The Multnomah Amateur Athletic Rod and Gun club, under whose auspices the coming tournament is to be held, has worked hard to make the shoot a success and the indications are that it will be the largest shooting event which has ever taken place in the northwest.

It is the intention of the association, if possible, to bring the "Grand American" to Portland in 1905 during the Lewis and Clark fai rand if the association is successful, it will mean the largest shooting event ever held in the world, providing of course, that the live bird shooting is eliminated, as the majority of the members of the association are opposed to this. It is believed by some of the officers of the association that under the present management of the Grand American officers, if inanimate targets only are used, there ould be upwards of 1000 entries in

"Cokes the Coal and Burns the Coke" -A Testimonial From Some of Pendleton's Business Citizens.

Mr. W. G. McPherson, Portland, Oregon.

Dear Sir:—After having given the 'Perfect" Hot Air Blast Furnace a thorough test in the last two years we can truthfully say that we have never seen its equal for economy. Your statement that it "cokes the coal and burns the coke," we have found to be correct, for we find that after burning a fire continuously, there is left only a very small quantity of ashes, and no clinkers, the ashes being as fine as flour. The splendid results we have attained with this furnace have truly surpris-

ed us. Yours very truly, F. E. JUDD. C. S. JACKSON, T. C. TAYLOR, F. B. CLOPTON, H. L. HEXTER.
