YELLOWS VS. REDS

(Concluded.)

While this was not quite as spirited a game as the one Sunday, and was not witnessed by more than one-fourth as many people, it was a good game, and although Pendleton went down in defeat, there was little kicking at the players from the rooters' stand.

Not as many errors were made by the Pendleton players as by the Athenas and the field work of the boys was good, but they were not in it at the bat. This was one of their off days and they could not find the ball as readily as they had been doing.

Ziegler was on third base in this game and it was in the early part of the game he hurt his arm and, although he played the game out, he was not in shape to do so and could not send a ball to the first base. He is now laying off and will not take any hand in the games for several days, or perhaps until he returns from the trip the team is going to take. The team will leave here next Sunday morning and will be gone for two weeks. They play Sunday, the 4th of May, in Walla Walla, and will then continue their journey with a game almost every day at different points in Washington until they return.

Walla Walla vs. Helena.

Walla Walla, April 28.—Walla Walla lost to Helena yesterday afternoon in a game replete with errors, the score standing 10 to 6. A fair sized crowd attended the game which was held on the Second street grounds. Walla Walla played ragged ball for a time and lost the game early, while Helena played fair ball most of the time. The line-up follows:

Helena—Sullivan, second base; Partridge, pitcher; Shaffer, first base; Peeples, second base; Bruette, third base; Flannery, short stop; Keefe, left field; Ellis, center field; Ryan, right field.

Walla Walla—Shea, catcher; Cryderman, pitcher; Buchet, first base; Bradbury, second base; Fisher, third base; Williams, short stop; McEvoy, left field; Grag, center field; Mills, right field.

The Helena team left last night for Seattle, where a game will be played Tuesday. The team has been in training here for three weeks and is in fine trim.

Saved Many a Time.

Don't neglect coughs and colds even if it is spring. Such cases often result seriously at this season just because people are careless. A dose of One Minute Cough Cure will remove all danger. Absolutely safe. Acts at once. Sure cure for coughs, colds, croup, grip, bronchitis, and other throat and lung troubles. "I have used One Minute Cough Cure several years," says Postmaster C. O. Dawson, Barr, Ill. It is the very best cough medicine on the market. It has saved me many a severe spell of sickness and I warmly recommend it." The children's favorite. Tallman & Co. and Brock & McComas.

Songs and dances and a variety of pleasing specialties go far to make the performance of "Too Rich to Marry," which will be at the Frazer opera

house on Monday, May 12, one of the most pleasing attractions now touring the country. Special pains have been taken to make the specialties a deserving feature of the performance. The vaudeville artists who make up the specialty forces of the company are of the best. Plenty of specialties are given between acts, so that the audience is continually entertained.

Wants to Help Others.

"I had stomach trouble all my life," says Edw. Mehler, proprietor of the Union Bottling Works, Erie, Pa., "and tried all kinds of remedies, went to several doctors and spent considerable money trying to get a moment's peace. Finally I read of Kodol Dyspepsia Cure and have been taking it to my great satisfaction. I never found its equal for stomach trouble and gladly recommend it in hope that I may help other sufferers." Kodol Dyspepsia Cure cures all stomach troubles. You don't have to diet. Kodol Dyspepsia Cure digests what you eat. Tallman & Co. and Brock & McComas

The state of Washington will have an exhibit at the St. Louis exposition \$10,000 being available for that purpose.

EDNA COOKE.

A Famous Bareback Rider with the Coming Circus.

In speaking of the exquisite and altogether inimitable bareback riding of Edna Cooke, there is not language too strong to proclaim her merits. Nor is it claiming too much to aver that she is beyond a question the most daring, the most accomplished, and in every way the most finished equestrienne the world has produced. Her riding is a revelation and a poem. Beautiful as an houri, and as graceful as a fawn, Edna accomplishes on her flying courser numberless feats none else ever dared attempt, and backward and forward somersaults are to her the merest bagatelle. There are many equestriennes in the profession, but there is but one Edna, and she is with the great Pan-American Shows, which will exhibit at Pendleton, afternoon and evening of April 30.
