FACTS ABOUT IT FROM A MINING MAN.

A Big Body of Rich Ore Discovered

As the Golconda mine is owned in Pendleton largely, a large number of people of the town and county hav- find. It means much for that couning invested in its stock, the follow. try. ing from the Baker City Democrat is

of local interest: A true story of the Golconda strike was brought to the Democrat by A. H. Gunnell, of the firm of Foster & Gunnell, who represent an eastern mining company in Baker City., Mr. Gunnell stated:

"I spent two days as the guest of Mr. and Mrs. Meikle, of the Golconda and I personally inspected the new strike on the 200-foot level. The ore vein discovered is the continuation of the old ledge, which was lost and sought after very assiduously by Flood and Thatcher. The reports that have been spread have not been overdrawn. Mr. Meikle worked on home. a new theory and encountered the pay streak by the use of a winze from the 200-foot level. He only

The ore veins are widening out as depth is attained. The big strike, or small and narrow vein of rich ore. runs as high as \$50,000 to the ton. Mr. Meikle has one ton of this ore sacked up for shipment. On the THE BIG GOLCONDA STRIKE dump he has 100 tons of high-grade milling ore that will mill \$100 to the ton, besides the concentrates.

"Development work will be pushed as rapidly as possible, and what they are doing is opening up big bodies or milling ore on the 300-foot level. An -Sumpter People Are Enthusias ore shoot four feet wide has been opened up that goes \$50-to the ton. Everybody in Sumpter and in that whole camp is jubilant over the big

> You can say that the Golconda strike is not a fairy strike, and it is road within the next two years and not as reported in some of the local papers. It is a fact that the big strike is made, and that it is probably the largest and most valuable pay streak in the camp."

#### Ridge Notes.

Ridge, May 14.-Ridge has had a mine. Superintendent Meikle show-ed me through the entire property extra supply of rain. We had quite a hall storm the 10th instant, hall falling about three inches deep. No serious damage was reported.

James Nelson passed through here with his cattle today.

B. F. Ogle and family started for Athena today to make their future

50-YEAR FRANCHISE WANTED FROM UMATILLA COUNTY

f Statements of Promoters is True the Franchise is a Valuable Piece of Property and Should Not Be spending a few days in Portland. Given Away Without a Considera

M. Mellmann, one of the gentlemen at the head of the proposed electric railway which is talked or being built from Pendleton to Dayton Wash., spent Sunday night in town U. R. & N. company. and left this morning for Walla Walla, which is the headquarters of the company. Mr. Mellmann was here conferring with the city and county officials in regard to a franchise for the county and city. Noth ing definite was done with the city officials because Mayor Hailey was absent from town, but some of the council are in favor of granting the franchise, while some are against it. County Judge Hartman and Commissioners Walker and Gilliland are not yet determined as to whether or not they have a right to give a franchise over the county roads. They are in ed in the Golden Rule hotel, is set favor of having the electric road and jously ill with typhoid fever. He is would like to see it built, but from at the Sisters' Hospital and B. E. all indications Mr. Mellmann is trying to rush things through a little hotel. too swift for the county and city off cials. They do not propose to grant a 50-year franchise to any company Newport, to attend the grand lodge until they are sure just what it of the Rebekahs, which meets there means. they have the franchise in Walla grand lodge meeting. Walla, both city and county, as well as Dayton and Columbia county and all the little towns on the line ir those two counties, and that they will have to have Umatilla soon or call it off. They propose to build the of age, and the bride-to-be is 16. if this is to done no time is to be lost.

Mr. Mellmann is a most enthusiastic talker and when interviewed ir regard to the proposed railroad he said: "We mean business but we cannot waste any time. We have incorporated our company under the ldaho, is in town visiting her son laws of the state of Washington, with headquarters at Walla Walla, the O. R. & N. Company and Mrs. but if we can get any kind of a deal with Umatilla county people we expect the road doing business within go to Portland on a visit. two years.

We do not ask favors of any one build the road. The road will cost the valley are talking Chamberlain \$1,500,000 and we have all the money and it looks very much as though that is needed to build it and equip he would be the next governor. Sevit with the very best and finest of eral others from Portland report the

rolling stock.
"W. C. Cheney, a member of the American Engineers'

"We are going to build a road that the very best of service to the traveling public and will run not less Mrs. Jessie S. Vert, who left Pen than 50 miles an hour. A passenger dieton last September and has spent train will run each way every two several months visiting in Germany, hours and a freight train will be

Mr. Mellmann has a drawing showdown the Touchet river to Huntstributary, pass Waitsburg, with 2000, then follow near the line of the Washington & Columbia River rail road from there to Walla Walla, passing Dixie, and through one of the best farming countries in the Walla Walla vallley. From Walla Walla to Pendleton it will follow a divorce from his wife, Mrs. Anna near the line of the O. R. & N. road, passing College Place, Freewater, At Adams it will make a turn and come by way of Helix then into

Pendleton. The name that the company is incorporated under is the Washington & Oregon Electric Railway, Light & Power Co., and in addition to operating a railroad they propose to furnish power for electric lights, wherever such are needed.
