked with fine staple and fancy groceries, all new goods, bought in carload lots for cash. The store is elegantly arranged, has splendid light, is spick and span and is in every way a model grocery, and is a credit to Pendleton. The success of the business conducted by Mr. and Mrs. Martin occasions no surprise, as they are always accommodating, pleasant and anxious to please. Now that they are in their new quarters, dressed up for business, as it were, trade will be still better. They extend a cordial invitation to their large family of old customers, and invite new ones to visit them either for business or otherwise. The store is well worth a visit as it has many attractions, one of which is Mrs. Martin's smile of cordial greeting.

Would Smash the Club.

If members of the "Hay Fever Association" would use Dr. King's New discovery for Consumption, the club would go to pieces, for it always cures this malady—and asthma, the kind that baffles the doctors—it wholly drives from the system. It conquers grip, saves little ones from croup and whooping cough and is positively guaranteed for all throat and lung troubles. 50c, \$1.00. Trial bottles free at Tallman & Co.'s.

COACH WAS BURNED

IMMIGRANTS HAD A NARROW ESCAPE FROM FLAMES.

Baggage Burned and Train Delayed Several Hours—Fire Started From the Heater in the Car.

A peculiar accident befell the Oregon Short Line train, No. 5, on the O. R. & N., 25 miles west of Pocatello, yesterday afternoon, and as a result, the train, due here at 11:10 o'clock last night, did not reach here until 7:30 o'clock this morning.

While the train was running at a good rate of speed, the coach, loaded with immigrants, next to the baggage car, was discovered to be on fire. The train was stopped, but the fire had too much headway for it to be extinguished, so the people were gotten out as quickly as possible and the burning car "cut out." The passengers were close pressed by the flames and a number of passengers lost their hand baggage. After the fire had destroyed all the woodwork of the coach the debris and trucks were removed from the track and the train proceeded west. The fire is said to have started from the heater.

Pierce Wins Case.

A decision has been granted by the land department at Washington giving Charles M. Pierce a patent to a mining claim known as part of the Maxwell group on Rock creek, in Baker county. This suit has been in the court for four years, it being an old abandoned claim of the Rock Creek Gold Mining Company and Mr. Pierce filed on it, and then his right was contested by the company. It turned out to be a valuable property, and Jas. A. Howard and Walter Pierce, of this city are interested therein. Stillman & Pierce are attorneys.
