# PENDLETON WON

## "INDIANS" DEFEATED THE "YELLOW KIDS."

No Sensational Plays in Game, But There Were Errors Galore on Both Sides—Honors Were About Even, But Pendleton Won.

Athena, 6. Pendleton, 10. This was the way that the game stood between the "Yellow Kids" and the "Indians" at the close of the game on the Alta street grounds Thursday afternoon, and to use the general expression that was heard on the street after the game, Pendleton "didn't do a thing to them."

The game was called promptly at 8 o'clock and Athena was first at the bat. G. Brown and Willard were first up and they both fanned. Then Shea, called "Beef" Shea by the Pendleton rooters, because of his "beefing" qualities, took the bat, and he and Rol Brown, who followed him, made a run. These runs were made, however, because of errors on the part of Pendleton players.

### Game Looked Bad for Pendleton.

These two scores for Athena and the errors of the locals made it look quite serious for Pendleton and raised the hopes of the Athena rooters, who yelled until they were hoarse. Pendleton then went to bat and four tallies were made, one each by Brown, Ziegler, Clemens and Cornell. This put a damper on the enthusiasm of the "Yellow Kids," and the latter's rooters could not be heard above a whisper, but the enthusiasm of the Pendletonians was shown by the filling of the air with yells, and this was continued all through the rest of the game.

Athena did not make another run until the seventh inning, when Lieualen made a tally. By this time Pendleton had seven and the local sports were beginning to feel easy. In the eighth inning, however, the "Kids" raised their score to six, and the locals did not feel so easy for a few minutes. It appeared for a while as though the visitors were going to catch or possibly go ahead of the "Indians." The favorable outlook of the visiting rooters and they were again in evidence with their clamor. But the tune soon changed, when Pendleton went to bat in the eighth they scored three runs, which made 10. Athena in the first half of the ninth did not make a tally and Pendleton did not play its half of the inning.

Errors were plentiful on both sides, although more so on the side of the "Indians." They had 11 errors marked up against them and Athena had eight. In spite of the errors the game was a pretty one and was greatly enjoyed by the 700 or 800 people that witnessed it. The day was ideal and there was none of the disagreeable features that sometimes mar a game—jangling among the players.

### No Sensational Plays.

No sensational plays were made, but several meritorious ones that caused the rooters to cheer were credited to the men of both sides.

Not a home run was made during the game and but two double plays, one by each side, and only two two-base hits were made by each side.

Wilner, Pendleton's pitcher, gave one man a base, hitting him with the ball and one was given a base by Saunders, pitcher for Athena, in the same way.

Wilner struck out seven of the "Kids" and Saunders only has three to his credit.

J. T. McCarthy, of the Pacific Northwest League, who is signed to play with Tacoma this year, umpired the game with his usual level-headedness and his decisions were so accurate in every instance that not a dissenting voice was heard against any of his decisions. Mr. McCarthy left on the evening train for Walla Walla and will leave there Sunday for Tacoma, where he goes to practice with his team for the season, which opens on the Sound the 29th inst. Charles A. Maskrey, for Pendleton, and Doc Osborn, for Athena, were the scorers.

### Games Scheduled.

The Pendleton "Indians" are trying to schedule more games than have been arranged for so far, and in addition to those given below it is expected that two games will be

played between them and the Helena team during week after next, but so far the dates have not been set. The games that are known to date in which the "Indians" will participate are:

"Yellow Kids" and Indians, Athena, Friday, April 18.  
"Indians" and "Sharpshooters," Pendleton, Sunday, April 20.  
"Yellow Kids" and "Indians," Pendleton, Sunday, April 27.  
"Yellow Kids" and "Indians," Pendleton, Sunday, June 1.  
"Indians" and "Sharpshooters," Walla Walla, Sunday, May 4.  
"Indians" and "Sharpshooters," at Walla Walla, Monday, May 5.  
"Indians" and "Sharpshooters," at Pendleton, Friday, May 23.  
Athena vs. Whitman.

The Walla Walla Statesman says much interest is being taken by baseball cranks in the coming game between the Athena "Yellow Kids" and the Whitmans, which will be played at the city park grounds next Saturday. The Whitmans are determined to retrieve the laurels wrested from them by the Kids in two games at Athena two weeks ago. The Athena team is just as determined to keep the Whitman scalps as a memento of the first game of the season. The result will be that the crowd attending the game will see something worth going a long way to witness. Sunday the "Yellow Kids" will stack up against Manager Sharpstein's bat wielders again at the park. This will be another game worth seeing. The local team is rather sore over the result of the game last Sunday and is going to make a try and even up matters. An excursion train will arrive in the city Sunday morning from Athena, bringing a bunch of rooters for the Kids.

### Baseball Notes.

Charles H. Eisey, first baseman, has been chosen captain of the Spokane team in the Pacific Northwest League. He was formerly captain of the Bloomington team.

Portland's baseball season will open next Sunday with an exhibition game between the professionals and the Monograms. By that time the entire Portland team will be in the city.

### The Great Dismal Swamp.

Of Virginia is a breeding ground of Malaria germs. So is low, wet or marshy ground everywhere. These germs cause, weakness, chills and fever, aches in the bones and muscles, and may induce dangerous maladies. But Electric Bitters never fail to destroy them and cure malarial troubles. They will surely prevent typhoid. We tried many remedies for Malarial and Stomach and Liver troubles," writes John Charleston, of Bylesville, O., "but never found anything as good as Electric Bitters." Try them. Only 50c. Tallman & Co. guarantee satisfaction.

### For Sale.

One Stevens "Acme Wheel" reclining chair. Cane seat and back, rubber tires, and cushion full length of chair. Is nearly new. For particulars address Mrs. D. A. Richards, box 172, Athena, Oregon.

### Kearns vs. Fitzgerald.

Boston, Mass., April 11.—Tim Kearns and Willie Fitzgerald in a 12-round bout is the attraction offered by the Criterion Athletic Club to its patrons tonight. Fitzgerald, though comparatively unknown, has made something of a record for himself as a hard hitter and clever boxer and is expected to give a good account of himself when he faces Kearns.

The occasional ad is one of the very best methods by which to squander money. Continuous advertising, on the other hand, will bring ample returns for the money invested.—Suggestions.
