BASEBALL RECORDS

THE PERCENTAGES OF THE FOUR TEAMS.

The Yellow Kids, of Athena, Will Disband After the Fourth of July—Other Teams Will Play Through the Season.

There was no baseball game in Seattle Friday between a Seattle team and the Pendleton ball tossers on account of rain.

Had the boys played this game and won it would have made them a record of 10 out of the 12 games played on this tour. As it is, the local team has won nine games out of the 11, which is a wonderful record, and naturally the fans are feeling highly elated over it.

Below are the games played on this trip, the tallies of each team and the percent of the local team:

Walla Walla, May 4—Pendleton, 4; Walla Walla, 7. Per cent, 000.
 Walla Walla, May 5—Pendleton, 7; Walla Walla, 1. Per cent, 500.
 Dayton, May 6—Pendleton 13; Dayton, 5. Per cent, 666.
 North Yakima, May 7—Pendleton, 17; North Yakima, 0. Per cent, 750.
 Everett, May 9—Pendleton, 7; Everett, 3. Per cent, 800.
 Victoria, May 10—Pendleton, 7; Victoria, 3. Per cent, 834.
 Everett, May 11—Pendleton, 1; Everett, 5. Per cent, 715.

Mount Vernon, May 12—Pendleton, 10; Mount Vernon, 2. Per cent, 750.
 Mount Vernon, May 13—Pendleton, 8; Mount Vernon, 1. Per cent, 770.
 Vancouver, May 14—Pendleton, 3; Vancouver, 2. Per cent, 800.
 Vancouver, May 15—Pendleton, 4; Vancouver, 2. Per cent, 778.

The above games were not classed in the local league team games, which are as follows:

Pendleton, played 8 games, won 5, lost 3. Per cent, 625.
 Athena, played 10 games, won 6, lost 4. Per cent, 600.
 La Grande, played 2 games, won 1, lost 1. Per cent, 500.
 Walla Walla, played 6, won 1, lost 5. Per cent, 167.

Athena Will Disband.

Athena will disband its fast baseball team immediately following the Fourth of July. This has been practically agreed upon on account of it being next to impossible to attract paying crowds to witness games in so small a city during the hot weather. At about the time Athena disbands Baker City will organize. It is understood that the majority of the Athena players will find their way into the Baker camp and don new uniforms for the season's last days. The Walla Walla and Pendleton teams will remain in commission longer this year than ever before and will not close the season before the latter part of September or the middle of October.

Baseball Team Returns.

The Pendleton baseball players, accompanied by Manager Leon Cohen, returned on the W. & C. R. train this forenoon from their tour. They were met at the depot by a large crowd of admiring Pendleton friends, who think that nothing is too good for the Pendleton baseball players.

The boys say they had a splendid time on their trip and were treated with courtesy wherever they went. They are very tired, but will be in trim to meet the enemy on the Athena diamond Sunday afternoon. Although some of the players have sore shins and lame joints, they are in the prime of condition, considering the fact that they played a game every day, since leaving on the 4th instant, except two.

What Thin Folks Need.

Is a greater power of digesting and assimilating food. For them Dr. King's New Life Pills work wonders. They tone and regulate the digestive organs, gently expel all poisons from the system, enrich the blood, improve appetite, make healthy flesh. Only 25 cents at Tallman & Co's.

George T. Myers, a citizen of Portland, has been nominated by the republican county central committee as a candidate for the seat in the state senate left vacant by the resignation of Robert D. Inman.

UNBEARABLE ITCHING

Felt It Would Be a Relief to Tear Skin From Back. Cured by CUTICURA.

I had a breaking out all over my back. The itching was almost unbearable, and at times I felt that it would be a relief to tear the skin off my back. I tried doctors' prescriptions, and several remedies, without even relief. I read of your CUTICURA remedy in the Indianapolis News. After three applications, my back quit itching, and by the time the box of CUTICURA Ointment was half used the breaking out had all disappeared.

"NO CLINKERS."

"Cokes the Coal and Burns the Coke"
 —A Testimonial From Some of Pendleton's Business Citizens.
 Mr. W. G. McPherson, Portland, Oregon.

Dear Sir:—After having given the "Perfect" Hot Air Blast Furnace a thorough test in the last two years we can truthfully say that we have never seen its equal for economy. Your statement that it "cokes the coal and burns the coke," we have found to be correct, for we find that after burning a fire continuously, there is left only a very small quantity of ashes, and no clinkers, the ashes being as fine as flour. The splendid results we have attained with this furnace have truly surprised us. Yours very truly,
