JOHNSON'S TOWN POLITICAL NEWS

CLEVELAND, O., GOES HEAVILY DEMOCRATIC.

Mayor Johnson's Good Work in Behalf of the People of the City is Appreciated—Other Cities Go Republican.

Monday was election day in a number of Ohio cities, notably Cleveland, Cincinnati and Toledo. Only in Cleveland was there a democratic avalanche and a republican Waterloo. The republicans were victorious in the other cities, but in Cleveland they were no match for the hosts of Tom Johnson, the greatest democrat of the country.

The Election Returns.

The reports to the morning papers were as follows:

Cleveland, O., April 8.—A cold rain fell in this city throughout the early morning hours, causing a light vote to be cast in most of the precincts. A feature of the contest was the women voters, more than 15,000 of whom registered. Aside from the interest manifested in the school directorship, the main fight hinged on the election of councilmen, Mayor Johnson having made a strong fight against candidates not in sympathy with the 3-cent car fare movement. The following democrats were elected in this city today:

Starr Cadwallader, school director, defeated H. F. Sargent by 3000 plurality; H. D. Coffinberry, city treasurer, defeated W. F. Hoppensack, republican, by a like plurality; three members of the school council; J. L. Reilly, justice of the peace; six out of 11 new councilmen.

The new city council will be composed of 12 democrats and 10 republicans. Mr. Coffinberry was temporarily appointed to the office of city treasurer, upon the recent death of George P. Kurtz. Mayor Tom Johnson took an active part in the campaign.

Toledo, O., April 7.—The republicans have elected their city ticket, headed by Frank Van Loo for street commissioner, by an average majority of 1100. They also have 10 majority in the board of councilmen and two thirds majority in the board of aldermen. This is a complete political reversal.

Columbus, O., April 7.—The municipal election in Columbus resulted in the re-election of Edward C. Fraas, republican, for clerk of police court, and L. D. Andrews, republican, for justice of the peace, by 600 and 400 majority, respectively. The republicans also retain control of the council, electing 11 out of the 19 members.

Cincinnati, April 7.—W. H. Jackson, democrat, for superior judge, was defeated for re-election by Howard Ferris by over 16,000 on a total vote of 42,000, which is about one-half of the total vote registered last November.

MEETING OF DEMOCRATIC STATE CONVENTION.

Hosts of Democracy Gathering in Portland — Convention Assembles Thursday Morning, April 10th.

Portland, April 9.—The democrats are here in great numbers from all parts of the state, preparatory to taking part in the state convention, which assembles in the Catholic Foresters' hall, in the Hibernian building at 11 o'clock tomorrow.

Aside from the nomination for governor, which has been conceded to George E. Chamberlain, and those for secretary of state and state treasurer, for which State Senator J. W. Morrow and Frank Durbin seem to have the inside track, there will be some lively races. C. E. S. Wood and J. H. Raley are both mentioned for congressman, and there is some talk of Pennoyer, although he has positively announced that he will have nothing whatever to do with any nomination except that for supreme judge—to which he attaches the privilege of running on his own platform.

A. D. Stillman, the well-known Pendletonian, Lark Blyeu, who has been a figure of prominence in the legislature, Judge Bennett, a former candidate for congressman, and J. H. Smith, of Clatsop, are all candidates for the attorney-generalship, and each has reasons in abundance to show why he should be nominated.

Ira Campbell, of Lane, L. A. Long, of Washington, and Charles Nickell, of Jackson, are all willing to be named for state printer, and M. C. Reed and E. E. Bragg are in the field for the democratic chances to land the office of superintendent of public instruction. In the first congressional district the only man who is willing to make the race against Congressman Tongue is J. K. Weatherford, the Albany lawyer and politician.

Sam White on Guard.

Sam White of Baker City, chairman of the democratic state central committee, is very busy nowadays at his headquarters in the Chamber of Commerce building, receiving calls from local and visiting democrats and mapping out a plan of campaign. Mr. White says the state convention will have no slate, and that the race will be open to all entries, the only condition imposed being that they are good democrats.

Morrow County Democrats.

The democrat county convention was held in Heppner Monday. Delegates to the state convention: C. E. Redfield, J. W. Morrow, J. A. Woolery, all for George Chamberlain for governor. The county ticket is: Sheriff—J. J. McGee. Clerk—J. A. Woolery. Commissioner—Frank H. Wilson. Treasurer—George Noble. Assessor—H. Olden. Surveyor—Julius Keithly. Coroner—J. L. Yeager.

"Butch" is a Candidate.

