## BAKER TRACK MEET

BAKER, UNION, LA GRANDE,  
AND PENDLETON TEAMS.

Those of the Pendleton High School Who Are Training for the Event—Pendleton Won Honors for Past Two Years.

Extensive preparations are being made for the third annual track meeting of the inter-scholastic track teams of Eastern Oregon, which is to be held at Baker City on the 26th instant. The first of these track meets was held in Weston two years ago, the second in Pendleton one year ago.

Four teams were in competition at these meetings, one from the Eastern Oregon State Normal, at Weston, and one from each of the high schools at Baker City, Union and Pendleton. This year Weston will not be represented for some reason, and La Grande will take its place so that four teams will compete again. Pendleton won the honors at both the former meetings and if she should be so lucky as to be the best team in the field this season and win the silver cup, emblematic of the championship, it will be her's for good, for it becomes the property of a team after having been won three consecutive times.

At present there are 13 aspirants for positions on the Pendleton high school team and much interest is being manifested in the approaching event. The boys of the school have had the advantage of training in athletics under Roy Conklin, one of the best athletic instructors in the state, and his work has been effective in bringing them to the front in athletic sports.

Since last year the team has lost four of its valuable members, they dropping out of school. They are: Jim Myrick, who was a sprinter in short distances; Jim Dupuis, who was hard to beat on the half-mile run; Mart Moorhouse, the hurdler, and Will Hessian, who was a runner of considerable ability.

Robert Cronin is captain of the team, not yet 19 years of age, but he is the best all-round athlete in Eastern Oregon. He plays full back in the football team, pitches for the baseball club, plays hand ball, and is practicing at putting the shot. He participated in the recent events at Whitman college and won the shot put contest against several teams of that part of the Inland Empire. He also won the running broad jump, the running high jump, and second place in the pole vault contest. He will enter in all of these contests at Baker and is sure to carry off some of the honors.

Will Wyrick, is showing up quite well as a sprinter, and will accompany the team to Baker City. He is showing well in practice and took third place in the 100-yard dash at Whitman Friday, as well as third in the 220-yard dash. Those who witnessed these races say that Wyrick was "pocketed" in both of these races and would have undoubtedly come out second best, if not best, had he had a show.

Harry Taylor is the fast man in the team on a bicycle. He captured the gold medals last year in the half-mile and mile bicycle races and it is confidently expected by his comrades that he will repeat the performance this year.

Dell McCarty is another sprinter that is gaining considerable notice, and he will be in the foot races. He did splendid work in the meet of 1900 and 1901, and is showing up better this year.

Lester Cronin, a brother of Robert Cronin, is practicing to take part in the high jump and he is making an enviable record.

Sam Neil is practicing for the broad jump and will also enter the hurdle races.

Olin Arnsperger hopes to win fame in the shot put and hammer throwing contest. He is developing considerable skill at these sports.

Fred Hartman is practicing for the quarter-mile run and middle distances. He is developing into a sprinter of no little ability.

Roy Leezer will take part in the long events. He is practicing for the quarter, half and mile races and will probably be one in the four-mile hurdle race. He won second place in the 440 and 880-yard races at Whitman last Friday.

Tom Vaughan and Fred Milne are getting ready for this event and will enter several of the races but which ones has not yet been determined. They are both making good records.

Se Williams is booked for the hurdles and long distance races and will take part in these with Roy Leezer. Ed Jay is also out for honors in the bicycle races and will enter with Taylor. He is developing good speed. In the evening, after the race meet, will occur the oratorical contest, which will be entered by one person from each school. This contest will determine which school has the best talent in this line. The Pendleton high school will hold its contest in a few days to determine who shall represent the school.

In addition to those going to take part in the contests, quite a delega-

# SSS SKIN DISEASES

The skin is provided with millions of little pores and glands invisible to the natural eye, yet through these tiny outlets the larger part of the deadly matter that daily collects in the body is carried off. But nature never intended that poisons of an irritating or acid character should be eliminated through the skin, the Liver and Kidneys being their natural outlets, and it is when these important organs fail to perform their functions that these acid poisons are absorbed into the blood and find their way to the surface of the body through the pores and glands of the skin, producing intense itching and burning, inflammation and swelling, and eruptions of every conceivable size, shape and character.

