ON THE RACE TRACK

SOME SWIFT STEEDS IN TRAINING AT PENDLETON

George Peringer's Hound Hood Will Make the Grand Circuit; Bob Starkweather's "Starkey;" Frazier's Stables and Others.

The racing season will soon be on and the horsemen of Pendleton are getting their animals in shape for the coming events.

Up until the rain of last night the Peringer track, east of town, was in good condition and not a day passed but that several fast steppers were out trying themselves. Between a dozen and twenty head are being trained on this track, and while most of them are young animals and have never had a chance to make a record for themselves, some are old in the business and have records.

Among this class is Geo. Peringer's Mount Hood, by Westfield, dam by Ingram. He is seven years of age and has the best record of any horse in the northwest. He has a record of one mile in 2:10, or an eighth of a mile in 15 3/4 seconds. He won more races last fall than any other horse in the northwest and Mr. Peringer says that he is starting out faster this season than last. Mount Hood is entered in all the grand circuit meetings of the east and will make his first race in Denver on the 4th of July. He is entered in the "17 trot" class for a purse of \$1000 and Mr. Peringer and his trainer, A. E. Heller, will leave with the horse about the 20th of May for Denver.

Other races that Mount Hood is entered in in the grand circuit are: At Columbus, Ohio, July 28, for a purse of \$2000.

Buffalo, New York, August 9, purse \$2000.

Providence, Rhode Island, August 29, purse \$2000.

Hartford, Connecticut, September 1, \$3000.

Enterprise City, New York, September 10, purse \$5000.

Baltimore, Md., September 15, purse \$3000.

Mr. Peringer expects to accompany Mount Hood to Denver for the first race, but he will not accompany him on all of the circuit, but expects to be with him at some of the most noted of them.

The other horses being trained on the Peringer track are all for the Northwest circuit, but the time of the opening of the races in this circuit has not yet been announced.

Bob Starkweather's "Starkey," with a record of 2:15 1/4, is being trained and something good is expected of him.

"Ollie M," Jim Irvin's 3-year-old mare is on the track and she has a record of 2:19 1/4 when she was only a 2-year-old.

John Campbell has two animals being trained. One is "Easter," a 2-year-old, who is entered in the races at Salem this season for a purse of \$1500, and the other is "Oregon Sunshine," a 3-year-old, which will also enter the races of the circuit. They are both promising animals and will make their mark in the world.

Ben Swaggart, of Heppner, has five thoroughbred running colts on the track that are said to be very promising youngsters. They are being trained by Nat White, the well-known race horse trainer, and will enter the Northwest circuit.

Swearingen Bros. have a 3-year-old horse also being trained for the coming season. He is a son of Chelalis and is destined to make his mark on the field.

Several others are being trained, but the above are the principal ones. Frank Frazier will not be out with any of his fast horses this season, but will wait until next year before entering any of the events with his steppers. Then he intends to have a full stable and go in the field for all there is in it.

DEATH OF PIONEER WOMAN.

Mrs. Anna Bowen Dies at Her Home in Baker City.

Mrs. Ann Bowen died yesterday morning at 9 o'clock, at her home in Baker City. Mrs. Bowen was one of the most prominent pioneer women of Baker City, and was one of the pioneer settlers of Oregon. Over 40 years ago Mrs. Bowen took up her abode at what is now Baker City, and has since been a resident of that place. To know her was to love her. She was blessed with a sunny disposition and with a kind word for all. She passed over the pathway of a life of 74 years, leaving good deeds behind her, as a monument to be recalled by her friends and acquaintances. Mrs. Bowen was the mother of I. B. Bowen, editor of the Baker City Democrat, and Ed and H. S. Bowen, of the same city. She was also the grandmother of Mrs. F. W. Schmidt, who will join her husband here Monday to make her future home. The funeral services will be held Sunday at Baker City, where the body will be laid to rest.

David Chase, an aged farmer, who resided two miles northeast of Eugene, died very suddenly Wednesday, aged 77 years. He came to Oregon from Kansas eight years ago.

THE WESTON NEIGHBORHOOD.

Proposition to Supply Athena and Weston with Electric Lights from One Station.

Weston, April 23.—After a long period of darkness, Weston is again to enjoy the luxury of electric lights. A man named Miller has a scheme to light Weston and Athena from one power house. There are many expressions on the part of the Weston people, with a plan. If it works out all right.

H. B. Nelson will employ almost double his present force, at the brick yard and will work a night crew.

In compliance with the order of the court in the case of Kilgore vs. Carmichael, County Surveyor McComber, H. B. Nelson and Robert Jamison, located the corner stone, that was in dispute, between the lands of plaintiff and defendant yesterday.

W. E. Grace, of the firm of Sage & Grace, of Baker City, spent the day in Weston yesterday.

Mr. and Mrs. J. P. Kilgore left last evening for Portland to attend the dedication of the Odd Fellows' Home that will take place in that city on the 26th inst.

Among the Weston people who visited Pendleton Monday and Tuesday to attend the Woodmen's grand logging were Mr. and Mrs. George Staggs, Mr. and Mrs. George Carmichael, William Bernard, Miss Alice Wills, George Williams and D. C. Kirk.

William Deardorff is laying pipes to connect his barn with the city water main this week.

R. Lieuallen is putting a fourteen horse engine in his blacksmith shop this week. He will use it to run a steam hammer and he also expects to run a chop mill in connection with his business.

VOTERS REGISTERING.

During the Past Week 190 Have Signed the Rolls.

Since one week ago today 190 voters have registered at the court house, and at 2 o'clock today just 738 names were on the registration books.

At this rate somebody is going to get left. The books will close at 5 o'clock Thursday, the 25th of May, and if you have not registered before that time you cannot vote. This only leaves 16 days in which to attend to this duty and there are, at the least calculation, 2000 more men in Umatilla county who should have a vote at the coming election. Have you any interests in the political questions of the day, or will you be satisfied to fold your hands and let somebody else say who shall run the government of the county and state? If you have any interest in these things now is the time to show it, but you will have to hurry if you want to vote in June.
