Marvelous Elixir of Life Discovered by Famous Doctor-Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed—The Secret of Long Life of Olden Times Revived.

The Remedy Is Free to All Who Send Name and Address.

After years of patient study and delving into the dusty records of the past, as well as following modern experiments in the realms of medical science, Dr. James W. Kidd, 2030 Baites rd., Fort Wayne, Ind., makes the startling announcement that he has surely discovered the elixir of life.

Dr. James William Kidd
That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim, and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of his remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as if by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

MRS. SARAH YOUNG.
She is the Oldest and Most Noted War Nurse Living.

There resides in Des Moines, Ia., the oldest and most noted war nurse living. She is familiarly known as "Aunt Becky," although her name is really Mrs. Sarah Anne Young. When Sumter was fired on, Anne Graham was a girl of seventeen. Her two brothers and many of her friends had enlisted, and Anne longed to be a man, that she might enter the ranks with the boys who marched so bravely

"AUNT BECKY" YOUNG.

away, leaving a great gap in the homes. When news of the wounded filled the papers, Anne decided that if she could not fight for her country she could at least care for those who had so bravely risked their lives in the cause. Two years after Sumter was fired on the One Hundred and Ninth New York volunteers were organized in her town, with Benjamin F. Tracy, afterward secretary of war under President Harrison, at the head of the regiment. Anne Graham had found her opportunity. Mr. Tracy knew the family well; knew of Anne's ambition, and also of her skill in a sickroom. He immediately secured her a permit to join the regiment as a regular army nurse, and she proudly marched to the front with the One Hundred and Ninth volunteers.

Anne went into the work heart and soul and with a thorough knowledge of her duties, which soon won for her the admiration and respect of the surgeons and the devotion of the soldiers. She served during the remainder of the war from the Wilderness to Petersburg, caring as tenderly for the "rebs" as she did for the men of the north. Both the blue and the gray had reason to reverence the name of "Aunt Becky."

Shortly after the war Anne Graham was married to David Young, a carpenter and also a soldier, who had fought for the English in Canada during the Fenian outbreak. This ceremony crushed the hopes of a certain young northern soldier whom "Aunt Becky" had nursed during the struggle and who lost his heart to the maiden who had brought him back to health.

Besides being an army nurse of wide reputation Mrs. Young is the founder of two state sanitary associations, one in New York and the other in Iowa. The first had its beginning in Ithaca, N. Y., when she was a girl at the outbreak of the civil war. The latter was organized in Des Moines at the beginning of the Spanish-American war.

Women and Business.

A well known Chicago banker recently denied with great emphasis the oft reiterated assertion that women are "poor business men." He claims that they are far easier to handle than the masculine sex and pays them this pretty tribute:

"They never want to borrow money unless they have the collateral to put up in abundance. They make a point of paying off a loan several days before it is due, lest we shall become afraid that they don't intend to pay it. They are so worried lest they should overdraw that they always have a good balance. Some of them will make large deposits and leave them year after year undisturbed. We have the use of the money without the payment of interest, and they have the satisfaction of knowing that it is where they can lay their hands on it at a moment's notice."—Chicago Chronicle.

Not Reassuring.

"Have—have you any reason to believe that your father will exhibit violence when I ask him for your hand?" inquired the timid youth.
"I have never been present on any of these occasions," replied the lovely girl evasively. "And, to tell you the truth, I have never wanted to be present. I suppose I am foolishly sensitive about these things, but I can't help it. I remember that papa took me to a slaughter house when I was a little girl, and I dreamed about it every night for months afterward."—Cleveland Plain Dealer.

Womb troubles, causing pain, weight, and backache, instantly relieved and permanently cured by its use. Under all circumstances it acts in harmony with the laws that govern the female system, and is as harmless as water.

It quickly removes that Bearing-down Feeling, extreme lassitude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, Dizziness, Faintness, sleeplessness, flatulency, melancholy or the "blues," and backache. SAVES LIFE
Willard, Ill., August 1, 1900.
I was in bad health this spring and could not sit up in bed for four weeks. When I was confined my child died. When I began to sit up I felt so weak and had such terrible pains in my back and hips. I had kidney trouble and falling of the womb. I also had hysterical spells. I was in a bad condition when I received your "Ladies' Birthday Almanac" and read the advertisement of Wine of Cardui and Theford's Black-Draught. Since April 20th, I have taken four bottles of Wine of Cardui and three packages of Theford's Black-Draught. I feel like a new person now. I can do all my work and can walk out to see any of my neighbors. I believe I would have been in the grave had it not been for Wine of Cardui. IT SAVED MY LIFE.
Mrs. ALICE DAVIS.
It is well that women are more patient than men. Few men could bear the bitter pangs, the agony and distress that women endure. Thousands of women have come to look upon suffering as a duty of their sex. But there are many instances of this heroic fortitude which
WINE OF CARDUI
now renders unnecessary. Women need no longer suffer for modesty's sake. Wine of Cardui brings relief to modest women in the privacy of their homes. Many of the best homes in this city are never without this great medicine. It cures whites and falling of the womb and completely eradicates these dragging periodical pains. Mrs. Davis' cure shows you conclusively what you may expect if you follow her example and take Wine of Cardui. Theford's Black-Draught aids Wine of Cardui by regulating the stomach and bowels. When you ask your druggist for these medicines, be sure you get them. It was Wine of Cardui and Theford's Black-Draught that saved Mrs. Davis' life. Never take a substitute.
