PENDLETON VS. EVERETT

INDIANS BEAT THE CLAM DIGGERS.

Printers and Barbers and Rooters and the Real Indians Play on the Alta Street Grounds Tomorrow.

Pendleton won the baseball game at Everett Friday afternoon, by a score of 7 to 3. This is a great victory for the Indians, as they were dreading the Everett aggregation worse than any other team they were booked to meet on this trip. Everett had one of the swiftest teams in the field last year and won from almost every team it played, and it had the name of having just as good, if not a better team this year, but they were not in it when they went against the Redskins. This is the fifth game that Captain Ziegler's team has played since leaving Pendleton last Sunday morning, and they have won all but one. They played in Walla Walla the 4th and 5th, and on the 4th the score was 7 to 4 in favor of Walla Walla; and on the 5th the score stood 7 to 1 in favor of Pendleton. In Dayton, the 6th, Pendleton won by a score of 13 to 5, and in North Yakima, the 7th, Pendleton wiped up the Hop Pickers with a score of 17 to 0.

The Games Tomorrow.

Many will see the games tomorrow between the printers and barbers and rooters and Umatilla Indians. This will be a double-header and ought to give the fans a chance to get their money's worth. While there may be a little change in the line-ups as published yesterday, it is practically the

same for the three town teams. The Indian line-up will be: August Alexander, catcher; Billy McKay, pitcher; Henry Lewis, short stop; Charley Williams, first base; Andrew Lewis, second base; Frank Clopton, third base; Robert Henry, left field; Mottic, center; James Pond, right field; Charley Van Pelt, sub.

Republican Disaffection.

W. P. Card, who desires to be designated a Lincoln republican, who resides about 10 miles south of Pendleton, on McKay creek, returned this morning from a business trip to La Grande. He says he was greatly surprised to find a number of republicans in that section vigorously opposed to J. W. Scriber for joint senator and in favor of Walter M. Pierce. He further states that there is a strong feeling also for Chamberlain against Furnish for governor, and it is predicted that the democratic ticket will get a large number of republican votes and carry the county. Mr. Card says he is one of the republicans in Umatilla county that will vote a mixed ticket. He says he is opposed to the methods used in the republican primaries in Umatilla county and elsewhere.

Walla Walla Fruit Fair.

Walla Walla, May 10.—The management of the Walla Walla fruit fair has determined to hold the fair September 22 to 29 inclusive, about the same time it was held last year, with such splendid success. Plans are now on foot to place the best exhibit ever attempted within the walls of the pavilion. The management has over \$1000 on hands from last year, and everything looks promising for the success of the fair.

HAMISCH VS. W. & C.

THE HIGH LINE SUED FOR \$50,000 DAMAGES.

Two Other Suits Filed at Court House Involving Possession of Land and Damages and for the Collection of an Account.

Three suits were filed in the circuit court at the court house, late Friday afternoon. The most important of these was the damage suit by W. O. Hamisch against the Washington & Columbia River Railroad company, to recover \$50,000 damages for the injury to his infant daughter, Ella, while playing with other children on the company's turntable, in this city.

The allegations in this case are in part as follows: That the defendant, carelessly and without due regard or any care or caution to prevent accidents, failed to inclose their turntable or in any way place any obstruction to free access to the turntable, and that it was left open and unlocked and children allowed to play thereon.

That on the 7th day of April, little Ella Hamisch, aged 5 years and 11 months, with other small children, was playing on the turntable and little Ella was sitting on the end of the table while the other children were turning it around. Her foot was caught between the end of the turntable and the track and the flesh torn from the foot and leg to above the knee, and the bone of the foot was badly crushed and mangled, so much so that the foot had to be amputated just below the knee. That she will be a cripple all her life, and for this reason plaintiff asks the court to award him judgment against the railroad company for \$50,000 and the costs of suit. J. J. Balleray and John McCourt are attorneys for plaintiff.

Lake vs Suhl.

S. W. Lake vs Herman Suhl, is the title of a suit filed to gain possession of 160 acres of land in section 28, township 4, north of range 32, E. W. M., which plaintiff alleges that he owns but defendant has possession of, the same and will not give it up. Plaintiff asks for judgment in the sum of \$2000 for rent of the land, since Jan. 1, 1898, in addition to the possession of the land. T. G. Halley and J. J. Balleray are attorneys for plaintiff.

Byers vs Watson.

S. Byers has filed suit against D. B. Watson for judgment in the sum of \$104.30, alleged to have been due since 1899, for twine purchased of defendant. T. G. Halley is attorney for plaintiff.

Improving National Capital.

For some time past plans have been under preparation for the beautifying of the city of Washington. The commissioners in charge have visited many European cities, and the result of their search has been embodied in a series of plans, which will make our capital the most beautiful city in the world. In selecting a family medicine, however, it is not necessary to search the world over, because Hostetter's Stomach Bitters the famous American remedy, is recognized as the best remedy nature and science have been able to produce. It has over fifty years of cures to its credit of such ailments as sick headache, indigestion, dyspepsia, nervousness and liver and kidney troubles. When you need a medicine for these ailments, don't fail to try the bitters.

On Wednesday evening at the Commercial Association rooms, there will be a meeting, on which occasion there will be present several prominent and entertaining speakers to discuss and make clear the scope and spirit of the enterprise under consideration, and it is hoped that a good audience of Pendleton business and professional men and property owners will be in attendance, as all are invited, whether members of the association or not.