The Baker City Democrat, in an editorial nominates W. F. Butcher, of that city for congress on the democratic ticket for the second district. Mr. Butcher stated that, under certain conditions, he would except the nomination. He is an aggressive campaigner and ranks as one of the leading members of the bar in that part of the state. Without doubt Mr. Butcher will have the support of a large number of the democratic delegates to the state convention from eastern Oregon. Mr. Butcher is a member of the Baker City delegation to the state convention.

Delegates From Umatilla.

The following Umatilla county delegates to the state democratic convention, which meets in Portland tomorrow, left last night:

W. F. Matlock, of Pendleton; A. D. Stillman, of Pendleton; Joe N. Scott, of Athena; R. M. Powers, of Weston; G. W. Skelton, of Pilot Rock; James Laing, of Pendleton; C. A. Chapman, of McKay; T. A. Lieuallen, of Adams; D. B. Watson, of Pendleton; John Heathman, of Pendleton; M. Toner, of Cottonwood; James Nelson, of Vinson; William Atkinson, of Meacham; William Forrester, of Helix; William Hilton, of Pendleton; A. J. Dillon, of Echo.

Seven Devils Railroad.

Lieutenant Edward S. Farrow, well known to old-timers in Pendleton, has written a letter to O. L. Miller at Baker City saying he will be at Baker before the end of the month prepared to start work on the railroad from that place to the Seven Devils. It is understood that a party of surveyors will be put in the field about May 1, which will be about as early as they can work to advantage. The distance from Baker to Ballard's Landing, the present proposed terminus of the road, is 90 miles. The grades are very easy and there is very little rock work on the route, so that if the work of construction can be started by the 1st of July, trains will be running by the end of the year.

The occasional ad is one of the very best methods by which to squander money. Continuous advertising, on the other hand, will bring ample returns for the money invested.—Suggestions.

PENDLETON SCHOOL TEAM

Will Take Part in the Amateur Athletic Union Meet at Baker City.

The Pendleton high school is preparing to again take part in the annual Eastern Oregon Interscholastic Amateur Athletic Union field track meet this year, which is to be held at Baker City, May 10. A team has been practicing for the past month, and the boys say they are going into the field in better trim than they ever have before. They have won the "Tribune" cup for the past two years and if they win it at this year's meet they will then be entitled to keep it as it will be the third time.

The features of the meet will be running, jumping, vaulting, throwing the hammer and other athletic sports which are usually carried on during a meet of this kind.

Florida Medical Men Meet.

Tampa, Fla., April 9.—The twenty-ninth annual meeting of the Florida Medical Association was opened here this morning with an attendance of leading physicians and surgeons from many parts of the state. Dr. G. H. Altree called the meeting to order and, after an offering of prayer by Rev. W. W. DeHart, D. D., Mayor F. L. Wing delivered the address of welcome, to which response was made by Dr. J. Harrison Hodges of Gainesville. The annual address of the president, Dr. A. J. Wakefield of Jacksonville, followed, and the remainder of the morning session was occupied with routine business connected with the affairs of the association. The reading and discussion of papers on topics of interest to the profession was begun this afternoon.

Mercury and Potash

ONLY SERVE AS A MASK FOR CONTAGIOUS BLOOD POISON

They hide its repulsive form, and this serpent disease, stupefied by these drugs, lies dormant until the effects have worn off or treatment is discontinued, when it breaks down the mask and becomes as full of life and venom as ever. Mercury and Potash may dry up the sores and eruptions, but at the same time they drive the poison back into the blood and system, where it feeds upon the tender tissues, membranes and nerves, finally breaking out in most disgusting sores and even destroying the flesh and bones.

Mercury and Potash cannot accomplish a radical and permanent cure. They have a palliative but not curative effect upon this treacherous snake-like disease. These drugs produce mercurial rheumatism, destroy the teeth and corrode the membranes of the stomach and bowels, causing inflammation and dyspepsia, nervousness and general derangement of the system.

S. S. S. is a Specific for Contagious Blood Poison, and the only antidote for the peculiar virus that spreads so quickly throughout the system, corrupting the blood and infecting every organ and fibre of the body.

S. S. S. destroys the serpent, and eliminates every atom of poison from the blood, it makes a thorough and radical cure of the disease, and at the same time builds up the general health. S. S. S. contains no minerals of any kind, but is a purely vegetable remedy and we offer \$1,000 for proof to the contrary.

Write us about your case and our physicians will cheerfully advise without charge. Our home treatment book will be sent free to all who desire it.
