## PIONEERS' REUNION

TO BE HELD IN WESTON, MAY 28, 29 AND 31.

An interesting Program, covering the Three Days—Many Candidates for Office to Attend—Speaking by Prominent Men.

Those in charge of the arrangements for the eighth annual reunion of the Oregon Pioneers of Umatilla county, which is to be held in Weston May 28th 29th and 31st, are making elaborate preparations for one of the best picnics ever held in Umatilla county.

On the 30th—Decoration day—a ball game will be played between amateur teams of Milton and Weston, and the Decoration day exercises will be conducted by the Eastern Oregon State Normal. The reason that the regular picnic is not to be held on the 30th is in order to give all who wish to commemorate the day by placing flowers or other decorations on the graves of their departed friends.

The annual address to the pioneers will be delivered on the 28th by Judge A. S. Bennett, of The Dalles and the memorial sermon will be given by Rev. M. H. Marvin, of Walla Walla, on the 29th. On the 28th and 29th the Walla Walla and Pendleton baseball teams will cross bats in two games, and on the 31st the Pendleton team will play a game with the Dayton team.

The exercises at the pavilion and arbor will include music, by the Athena band and Whitman college Glee Club, short addresses and reminiscences by pioneers, drill by the Weston public school, and other interesting features. There will also be other sports and amusements, including platform dances given under private management, with music by Kirkman's orchestra, of Pendleton.

Saturday, May 31, will be devoted to politics and all the state and county candidates have been invited and are expected to be present and deliver addresses from all political points of view. This feature is expected to be one of the largest and most successful political gatherings that has ever been held in Eastern Oregon. The music will be furnished by the Athena band and Weston quartet.

One and one-third fare will be granted for the round trip over the O. R. & N. railroad to all who wish to attend this gathering of the Umatilla county pioneers, and the Weston people have announced that they will throw open their homes for the entertainment of those who attend.

#### THE ROOTERS' DANCE.

About 100 People Attend the Function at La Dow Hall—An Indian War Dance.

About 85 couples participated in the mazy whirl at La Dow Music hall last evening, the occasion being a social dance given by the Pendleton Indians' Official Rooters' Association to assist in paying for the new suits for the Pendleton first team.

The affair was strictly informal, and was decidedly enjoyable, the dancing being kept up without intermission until the hour of 12 was boomed out from the bug bell at the court house.

The floor was in fine shape, the music by Kirkman's orchestra was excellent and the committees who had the affair in charge left nothing undone to provide for the entertainment and enjoyment of their guests.

Fifty-one dollars was cleared, and this will go a long way toward the purpose for which the dance was given.

Dean Shull and Robert Fletcher added to the interest of the entertainment by an exhibition of Indian war dancing. They were costumed to represent "the painted devils" on the war path and acted their parts in true Indian style. While they danced some one beat the drum to an Indian war tune and the imitation was quite up to the original thing.

#### A GIRL'S LETTER.

How an Indian Maiden Addresses Her Father.

Phillip Minthorn, who resides on the Umatilla reservation, has received a letter from his daughter, Anna, written from the Indian school at Carlisle, Pa., in which she very clearly shows the love of dress which is inherent in woman even from the most primitive ages.

After stating that she is well and happy, she immediately asks that her mamma send her material for a new white dress, also a pair of shoes, five and one-half yards of white ribbon, three inches wide, and \$4 or \$5 in money, so she can buy a new hat. She then closes her letter in the usual way.

All the characteristics of a most girlish girl pervade the letter, which is very intelligently written.

## A FIRE IN WALLA WALLA

STARTED IN BASEMENT OF BEE HIVE BLOCK.

Raged for Two Hours—Loss of Property Small—Two Men Injured by Falling Glass.

Walla Walla, May 20.—Fire was discovered in the basement of the Bee Hive block at 11:30 last night and for two hours the flames raged fiercely, only being prevented from entirely destroying the adjoining property by the persistent efforts of the firemen and citizens and soldiers who quickly rushed to the scene.

The building, which is owned by Dwelley & Simpson, is valued at \$14,000. The upper floor was occupied by a lodging house and the street floor by the Bee Hive store, with a stock worth \$10,000 insured for half its value, the plumbing establishment of Lynch & O'Rourke, and Loehr's tin shop. These latter were completely gutted by fire and water, while the exact amount of damage done to the Bee Hive stock is as yet unknown, although it is not believed to be serious.

When the firemen first reached the building smoke was pouring from the south end of the basement and the stairway acting as a flue, was rapidly drawing the fire up to the upper parts of the structure, the dense smoke causing the occupants to hastily don their clothes and rush into the streets with what valuables they could carry.

During the heat of the fire two men were injured by falling glass from a broken window, and Winfield Scott Taylor stumbled into a closet in trying to make his way through the dense fumes, where he was quickly suffocated by the smoke and was unconscious when discovered half an hour later. He was taken to the open air and soon recovered, being now thought out of danger.

The damage done is estimated at about \$5000, this being the most serious fire here since the burning of the fanning mill factory early last fall, when \$25,000 worth of machinery and building was destroyed in 20 minutes.

A republican writing from Woodburn, Marion county, says: If the election had been held here two weeks ago Chamberlain would have carried this town by two votes to Furnish's one, but sentiment is changing and there is no doubt that the count of ballots will show the usual republican vote.
