## FOUR TO NOTHING

(Concluded.)

balls. Zeigler hit to Fisher and Stovall went to second on the fumble. Penland gave Mackie a chance to catch Stovall between bases and the two Walla men did not over look it. Hartman fouled out to Fisher, who captured the ball after a great run, Zeigler making third and Penland second after the foul was caught. This is the first time this play has come up during the season and the crowd went wild. Brown was hit by the ball, then with the bases full Fay gave Fisher an easy ground chance and Walla Walla's victory was assured.

Both sides did the one, two, three act in the eighth. Fisher fouled to Brown, who took it in after a good run, Mackie was run out at first by Hartman and Gray went out, Schmidt to Hartman. Clemens gave Steltz his usual opportunity and went out at first, Schmidt was out Mackie to Brown, Wilner being caught out on a high fly by McAvoy.

It was the same thing over again with Walla Walla in the last. Shea to Zeigler, who made a long run and a beautiful snap throw to Hartman. Steltz to Clemens on a long fly and a good catch, Bradbury on a foul to Zeigler. Stovall went to first on three strikes and a bad fumble by Shea and could have gone to second, Zeigler flew out to Williams, Penland hit to Mackie, who assisted Bradbury and caught Stovall but Bradbury could not get the ball to Brown in time to cut off Penland, Hartman sent another to Mackie and was caught at first, Penland dying and the game was over.

There was good ball playing on both sides and the game as a whole was one of the "gingeriest" exhibitions yet seen here, many of the plays being of a character to bring the fans to their feet. Pendleton was unfortunate at critical times. Both pitchers did good work, but five hits being made off Wilner and none off Steltz, who was in excellent trim.

"Cokes the Coal and Burns the Coke"  
 —A Testimonial From Some of Pendleton's Business Citizens.

Mr. W. G. McPherson, Portland, Oregon.

Dear Sir:—After having given the "Perfect" Hot Air Blast Furnace a thorough test in the last two years we can truthfully say that we have never seen its equal for economy. Your statement that it "cokes the coal and burns the coke," we have found to be correct, for we find that after burning a fire continuously, there is left only a very small quantity of ashes, and no clinkers, the ashes being as fine as flour. The splendid results we have attained with this furnace have truly surprised us. Yours very truly,

## JOYFUL MATERNITY.

### Hopeful Words to Childless Women. Two Grateful Women Tell How They Were Helped by Lydia E. Pinkham's Vegetable Compound.

How shall a mother who is weak and sick with some female trouble bear healthy children?  
 How anxious women ought to be to give their children the blessing of a good constitution!

Many women long for a child to bless their home, but because of some debility or displacement of the female organs, they are barren. Preparation for healthy maternity is accomplished by **Lydia E. Pinkham's Vegetable Compound** more successfully than by any other medicine, because it gives tone and strength to the parts, curing all displacements and inflammation.

Actual sterility in women is very rare. If any woman thinks she is sterile, let her write to Mrs. Pinkham, Lynn, Mass., whose advice is given free to all expectant or would-be mothers.

**The Story of Mrs. De Bett and Her Baby Girl.**

"DEAR MRS. PINKHAM:—Before I took your medicine I suffered for years. Life to me was a torture. I often wished I were dead. I had no children, and the doctor said I never could have. Menstruation was very painful, also, suffered with severe pains in left ovary, had pains in my back and heart, terrible headaches, and weakness of the kidneys. I tried everything, had womb dilated twice but that did no good. I got discouraged and concluded to let the doctors go and try your medicine. After writing to you explaining my case, I followed your advice carefully and with the result that I never felt so well in all my life. I am indeed a new woman and have a loving little baby girl which is the happiness of my home. I feel that I owe my life to Lydia E. Pinkham's Medicine, and feel very proud to recommend it to others. I hope that many others will follow my example and that homes may be brightened as mine has."—Mrs. Lucy De Bett, 80½ S. Halstead St., Chicago, Ill. (March 1, 1901.)

"DEAR MRS. PINKHAM:—I must write and tell you what your Vegetable Compound has done for me. Before taking your medicine I was unable to carry a babe to maturity, having lost two—one at six months and one at seven. The doctor said next time I would die, but thanks to Lydia E. Pinkham's Vegetable Compound, I did not die, but am the proud mother of a six months old girl baby. She weighs nineteen pounds and has never seen a sick day in her life. She is the delight of our home."—Mrs. A. D. JARRET, Belmont, Ohio.

**Get Mrs. Pinkham's Advice.**

It is free as the air. She has been the means of making many a miserable life turn into one of joy—no other living person has had such wide experience with woman's ills. Her address is Lynn, Mass.
