AT THE HEAD OF THE CLASS.
He didn't lift the pocket-book. He didn't pick the dollar up. He didn't kick the battered hat, and cripple both his feet; He didn't eat the griddle cake Composed of cotton, thick; He didn't wear the funny sign Requesting folks to "Kick"; He didn't ask for "oil of strap."

Nor view the tunnel's hole; He didn't pick the dollar up; That glowed like burning coal; But oh! and oh! he proved to be The leading April Fool— He tried to play chiropodist Upon a poor old mule!

DOING ROAD WORK.

Superintendent Beathe Has Charge of Sixteen Districts.

F. H. Beathe, superintendent of road work for 16 districts in this part of the county, has been traveling of late from one district to another, and directing a vigorous spring campaign on the part of local supervisors, says the Weston Leader. Being asked about the work, he said:

"We now have men employed in each district. Three Reversible Aurora Road Graders are running to their full capacity, with 12 head of horses to each grader, and three A-shaped graders are also employed.

"I find the county roads in good, respectable condition in Vansycle, Juniper and Fulton districts. Several new roads have been ordered opened and more will be petitioned for. Bridges are all in good shape, which will certainly curtail the expenses of the county. I think that by everybody taking an interest and our present supervisors getting a hustle on themselves and working to advantage, we can make some roads this season of which we will have reason to feel proud.

"If the people residing alongside of public highways would try to assist us, instead of filling up our ditches, it would encourage us to better work."

Columbus, O., April 5.—An unusual spectacle will be witnessed in the First Congregational church of this city tomorrow, when a Catholic layman will address the congregation. Mr. Minahan at once accepted the invitation, and set tomorrow as the date for the address.