Skin Diseases differ greatly in their general characteristics and degrees of intensity. Red and angry looking spots break out upon some part of the body with a mass of small pustules or blisters, from which is discharged a clear or straw colored fluid, which dries and flakes off in bran-like particles and scales, or forms into hard and painful sores and scabs. The skin often hardens and dries, cracks and bleeds from the effects of the fiery acids, which the blood is continually throwing off. Pimples, black-heads and blotches are evidences of a too acid blood, which has inflamed and clogged the pores.

Skin Diseases being dependent upon the same causes require the same treatment, which must be constitutional and not external. Nothing applied locally to the inflamed surface can bring much relief. The disfiguring eruptions will continue to annoy and pain you in spite of soaps, washes or powders. There is no hope of getting rid of a skin disease except through the purification of the depreciated blood and neutralizing and filtering out of the circulation all poisonous substances and acids.

The purifying and tonic properties of S. S. S. soon manifest their influence in skin affections; the debilitated system is invigorated and toned up, and the gradual disappearance of the eruptions show that the polluted blood is being brought back to its natural purity and strength. Old chronic skin disorders, which have resisted all the ordinary methods of treatment, readily yield to the curative powers of S. S. S., and there is no reason why the long time sufferer should feel resigned to his fate under the mistaken idea that some skin diseases are incurable, for S. S. S. has cured and is still curing cases perhaps far more desperate than yours. S. S. S. is a purely vegetable remedy, containing no Potash, Arsenic

or any of the poisonous drugs which constitute the basis of so many so-called skin cures. Our Medical Department has been of the greatest assistance to thousands seeking relief from blood and skin troubles. Write us fully about your case, and our physicians will help you, for which no charge whatever is made. Our illustrated Book on Skin Diseases will be sent free to all who write for it.

tion is expected to go from Pendleton to witness the victory or downfall of the local high school students.

At bedtime take a pleasant herb drink, the next morning I feel bright and my complexion is better. My doctor says that it acts gently on the stomach, liver and kidneys and is a pleasant laxative. It is made from herbs, and is prepared as easily as tea. It is called Lane's Medicine. Lane's Family Medicine moves the bowels each day. Price 25c and 50c. For sale by Tallman & Co., sole agents.

Notice to Voters. Registration books will be kept open, at the court house, every evening until 9 o'clock, until Thursday, May 15th, when the books will be closed at 5 p. m., and time for registration ends.

Lost—A gray mare, with roached mane, branded on left hip with half circle over cross and a bay mare, branded with D on left shoulder and diamond on right shoulder. Suitable reward will be paid finder by returning to T. W. Ayres' barn.

## PIMPLES

"My wife had pimples on her face, but she has been taking CASCARETS and they have all disappeared. I had been troubled with constipation for some time, but after taking the first Cascarets I have had no trouble with this ailment. We cannot speak too highly of Cascarets." FRED WATMAN, 5708 Germantown Ave., Philadelphia, Pa.

Pleasant, Palatable, Potent, Taste Good, Do Good. Never Sicken, Weaken, or Grip. 10c, 25c, 50c. CURE CONSTIPATION. Sterling Remedy Company, Chicago, Montreal, New York, St. Louis. NO-TO-BAC Sold and guaranteed by all druggists to CURE TOBACCO HABIT.

Ottumwa, Iowa, April 10, 1901.

In 1883 I broke out with Eczema on my head, legs and arms. The Doctors treated me for about two years without giving relief. I next tried various ointments, soaps and washes, but these did me no good. I finally quit taking medicine, as the physician said the disease had become chronic and incurable. Having endured this tormenting malady for about 16 years, I determined to make another effort to get rid of it and began S. S. S. in July, 1900, and continued it until November, when I discovered, to my surprise and joy, that not a spot could be found on my body, which before had been almost covered with the eruption. It has now been nearly a year since the disease disappeared, but not a sign of it has ever returned, and I am satisfied the cure is permanent.
