Marvelous Elixir of Life Discovered by Famous Doctor-Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed—The Secret of Long Life of Olden Times Revived.

The Remedy Is Free to All Who Send Name and Address.

After years of patient study and delving into the dusty records of the past, as well as following modern experiments in the realms of medical science, Dr. James W. Kidd, 3030 Baltes rd., Fort Wayne, Ind., makes the startling announcement that he has surely discovered the elixir of life.

Dr. James William Kidd

That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim, and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of his remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as if by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

CURRENT POLITICAL DISCUSSION.

The Questions at Issue Before the People of Oregon Today.

CERTAIN OF VICTORY!

FULTON IS NOT STATE CANDIDATE FOR SENATOR.

A Storm of Disagreement and Quarrels Among the Machine Workers and Office Seekers of the Republican Organization.

Portland, May 24.—Encouraging reports of the most flattering character are pouring in to the headquarters of the democratic state central committee. The tidal wave of enthusiasm that arose at the time the state convention was held has swept on with resistless force, and is now increasing in volume. Our advices are of a character to indicate an assured victory on the 2d of June for George E. Chamberlain, the gallant leader of the democracy, and his associates on the state ticket.

It is the most remarkable movement in the history of politics in Oregon. In the affairs of the republican campaign there exists a chaos and disorder most remarkable. C. W. Fulton, of Astoria, co-operating with Mr. Furnish and Mr. Williamson, apparently was given to understand that he was to be the state candidate for the United States senate. At any rate, in support of this theory, the Morning Astorian published in Astoria, Mr. Fulton's name, came out and announced upon pretended official authority that the electing of Mr. Furnish meant the election of Mr. Fulton to the senate. The people of Clatsop county were told in unmistakable terms that the proper manner of expressing the political equation of the present office-seeking problem was that Furnish equalled Fulton and Fulton equalled Furnish, which was the same as saying that H. W. Scott, of Portland, and T. T. Geer, of Salem, were entirely eliminated from all consideration. At a republican rally here on the evening of Saturday, May 10, Chairman Lewis announced Mr. Fulton as the next United States senator, Walter Lyon, private secretary of Governor Geer, called upon Chairman Jack Matthews, of the republican state central committee and wanted to know if this announcement was official. The result of their interview was that Chairman Matthews declared Multnomah county would never support Mr. Fulton for the senate. This, and other incidents, have caused such a storm of disagreement and quarrels among the republican state central committee's headquarters in this city as to sow the seeds of defeat.

On the other hand, every thing is serene at the democratic state headquarters, and such encouraging news is received from day to day as to paint the political skies a rosy hue for those who follow the banner of Mr. Chamberlain and his fellow nominees.

As to the inflated reports that are sent out by the opposition and printed in their newspapers, it is fairly submitted to the people of each county to judge for themselves. If you have been reported as having magnificent demonstrations when you had them not, you may judge that reports from other counties have been similarly misrepresented.

It is urged, however, even although victory seem assured, that constant vigilance should be exercised from now until the last returns have been officially counted and recorded. There should be no relaxation in the watchfulness of those who are fighting in this campaign, but rather more care should be exercised, for the reason that the opposition are in such desperate straits as to drive them in some quarters to desperate means.

JOHN E. LATHROP.

WESLEY MATLOCK TALKS.

Tells Portland Journal Man of Political Conditions in Umatilla.

W. N. Matlock, of Pendleton, son of W. F. Matlock, the latter the democratic nominee for joint representative from Umatilla and Morrow counties, arrived in Portland Thursday, says the Journal, en route for Skagway. He has heavy business interests there, and will remain there during the summer.

Mr. Matlock is well posted upon the political situation in Umatilla county. He said:

"A few days ago a bet was offered by a Furnish supporter that Furnish would carry the county by 500. He instantly became a storm center and had so much money thrust at him that he and his people began to offer bets on three hundred. These were in turn taken with such avidity that again were the margins lowered, until now is regarded as doubtful even by the Furnish people that he will carry Umatilla county, and the opposition are absolutely confident that he will lose it.

