REPORT OF COMMITTEE ON CITY INTERESTS.

Commends Various Things for Better-
ment of Conditions in the Town.

Tuesday night was the regular
monthly meeting time of the Pendle-
ton Commercial Association. Little
business came up for discussion ex-
cept the report of the committee on
city interests, and the appointment of
a committee of three to confer with
the Woodmen of the World and to
work with them in getting the city
decorated for the coming log-rolling.
George K. Rogers was present and
talked to the association on the sub-
ject, urging that they take up the
matter in helping to make the log-
rolling a success.

Suggestions by City Committee.
The committee on city interest,
after an introductory statement dis-
claiming criticism of the city officials,
made these suggestions, the report be-
ing signed by C. J. Smith, W. H. Jones
and J. F. Robinson:

First—Relative to the matter of
street sprinkling. The street com-
mittee of the city council informs us
that the matter has been taken up
and will properly be cared for by that
body and that the business interests of
the city will not necessarily have to
look after this matter as they have
on other occasions.

Second—While it is plain with all
that certain of our streets—especially
that of East Court street, east of By-
ers mill race, to the city limits, and
a portion of west Alta street—are in
bad condition, we are informed that
this will also be attended to by the
city as soon as possible.

Third—That we believe it to be the
best interests of the city from both
slightly and sanitary standpoints, to
have certain ordinances enacted re-
quiring property owners, or occupants
of the property, to care for their por-
tion of the street immediately in front
of their residences or place of busi-
ness, keeping the sidewalks clean by
sweeping and the street and gutters
clear of paper and other obnoxious
debris.

Fourth—Remembering that the ac-
commodation of the people coming
from the country to trade in this city
is a matter of great importance, we
would suggest, as a matter of con-
venience and accommodation to them,
that more hitching room be provided
and that it be provided in such a place
as not to injure the residence portion
of the town.

Fifth—That this committee would
recommend that this body interest it-
self at once in assisting the water
commission in putting water in the
cemetery.

Sixth—We would further recom-
mend that this body take interest at
once in securing some place of resort
or promenade for the citizens.

The above recommendations met
the hearty approval of the association
and steps will be taken at once to see
that they are to be carried out in as
far as possible.

SUES FOR DIVORCE.

Emma J. Harter Charges Her Hus-
band With Cruelty.

Emma J. Harter vs. John Harter is
the title of a suit filed at the court
house in which the plaintiff asks the
court of Umatilla county to grant her
an absolute decree of divorce. They
were married at Walla Walla Novem-
ber, 1893, and one child, a girl of 8
years, is the result of the union. The
allegations are that for more than a
year past plaintiff and defendant have
not been living together and that the
defendant is a habitual drunkard and
treats plaintiff in a cruel and inhu-
man manner and often threatens her
life and at various times has drawn
pistols and knives on her and for more
than a year past has not contributed
to her and their child's support. She
asks the custody of the child and such
other relief as the court sees meet.

plaintiff.

Mrs. Matt Wants a Divorce.

After living with him for less than
13 months, Mrs. Kate Matt has sued
her husband, Charles Matt, for di-
vorce. She alleges that they were
married in Pendleton March 9, 1901,
and that on or about the 15th of July
of the same year defendant began a
course of cruel treatment and fre-
quently came home drunk and would
curse and threaten her life and that
one time he was only restrained from
striking her by friends who were near.
He has abandoned plaintiff and re-
fuses to contribute to her support and
when he meets her on the street will
begin to abuse her and threaten to
take her life. They have no children.

plaintiff.

Shot in His Left Leg.

For all kinds of sores, burns, bruises,
or other wounds DeWitt's Witch Ha-
zel Salve is a sure cure. Skin diseases
yield to it at once. Never fails in case
of piles. Cooling and healing. None
genuine but DeWitt's. Beware of
counterfeits. "I suffered for many
years by a gunshot wound in my left
leg," says A. S. Fuller, English, Ind.
"It would not heal and gave me much
trouble. I used all kinds of remedies
to no purpose until I tried DeWitt's
Witch Hazel Salve. A few boxes
cured me. Tallman & Co. and Brock
& McComas.

The trouble with some men is that
they are always looking for it.

Mary J. Miller Sues D. H. Casey.

Mary J. Miller has sued D. H. Cas-
ey and May Casey, his wife, for the
collection of a note. The allegations
are to the effect that in February,
1899, defendants delivered their prom-
issory note for \$400 to J. H. Miller.
They gave as security a mortgage on
the northeast quarter of the north-
east quarter of section 17, township
1, north of range 34. None of the
original note has been paid, except
\$131.70, leaving \$14.96, including prin-
cipal and interest, unpaid. There-
fore, plaintiff, who is the widow of J.
H. Miller, prays the court for a per-
sonal decree against defendant or-
dering that the mortgage be fore-
closed and the land sold to satisfy the
note, interest and attorneys' fees.

the plaintiff.

\$100 Dollars Reward, \$100.

The readers of this paper will be pleased
to learn that there is at least one dreadful disease
that science has been able to cure in all its
stages, and that is catarrh. Hall's Catarrh Cure
is the only positive cure now known to the
medical fraternity. Catarrh being a constitutional
disease requires a constitutional treat-
ment. Hall's Catarrh Cure is taken internally,
acting directly on the blood and mucous sur-
faces of the system, thereby destroying the
foundation of the disease, and giving the pa-
tient strength by building up the constitution
and assisting nature in doing its work. The
proprietors have so much faith in its curative
powers that they offer One Hundred Dollars for
any case that it fails to cure. Send for list
of testimonials. Address:

Nasal catarrh quickly yields to
treatment by Ely's Cream Balm, which
is agreeably aromatic. It is received
through the nostrils, cleanses and
heals the whole surface over which
it diffuses itself. A remedy for nasal
catarrh which is drying or exciting to
the diseased membrane should not be
used. Cream Balm is recognized as a
specific. Price 50 cents at druggists
or by mail. A cold in the head im-
mediately disappears when Cream
Balm is used. Ely Brothers, 56 War-
ren street, New York.

Fred W. Basche, the youngest mem-
ber of the state and congressional con-
ventions, was born in Baker City,
January 12, 1880. He is the son of
Peter Basche, the leading hardware
merchant of Eastern Oregon, and was
elected a delegate from Baker county,
receiving 95 votes out of a total of
131 in a contest between 14 con-
testants for the four delegates awarded
to Baker City.
