### DOGS CARRY OFF PRIZES.

Pendleton Dogs Capture More Than  
Their Share of Honors.

Not only do the men of Pendleton  
take things by storm and carry off  
the pie when they go to Portland,  
but the dogs have got the same fever  
and are winners as well.

The above statement is made be-  
cause of a telegram received by  
George Darveau, proprietor of the Ho-  
tel St. George, this morning, from F.  
F. Wamsley, who has his two dogs  
at the bench show, now in session in  
Portland. This telegram states that  
Oregon's Jessie, one of the Wamsley  
dogs, and a pup of Umatilla Queen's  
had won all first prizes, in the show  
Wednesday, and that Umatilla Queen  
had won two seconds and one third  
prize.

Charles H. Carter has received  
word from his dog, Laddie W, stating  
that he had been winning prizes, but  
what they are is not yet known.  
Later it is learned that Laddie W,  
Charles H. Carter's dog, won first  
prize in three classes. This dog was  
only entered in three classes and he  
was first in all. T. T. Nelson's Bum-  
mer is also entered at the show, but  
no word has been received concern-  
ing him.

About the Kennel Club bench show  
the Portland Journal has the follow-  
ing to say:

"The entry list shows that there is  
many dogs entered from Seattle, Vic-  
toria, B. C., and San Francisco as  
well as other points throughout Ore-  
gon. The local entry list is also  
larger than ever before and there is  
a better variety. Pointers lead in  
number and will be followed closely  
by cocker spaniels.

"On entering the doors one is im-  
pressed with the fact that these are  
real dog days. The baritones of  
hounds, the yelps of terriers in fal-  
setto key, and, in fact, even tenors,  
altos, sopranos and basso profundos  
everywhere to be heard, showed that  
the dog was much in evidence every-  
where, and this is no dogmatic state-  
ment, either.

"As the tones of the inharmonious  
dog chorus strikes the ear, it was ev-  
ident that they all knew that 'every  
dog must have his day,' as Swift said  
long ago. These lucky dogs are going  
to have several. They know it, and  
they're all working overtime. It  
isn't that the dogs lack voices, but  
they have never been trained. Not-  
withstanding, to his master's fond ear  
there is no sweeter music than the  
voice of his favorite canine. To all  
such, 'there never was a better dog  
than old dog Tray.'

The list of some 300 entries com-  
prises Mastiffs, St. Bernards, Great  
Danes, Newfoundland, Greyhounds,  
Chesapeake Bays, Pointers, English  
Setters, Irish Setters, Gordon Setters,  
Irish Water Spaniels, Field Spaniels,  
Cocker Spaniels, Collies, Bulldogs,  
Bull Terriers, Boston Terriers, Fox  
Terriers, Dachshunds, etc.

"The bench show will keep open  
day and evening up to Saturday  
night."

There are no entries from Eastern  
Oregon except from Pendleton.

### Vansycle Notes.

Vansycle, April 17.—A force of men  
started Monday morning to rebuild  
the warehouses at Stanton, owned by  
Balfour, Guthrie & Co., which was  
blown down by the wind storm of  
Sunday night, the 6th instant. Wheat  
in this locality is looking fairly well,  
but a good warm rain would be ben-  
eficial.

Dave Marshall, from Hunt's Junc-  
tion, was visiting friends in this local-  
ity this week.

Farmers are well advanced with  
their plowing in this neighborhood.

Mrs. J. E. Ringle and Miss Emma  
Greene, the latter the Vansycle  
school teacher, left for Walla Walla  
Friday, to visit friends and relatives  
and returned Sunday. C.

### A Day of Baseball.

On Sunday, April 20, a base ball  
game will be played at Athena, be-  
tween the Helena and Othena teams,  
and another at Pendleton, between  
the Walla Walla and Pendleton  
nines. The O. R. & N. Co. will run  
a special excursion train, from Walla  
Walla to Pendleton and return, which  
will wait at Athena, until after the  
Helena-Athena game, and leave for  
Pendleton about 1 p. m. Parties de-  
siring to witness the game at Athena  
may leave Pendleton at 8:15 a. m.,  
and return at 1 p. m. on the special.  
Fare for the round trip, 75 cents.

### A POSSIBILITY

That Became a Fact and Pleases  
Many Bald People.

A. R. Lewis, M. D., in a lengthy ar-  
ticle in the columns of the American  
Journal of Health, says concerning  
hair: "It's deterioration is a con-  
stant source of worry to human-  
ity, consequently bald people are  
easily deceived by 'fake' hair restor-  
atives. The wish that a hair prepa-  
ration will 'fill the bill' is father to  
the fancy that it is likely to do so. A  
rare case in point is that of Newbro's  
Herpicide, which actually does 'fill  
the bill.' It destroys the parasite that  
attacks the hair root, and prevents  
dandruff, falling hair and baldness."

### New Store in Pendleton.

C. W. Irvin is today moving his fix-  
tures and apparatus into the new  
Martin building, and will engage in  
the manufacturing, wholesaling and  
retailing of ice cream, confectionery  
and soda water. Mr. Irvin has had  
15 years' experience in this line of  
business and comes here from Stock-  
ton, Cal. He is well equipped for the  
manufacturing of confectionery and  
ice cream and will make a specialty  
of supplying parties, socials and fam-  
ilies. The new store will be known  
as "The Delta," and it is expected  
to be opened for business by Saturday  
evening next.
