A BIG MEETING TONIGHT

EVERYTHING IN READINESS FOR CHAMBERLAIN.

Democratic Aspirant for Governor Passed Through Pendleton This Morning and Spoke at Milton, Weston and Athena Today.

Hon. George E. Chamberlain, democratic candidate for governor, came in this morning at 8 o'clock on the west-bound train, accompanied by W. A. Wann, candidate for superintendent of public instruction, and remained here until 8:20, when the east-bound train pulled out for Milton. Mr. Chamberlain was met at the train by a large crowd of democratic admirers, including Mayor T. C. Halley, County Judge Hartman, Dr. C. J. Smith, candidate for state senator, and many others, who shook hands with the aspirant for governor while standing on the platform waiting for the train to pull out. He was accompanied to the east end of the county by quite a number of Pendleton people.

Messrs. Chamberlain and Wann spoke at Milton this forenoon at 11 o'clock; at Weston at 1:30 and at Athena at 3. At Athena they will board the 4:40 train this afternoon and come to Pendleton, arriving here at 5:20. They will be met at the train by the reception committee, composed of A. D. Stillman, W. A. Mack, W. H. Fowler, S. A. Newbery, G. A. Hartman, Sr., J. M. Heathman, C. F. Kennedy, E. T. Wade, Dr. C. J. Whitaker and D. B. Watson, and be escorted to the Golden Rule hotel, where they will be entertained until time to march to the court house for the speaking. The Helix band is expected to be here and it, with a local band, will entertain the people on the streets from 7 o'clock in the evening to 7:45 when they will assemble in front of the Golden Rule hotel and head the procession which will march to the court house. Little demonstrations are to be made other than the falling into line and marching of all the Chamberlain men who can be mustered together.

The program will commence at the time to the speaking by Mr. Chamberlain at 8 o'clock and in addition Mr. Wann, appropriate and specially prepared songs will be rendered.

Chamberlain at Milton.

Milton, May 23.—One of the most striking political demonstrations in the history of Milton occurred today when Hon. George E. Chamberlain, democratic candidate for governor, arrived. When the train pulled in the yard, was full of people, and as Mr. Chamberlain stepped from his car the enthusiasm was intense. The Milton band was also out to meet the train, and carriages were in waiting to convey the politicians to Nichols' grove, where the speaking took place. Mr. Chamberlain spoke for an hour and many times during his discourse he was interrupted by tremendous applause. Following the speaking everybody partook of a basket dinner which was prepared and spread in the grove after which Mr. Chamberlain was escorted back to the train and left for Weston.

Reception at Weston.

Weston, May 23.—A large crowd met the O. R. & N. mixed train at the depot this afternoon, which bore Hon. George E. Chamberlain, democratic candidate for governor, and W. A. Wann, candidate for superintendent of public instruction.

The honored guests were escorted over town by a brass band and a large crowd of admirers and one of the most enthusiastic political demonstrations held here for several years was held in honor of the coming governor. The train left here for Athena at 2:30.

Pendleton Men at Echo.

Echo, May 23.—One of the largest crowds that has assembled in Echo for many years to hear political speeches, attended the democratic rally in the Masonic hall last night. Dr. C. J. Smith, of Pendleton, democratic candidate for state senator from Umatilla county, and Walter M. Pierce, of Pendleton, candidate for senator from Morrow, Umatilla and Union counties, were the principal speakers and their addresses were received with applause time and again from the crowd.

Other candidates who were out from Pendleton were: T. D. Taylor, for sheriff; C. P. Strain, for assessor, and Dr. T. M. Henderson, for coroner.

A Pleasing Recital.

The piano recital given in Wakefield's music store last evening, by pupils of Miss Maude Wheeler, was largely attended and greatly enjoyed. The various selections were well rendered and the pupils showed marked progress and a proper appreciation of the tonic beauties of the piano. The length of the program precludes individual mention of the performers.

E. S. Payne, cartoonist and artist is at work for the East Oregonian, his work appearing in this paper's columns. Mr. Payne is prepared to make sketches and cuts for advertisers and others at reasonable prices. Estimates will be furnished without cost. Orders can be left at the East Oregonian office.

REAL ESTATE MOVING.

Several Small Deals and One or Two Good Ones Made Last Week.

Milton, May 22.—The first shipments of strawberries for the season were made on Saturday last. Owing to the wet cold spring, the crop will not be as heavy as usual, but the farmers say that the outlook is still good and they have no complaints to make.

The high water in the Walla Walla river has caused some damage above town. J. P. MacMinn piled 100 cords of wood on the bank a short time ago. Yesterday the water washed the bank away and the wood has gone down stream. There is not much probability of its recovery.

Real estate is moving quite lively in Milton this week. There has been several small deals during the last few days. Yesterday William Nichols bought of Mrs. J. S. Williamson, her brick store building, for which he paid \$1500. Mr. Nichols expects to spend \$1000, in remodeling the building. He will put in a glass front and make several other improvements.

The prohibition people are much encouraged over the Woolley meeting of last Saturday. Notwithstanding the inclement weather a large crowd greeted the speaker. The tent provided for the meeting was filled to the overflow point, and the speech was one of his best. But the principal cause for their rejoicing is, as they assert, the substantial gain the party received as a result of Mr. Woolley's visit.

C. E. Macomber and E. J. Sommerville, republican candidates for representative and assessor, respectively, visited Milton today.

Vancycle Notes.

Vancycle, May 22.—Ben Stanton and family went to Yakima last Wednesday evening to visit an uncle of Ben's, but when they got there Ben's uncle had the smallpox, so they came back Saturday.

It has been raining steadily for two days, Monday and Tuesday, and still looks as though it might continue for some time to come.

Crops are looking finely since we have had so much rain and some warm weather. Some wheat in this locality is in the boot.
