## DEMOCRAT NAMED

**NORMAL SCHOOL HAS A NEW REGENT.**

**C. W. James, of Baker City, Succeeds G. W. Lynn, Resigned.**

Weston, March 20.—Governor Geer has appointed C. W. James, of Baker City, as a member of the board of regents of the State Normal School in the place of W. G. Lynn, of Helix, resigned.

The Normal School's annual musical recital will be held next Tuesday evening, the 25th inst.

Charles Lluellen, who has been running a pumping engine for the Hunt line at Pendleton for the last few weeks, left for Nampa, Idaho, yesterday, where a position awaits him.

The infant daughter of Mr. and Mrs. Frank Sargent, of this place, died on Wednesday. The funeral services were conducted by C. W. Hoag, pastor of the M. E. church, South, at 3 p. m. A large number of friends from Athena and Helix attended the services.

Yesterday Thomas Moorhouse sold to J. E. Dishman, of Elgin, his farm of 240 acres, situated a quarter of a mile East of Weston. Consideration \$6500.

#### An Estimable Man.

J. H. Robbins, mayor of Sumpter, who is in town today, said to the East Oregonian regarding the new regent that he is a man of estimable qualities, and that he will be a valuable addition to the board of regents. He is county recorder of Baker county, and has lived there for a number of years.

#### IMPORTANT DISCOVERY.

**A Clinical Preparation That Positively Kills the Dandruff Germ.**

A most important discovery has been made after a year's patient laboratory work aimed in a certain direction—it is Newbro's Herpicide, a preparation that cures baldness, prevents falling hair, and speedily and permanently eradicates dandruff. These evils are caused by a germ or parasite that burrows into the scalp throwing up dandruff, as it seeks to sap the life of the hair at the root. There's no baldness without falling or thin hair, no thin hair without dandruff, and no dandruff if the germ is destroyed. Newbro's Herpicide is the only preparation that will do the work. "Destroy the cause you remove the effect."

#### PAINTERS ORGANIZE.

**A Union Formed on Wednesday Night in Pendleton.**

The painters of Pendleton met Wednesday night in the store of Chas. C. Sharpe, on Court street, and organized a Painters' Union. The purpose of the union is to establish and maintain a regulation price for all kinds of work and reduce the working hours from 10 to 9 for a day. The officers elected were: C. W. McLyman, president; Fred Langever, vice-president; Charles Wilson, recording secretary; Lee Baker, treasurer. The charter for the union will be here in a few days and the organization will be made permanent.

#### New Saloon Firm.

M. S. Monteith and A. J. Howard are now the proprietors of the "Maze" saloon. A deal has just been consummated between them and C. L. McGinnis, the former owner, whereby they take possession of the saloon and business which will be run hereafter under the firm name of Monteith & Howard. The new proprietors are from Portland, are experienced saloon men and know their business thoroughly. Some extensive improvements will be made in the building, among them a handsome new front which will give the place an entire changed appearance. T. F. Howard, the architect, has designed the changes.

#### Notice to Contractors.

Sealed bids will be received up to noon, March 29th, 1902, for erection and completion of a one-story cottage for William Roberts, to be built just east of county bridge, in East Pendleton, 1 1/2 miles from court house. Plans and specifications at Thompson Hardware Co.'s store.

#### A TILLMAN IN THE ENGLISH HOUSE.

**John Dillon Calls Chamberlain a "Damned Liar" and is Suspended.**

London, March 20.—In the house of commons today, John Dillon, leader of the anti-Parnellite party, was suspended for calling Colonial Secretary Chamberlain a "damned liar" in the course of a debate on the South African war.

Chamberlain was replying to a speech made by Campbell-Bannerman in which the latter had condemned the government's policy to cloak conditions at Cape Town. He demanded full explanation and also protested against slanders on liberal critics for party purposes. Chamberlain was concluding with a hopeful reference to the war when Dillon interrupted by shouting:

"The Boers who are fighting against their country are traitors!"

"You're a good judge of traitors," retorted Chamberlain.

Prolonged disorder followed. Dillon appealed to the speaker, asking him if that was parliamentary. The speaker upheld Chamberlain. Dillon then shouted:

"I will tell the honorable gentleman he's a damned liar."

Suspension then followed. It will last a week.

#### Advertising.

We may live without poetry, music and art,  
We may live without conscience and live without heart;  
We may live without friends, and live without fads,  
But business today cannot live without ads.

#### HEART TO HEART TALK.

It is not everyone that knows all about the best in shoes. To those who do and do not, we offer our services. There can be no doubt but that the shoe department of "The Big Store" is on a par with the best of shoe concerns. Let us enumerate a few of the leading favorites that claim the public attention and prove the worth of these claims:

**THE DOUGLAS SHOE** for men at three, three fifty and four dollars is a line of unequalled merit. Most of the line sells at \$3.50, the acknowledged price at which the greatest amount of service, style and comfort is concentrated per dollars worth. Our business last year was beyond our expectations and the demand is growing every month. The shoe makers are assuring us that a Douglas shoe is worth new soles, while most other makes are not. We would sell more pairs if they did not wear so long.

The ladies "GLORIA" \$3.50 shoe is a new-comer from the East. It has, however, been out here long enough to establish an enviable reputation. Remember they are new styles, as we have not had them long. We only bought the newest and best and are introducing them to the people of this community and hope they will prove as welcome as they have in Portland, San Francisco and Seattle.

The Red School House Shoes (made under new management) is greatly improved and is meeting with a successful sale. They come in three weights and styles, in all sizes and widths.

At the \$2.50 price there is here a large and varied line of shoes for boys and girls, ladies and gentlemen. We are striving to show the people of this vicinity that we are the greatest \$2.50 and \$3.50 shoe concern in Eastern Oregon.
