Warrant for Arrest of Manager or Agent of the Shows in a Suit for \$5,000 Damages, Issued.

The great Pan-American shows is a thing of the past, so far as Pendleton is concerned, and the day of red lemonade and peanuts is a thing only to be remembered by the small boys and girls.

To take the performance and treatment that this company gave the Pendleton people as a whole, it was above the average. In fact, their performances were pronounced good by many who saw them.

The only incident to mar the features of the performance was one distressing accident which befell S. A. Russell, one of the men who was riding in the chariot race during the afternoon performance.

Supreme Court Deliberations.

The supreme court at Salem in recent cases made the following declarations:

A receiver succeeds to all the rights pertaining to the property given into his custody, and his fees are a first charge against the funds. Where transactions among near relatives are attended with an atmosphere of distrust, and where the plaintiff's evidence in a suit to set aside the transactions makes a prima facie case, it devolves upon the defendants to establish good faith.

In a suit against a city for damages for an injury on account of a defective sidewalk, it is proper to exclude testimony regarding declarations made by a councilman after his term expired.

The Independent Warehouse.

The Jones Vertical Cutter Bar may be instantly raised to a vertical position, by the lifting levers while the machine is in motion; and the foot lift raises the bar much higher than any other machine, the sickle being thrown in and out of gear automatically.

The Jones Vertical Mower has by actual count nearly one-half fewer pieces in its make-up than the ordinary mower—over one hundred less than the best of them. Come and see sample.
