He: "The theater was drafty, the music was poor, the acting utterly feeble and there wasn't a fresh idea in the whole piece. I really can't see how you enjoyed it so much."
She: "Why, Fred, you are funny! What on earth did those silly things matter? Wasn't my gown the most striking in the whole theater?"

LEWIS MORRISON COMING.

Will Appear at the Frazer on May 6, in Mephisto. Lewis Morrison himself will positively appear at the Frazer opera house, Tuesday, May 6th, in the part of Mephisto supported by a strong company drawn from the best of the "legitimate" school. Lewis Morrison has appeared in this part over five thousand times during the past twenty seasons and his performance is recognized by the best critics to be a flawless piece of acting which has gained him international fame. The beauty of the new scenery, the startling effects and the newly written choral and instrumental

music will be welcome features, but the opportunity to witness Lewis Morrison's impersonation of Satan will prove the magnet which will draw strongest in the new production of "Faust" at the Frazer. This gifted actor is the greatest exponent of Mephisto this favored land contains. The supporting company is an excellent one and includes Mr. Morrison's charming daughter, Miss Rosabel Morrison, who will assume her original character of Margarte, a role which she has made nearly as famous as her talented father has that of Mephisto.

Too Rich to Marry.

Whoever heard of such a thing, the idea of anyone being too rich to marry. Still there are people in the world whose riches place them in the most complicated embarrassments. Those troubled or suffering from the

above-cause, can be placed on the road to success, by seeing Edwin Owens Towne's great New York production of "Too Rich to Marry," coming at the Frazer opera house Monday, May 12.

Packing Housemen Accused. St. Paul, Minn., April 29.—The local representatives of the big packing houses of Chicago and St. Paul,

who were arrested last week on complaint of the local meat dealers, who charged them with selling meat preserved by means of borax injections and solution, were arranged in court today for trial. The defense of the cases depends on the efforts of the defense to prove that borax is not injurious. The prosecution arises from the dissatisfaction of the retailers over the dictatorial action of the packers in raising the price of meat and the result of the trial is awaited with much interest.

Don't Use Too Many Words.

Multiplication of words increases the expense and decreases the effectiveness of advertising. Say what you have to say in as few words as it can be said—then stop. By so doing you can set what you want to say in larger type, so that it will command the attention of more readers than would a wordy discourse set in small type.
