## THE Golconda Gold Mine

### A Plain Statement of Fact:

The GOLCONDA MINE, in the Sumpter district, with all its equipment, and ten other claims, was recently purchased by the Golconda Consolidated Gold Mines Company, principal office in Pendleton, which is now operating the mine. The full purchase price is paid, and all but the treasury stock disposed of to those who advanced the purchase price.

There was left in the treasury for an operating fund 600,000 shares of treasury stock. Some of this stock is offered for sale, but not exceeding 200,000 shares of it will be sold; as that will supply ample funds until the mine is more than self-sustaining. This stock is offered at 10 CENTS A SHARE for the next thirty days.

As an investment of this character nothing equals it. To prove its worth those at work in the mine, who are in a position to know what is in the Golconda, have bought stock at ten cents a share to the extent of their financial ability. Those who have a little money which they can spare for the purpose should take 1,000 or more shares of this stock, as they will most likely find it the very best investment they ever made in their lives.

Address all orders for stock with checks in favor of

## COUNCIL MEETING

LIQUOR LICENSES GRANTED—PETITIONS ACTED ON.

Walter Wells Given Contract to Keep the Dust Down, to Run Four Sprinkling Wagons—Bills and Salaries Paid.

The city dads met Tuesday evening at the council chambers and transacted the business of the city. This was the first meeting for business for three weeks.

The liquor licenses renewed were: Swearingen Bros., John Schmidt, Ed Besthorn. A new license was issued to James Beardley.

J. C. Spoonemore, who runs a shooting gallery, cigar, candy and confectionery store on Court street, had a petition before the council to have the gallery license reduced. This petition was denied. He is now paying \$7.50 a quarter.

Owing to the fact that there had been no council meeting for three weeks and the first of the month had passed without any action on the salary lists the mayor and recorder had paid several salaries and this action was approved by the council.

The committee appointed some time ago to investigate the cost of sprinkling the streets and buying an additional sprinkler, were authorized to enter into a contract with Walter Wells for the sprinkling and to purchase a sprinkler from some of the local dealers. The new sprinkler will cost \$150 and the cost of running the wagons will cost the city \$100 per month, the contractor to furnish the driver, wagon and team and the city to furnish the sprinkler. Four sprinklers will be on a part of the time this season, but any and all of them will be under charge of the street commissioner and can be ordered on or off duty at his option.

The street committee was instructed to investigate the mouth of the Court street sewer, where it enters into the river below the Hotel Pendleton, and report the advisability of having it extended or something done with it, to do away with the stench that arises therefrom during the summer months when the river is low and most of the water has been turned into the Walter's mill race and leaves the main channel almost dry. At this time of the year, when the filth pours out onto the dry river bed and there is no water to wash it away the stench that arises is very objectionable to those living in the vicinity.

The fire and water commission was instructed to advertise for bids for 1900 additional feet of hose for the fire department. The same commission was also authorized to house the fire engine with Temple & Wilcox, on Cottonwood street, opposite the city engine house, this firm having agreed to furnish a suitable place for the engine and fire apparatus, without cost to the city in consideration that they be allowed to rent the building now occupied by the engine.

### Bills Allowed.

The following salary list and bills were ordered paid: J. A. Blakley, marshal, \$100; John McCourt, recorder, \$40; P. H. Fee, policeman, \$65; William Scheer, policeman, \$65; Mrs. Edith Carnine, rent, \$10; George Darveau, rent, \$8; H. J. Stillman, fire chief, \$10; Charles Carter, attorney, \$25; Pendleton Savings Bank, rent, \$-; Hose Company No. 3, \$8; Rescue Hook and Ladder Company, \$7; S. H. Hicks, \$7.25; D. B. Waffle, 50c; A. Kimbrell, surveyor, \$76.50; street labor, \$96.75.

### Small Profits for Cash.

The Standard Grocery Company, on Court street, has been selling at a very close margin and in order to continue to do so, the proprietors have decided to do a strictly cash business. This means that not one person, not even the richest banker of the city can get credit at the Standard Grocery. If you are trading at a long time credit store, it will surprise you at the bargains at the Standard Grocery. When you ask for the prices, remember that they are cash to all.
