CHAMBERLAIN DAY

DEMOCRATIC CANDIDATE
IN UMATILLA COUNTY.

Addresses Audiences at Milton, Weston, Athena and Pendleton All One Day—Basket Picnic at Milton.

Tomorrow evening Hon. George E. Chamberlain, democratic candidate for governor, will address the people of Pendleton at Frazer's opera house on the political issues of the day, from a democratic standpoint. Mr. Chamberlain will pass through in the morning going to the east end of the county, where he will deliver three addresses before coming here in the evening.

He will speak first at Milton, at 11 a. m., where he will be accompanied by the county candidates. A picnic will be given in Nichols' grove. A brass band will furnish music and many farmers are expected to drive in from the country, bringing their lunch and have a regular basket dinner. Quite a number of the leading democrats, in addition to the candidates, will attend this meeting.

From Milton they will go to Weston, arriving there at 1:30, where Mr. Chamberlain will again talk to the people. The O. R. & N. mixed train will leave there for Athena, where they will be left until the 4:40 passenger comes through, which will bring them to Pendleton, where Mr. Chamberlain will make the fourth speech for the day.

DALLES-CELLO CANAL.

Money Appropriated Will Be Used to Start Work on the Project.

At a conference on the Oregon appropriation of the rivers and harbors bill it has been decided to use the sum of \$340,000 to commence work on the Dalles-Celilo canal. While the senate amendment is not to be retained in its first form, the work is authorized to be begun upon the last plan of Captain Harts, and it will not have to go back to another board of engineers before work is commenced.

According to the agreement reached today, the \$224,000 remaining from the former appropriation for the boat railway and \$100,000 additional will be authorized for expenditure upon the canal and locks. The principal point gained today is that work will be commenced immediately upon the passage of the river and harbor bill, and that when it is once commenced sufficient appropriations will be made to continue and complete it.

It is understood that the agreement reached is permanent, and that there is no danger of its being reopened. There is also further assurance that an agreement will be reached on other items in the dispute, and that an agreement is likely to be reported which will insure the passage of the bill.

Movement of Sheep.

Livestock Agent Mills, of the O. R. & N. Company, back from a ten days' trip to Heppner and vicinity, says that there is a heavy movement of sheep for all points now, but that the local shipments predominate. There is a strong demand. The general impression is that the coming fall will be a good one for feeders. Prices are beginning to come down to a point that will induce buyers to place orders.

Radical United Brethren.

A camp meeting of the members of the Radical United Brethren church will be held six miles west of Freewater, beginning May 28 and continuing to about June 5, on the grounds of William Gallagher. The annual conference of the church will occur at the same time. Radical United Brethren are fairly strong in that section, and the conference and camp meeting are expected to draw quite an attendance. T. J. Hardwick, of Freewater, has the arrangements in charge.

A Mean Swindler.

The meanest swindler heard of is a man who has been operating in neighboring counties. His game is a dental one. He goes to a house and extracts teeth without cost, provided a new set is to go in. He calls again in a few days, gets half the price of the plate and falls to appear again, leaving his victim minus teeth and cash. There is weeping and wailing, but owing to the circumstances, no gnashing of teeth. There is, however, a terrible chewing of gum.

Beer Was Seized.

During the visit of Prince Henry the New York brewers treated the crew of the imperial yacht. The deck officers managed to save several kegs to take home to their friends. On the arrival at Kipl this beer was seized by the German customs house and the officers forced to pay \$67.50 duty. Then the beer was sold at auction.

President Roosevelt is about to issue a proclamation creating additions of several million acres to the Yellowstone and Teton forest reserves in Wyoming.

AT THE ADVENTISTS' CAMP

BUSY TIMES IN THE TENTED CITY OF GOSPEL

New Officers Being Elected—Business Meeting Held—Ten Prominent Business Men Banqueted by the Adventists.

While Wednesday was not an ideal day for those camped in Byers' grove and attending the Adventist camp meeting, it was the best day since Sunday and the only rain that fell was early in the morning. The services were conducted according to the usual program.

At the business meeting the report of the committee on credentials and license was read and the rest of the business meeting was given up to discussing the Sabbath school work. Rev. W. F. Martin, of College Place, district chairman, presided.

Again at 4 in the afternoon another business meeting was held and the medical missionary work done in the past by the Adventists was discussed and plans for the future looked over. The 21 members of the constituency board, which looks after the work of the Mount View Sanitarium, at Spokane, were present at this meeting, seven new men to take the places of those whose time has expired as the board of directors for the Upper Columbia River Medical Missionary Benevolent Association were elected.

The men elected to replace those who expired by limit, are: Dr. Yarnell, Dr. I. A. Dunlap, G. Holbrook, J. A. Holbrook, of Spokane; Dr. Simons, of Portland; Rev. W. T. Knox, of California, and Rev. W. F. Martin, of College Place.

The retiring members were: Dr. W. L. Gardner, Dr. I. A. Dunlap, G. Holbrook, J. A. Holbrook and George Gibson, of Spokane; Rev. W. F. Martin, of College Place, and Rev. W. T. Knox, of California.

The board of trustees for the Mount View Sanitarium, at Spokane, was also elected as follows: Elder A. J. Breed, College Place, permanent chairman; J. W. Posey, of Spokane, secretary and treasurer; G. Holbrook, Dr. Yarnell, S. A. Anderson and W. H. Saxby, of Spokane, and Dr. Simons, of Portland, composed the rest of the board.

Business Men Dined.

At 1 o'clock in the afternoon 10 of Pendleton's prominent business men met at the dining tent on the camp ground in response to an invitation to dine with the Adventists and an hour was very pleasantly spent in devouring the delicious viands set before them. Nothing but a vegetable diet was provided as the use of meats and grease is discouraged by the Adventists. The menu contained the following list of eatables:

...ut soup, French fried potatoes, string beans, tomatoes, lentil, roast bananas, oranges, peaches, sago pudding, crackers, light bread, toast, almond butter, dairy butter and cereals.

Those who partook of this dinner from the business men of the town were: Leon Cohen, F. E. Judd, Lee Teutsch, Colonel J. H. Raley, R. Alexander, E. P. Dodd, C. H. Carter, F. B. Clifton, John Halley, Jr., and E. P. Marshal. Several others were invited, but were unable to attend.

Physician Fined.

Dr. W. T. Phy, one of the leading physicians of Baker City, was before Police Judge Bentley Tuesday charged with having attended a patient suffering with small pox and failing to report the same to the Baker City health officer, Dr. James Patrick Hayes. A fine of \$5 was imposed. City Attorney Hellner told Dr. Phy he would prosecute all practitioners having such cases and not reporting them. Dr. Phy immediately

ly reported Dr. Haynes for not quarantining a case of chicken pox, in reality smallpox, in the family of C. E. Porter. In line with the provisions of the ordinance it is expected a warrant will be issued for the arrest of Dr. Hayes.

Freewaterites are Huffy.

Word comes from Freewater that the citizens of that little burg are not well pleased with the way they have been treated by Mellmann & Romo, of electric road fame. They have marked Freewater on their map as an unincorporated town and it is said that they have shown a disposition to discriminate in favor of Milton and against Freewater in more ways than one. The rivalry between the two towns is very bitter and it is believed that the electric railway people have lost friends by their failure to present things as they are.
