PENDLETON VS. LEWISTON

A BUM GAME O. BALL
ON ALTA STREET GROUNDS

Pendleton Players Entered the Game Thinking They Had an Easy Thing—Lewiston Scored Nine Runs in One Inning.
Lewiston, 12.
Pendleton, 14.

At the end of the sixth inning, when the baseball game between the Lewiston State Normal and the Pendleton teams was called to close Tuesday, the above was the official score, which is evidence on the face of it that the game was a bum one. From the start to the finish the playing on both sides was replete with errors and many expressions of disgust were heard from those who paid their money to see a "kid game," as it was termed by all. The errors on the part of the visiting team can be excused on the ground that they are only school boys and are not supposed to put up an errorless game, but when it is remembered that the Pendleton team is composed of men who have played with the best league teams of the country and came here recommended as ball players, so many errors from them are inexcusable.

The visiting team went into the field with no confidence in themselves, for the reason that several of their best players had been knocked out before reaching here and they were compelled to make up their team with two or three outsiders, who had never played with them before and did not have confidence in themselves, and it was the general opinion of those who went to witness the playing that Lewiston would be shut out entirely. But in this the fans were doomed to disappointment. At the end of the second inning the score stood 7 to 1 in favor of Pendleton, but this soon changed and at the end of the fourth inning the score was 10 to 7 in favor of the visitors.

It was in the fourth inning that Pendleton fell to pieces, and let the Lewiston boys make a score of 9 tallies. Three men were on bases and a Lewiston man went to the bat and knocked a ball to second base. It was fumbled there, and the batter got safe to first and the man on third got home. The ball was thrown to first, but not in time to do execution. From there it was sent to the home plate to head off the man coming in from second. Foley, who was behind the bat, let the ball go through his hands and the man was safe. Then the man from second base made a break for the home plate and by the time Foley got hold of the ball Dupuis, who was pitching, was at the home plate and the ball was thrown to him. He fell and let the man home safe and then threw the ball to third to head off the man who batted the ball, who was then nearing that bag. The man on third let the ball go through his hands and the batter got home, making four runs on one ball that was only knocked to second base.

This made the crowd hiss at the work of the Pendleton players, and cheer the Lewiston boys, and from that time on the sympathy of the on-lookers was with the Lewiston players. In the next two innings the score of the Pendleton players ran up to 14 and the Lewiston boys' score to 12. The game had been dragging along and it was almost 5 o'clock by this time, and Manager Cox, of the Lewiston players, prevailed upon the manager of the Pendleton team to cut the performance short and give the boys a chance to get away on the 5:30 train. The crowd breathed a sigh of relief when time was called and the look of disgust that was on the faces of all was something discouraging. The visitors left on the evening train for Walla Walla, where they will play the Sharpshooters today.

Reds to Travel.
The game today with Lewiston is to be the last game that will be played in Pendleton by the Redskins before their trip. They will leave here Sunday morning for Walla Walla, where they will play the Sharpshooters and also Monday in the afternoon, and they will be on the go until Saturday, the 17th of May, when they will return home. The games scheduled on this trip are:
Walla Walla, May 4th and 5th.
Dayton, May 6th.
North Yakima, May 7.
Everett, May 9.
Victoria, B. C., May 10.
Everett, May 11.
Mount Vernon, May 12 and 13.
Vancouver, B. C., May 14 and 15.
They will have an open day the 16th and will probably play the Nonpareil team at Seattle. From there they will return home, in time to play the scheduled game at Athena with the Yellow Kids, on the 18th.

Wants Others to Know.
"I have used DeWitt's Little Early Risers for constipation and torpid liver and they are all right. I am glad to endorse them for I think when we find a good thing we ought to let others know it," writes Alfred Heinze, Quincy, Ill. They never gripe or distress. Sure, safe pills. Tallman & Co.

FORTUNE IN SIGHT.

The Waite Hand-Power Rock Drill is a Remarkable Mining Tool.

Fred W. Waite, of Pendleton, is interested with his father, W. W. Waite, in the Waite hand-power rock drill, for which reliable claims are made over other machines of the kind. The senior Mr. Waite is now in Columbus, O., superintending the manufacture of these drills, for which there is always a strong demand. The merits of the drill having been discovered by actual experience in several places where they have been put to practical use. The points of the drill are as follows:

First—It runs so easily that a child can turn it.
Second—Four blows are delivered at every revolution of the crank.
Third—The operator can deliver a light or heavy blow at his will. The average man will strike about 200 strokes per minute. The more rapidly the machine is turned, the more and harder blows are delivered; thus it will be readily seen that the Waite hand-power rock drill will easily do the work of from four to six men, and in very hard rock even more.

The machine has been tested by practical miners in the hardest basalt rock, and has been found to drill an inch per minute readily.

Fourth—The machine allows the operator to stand in a natural position while drilling up, down, breast or uppers.

Fifth—The handle can be adjusted to either side of the machine, or an extra handle can be put on to allow of its being worked by two men. It is asserted by those experienced in such matters that the Waites, father and son, have a great fortune in this excellent invention of the senior Waite. The many friends of them in Colfax and Pendleton hope that every expectation may come true.

Superintendent of Scouring Mills.
Leon Straus is in Pendleton from San Francisco. Mr. Straus has accepted the position of superintendent of the Pendleton Wool Scouring and Packing Company's mill, having charge of the operation of the mills. He is an experienced wool scourer, knows the work from A to Z, and is engaged with the view of improving the scoured product of the mill as well as to increase their capacity by more thorough management of the work in his charge. The reputation of the mills is already excellent, but it is the aim to make it still better, there always being room for improvement.

Attention Rooters.
The Pendleton Baseball Rooters Association will hold a meeting at the council rooms Thursday evening, at 8 o'clock, to arrange for the trip to Walla Walla Sunday. All interested are invited to attend.

The homeliest man in Pendleton, as well as the handsomest, and others, are invited to call on any druggist and get free a trial bottle of Kemp's Balsam for the throat and lungs, a remedy that is guaranteed to cure and relieve all chronic and acute coughs, asthma, bronchitis and consumption. Price 25c and 50c. For sale by Tallman & Co., sole agents.

THE GOLCONDA Gold Mine
A Plain Statement of Fact:
The GOLCONDA MINE, in the Sumpter district, with all its equipment, and ten other claims, was recently purchased by the Golconda Consolidated Gold Mines Company, principal office in Pendleton, which is now operating the mine. The full purchase price is paid, and all but the treasury stock disposed of to those who advanced the purchase price.
There was left in the treasury for an operating fund 500,000 shares of treasury stock. Some of this stock is offered for sale, but not exceeding 200,000 shares of it will be sold; as that will supply ample funds until the mine is more than self sustaining. This stock is offered at 10 CENTS A SHARE for the next thirty days.
As an investment of this character nothing equals it. To prove its worth those at work in the mine, who are in a position to know what is in the Golconda, have bought stock at ten cents a share to the extent of their financial ability. Those who have a little money which they can spare for the purpose should take 1,000 or more shares of this stock, as they will most likely find it the very best investment they ever made in their lives.
Address all orders for stock with checks in favor of
JAMES A. HOWARD Secretary Golconda Consolidated Gold Mines Company, **PENDLETON, ORE.**

It's a Pleasure
To Trade at Martin's Family Grocery or Bakery.
YOU always find our store clean and well arranged. Our stock is always fresh and complete, and no matter what you desire in the grocery line, we have it. You never get stale goods.