"I cannot see how Furnish can carry the county. He has fighting him nearly all the regular and life-long republicans, and they are putting up such a scrap that one is compelled to look for them to wipe him off the political map.

"The local ticket looks good, too, and a large part of it will pull through with handsome majorities.

"One incident of the campaign was interesting indeed. Judge John J. Balleray the other day offered to bet H. L. Swaggart, of Pendleton, that Furnish would carry the state by 5000 majority. Mr. Swaggart got the money and hunted up Balleray, who after consulting with the people at Furnish's bank, decided that he did not want to make his bluff good. The incident caused considerable discussion, as it was taken to indicate that the claims of confidence on the part of the Furnish people were not very firmly grounded."

SUCCESS AS COUNTY CLERK.

W. D. Chamberlain's Administration of the Office has Lightened Taxpayer's Burden.

W. D. Chamberlain is entitled to be rewarded for services well and faithfully done. Two years ago he took charge of the county clerk's office and in a short time brought order out of confusion. He systemized the work and put the files in order.

Owing to better methods in the conduct of the office a substantial saving has been made to the taxpayers. The expense of the clerk's office from July 1, 1898, to May 1, 1900, under County Clerk Burroughs, amounted to \$8,887.58. During the same period of time under Mr. Chamberlain's administration, from July 1, 1900, to May 1, 1902, the total cost of the office has been \$7,348.98. The difference amounting to \$1,538.60, has been saved to the taxpayers.

In addition to this direct saving of expense, it must be borne in mind that the volume of business transacted in the clerk's office has greatly exceeded the volume of business of the two preceding years. Mr. Chamberlain in one term has proved himself competent, careful and economical. One good term deserves another.

JUDGE BOISE FOR IT.

The Oldest Judge in Oregon Endorses the Initiative and Referendum.

Judge R. P. Boise, who is one of the circuit judges of the third judicial district, was in Portland Monday from Salem. Judge Boise is the oldest judge in Oregon in point of service, having been on the bench, circuit and supreme, a total of 34 years. He was once grand master of the State Grange and is still one of the most active workers in that organization. For many years he has been an advocate of direct legislation, as the only means of securing the reforms most needed by the people. He places more importance upon the initiative than upon the referendum, and thinks there is not the least doubt that the people will give a good majority for the proposed amendment at the coming election. He is not afraid that the people will neglect to vote on this subject, and the large majority can see that if they are ever to have a check on pernicious legislation and a means of securing needed legislation they must get it through the amendment to the constitution.

The democratic state convention at Wichita, Kansas, has adjourned after nominating six of the 14 places to be filled at the November election. W. H. Craddock, mayor of Kansas City, Kan., was named for governor. A committee of this convention will meet with the populists at Topeka, in June, with power to ratify the balance of the ticket expected to be filled at that time.

AT THE COUNTY COURTHOUSE

NUMBER OF SUITS ARE NOW ON THE DOCKET.

Fourth Equity Suit in Two Months Is Filed Against Prominent Ukiah Merchant—Other Notes of the Court.

Another equity suit was filed Friday evening at the court house against J. L. Bisher, the Ukiah merchant, which makes the fourth one filed against him within the past two months. The plaintiff in the last suit is R. L. Sabin, who asks the court to award him judgment against the defendant in the sum of \$898.63 and costs of suit. The allegations are that in 1901 plaintiff bought goods of Murphy, Grant & Co., of San Francisco, to the amount of \$504.61 and \$246.71 worth of A. Schilling & Co., of San Francisco, promising to pay for the same on demand. Neither of these accounts have been paid and have been turned over to plaintiff for collection. Carter & Raley are attorneys for plaintiff.

Ben F. Ogle vs. Ed Taft, is the title of a suit filed on the equity docket at the court house Friday evening, to gain possession of lot 5 in block 5, Richard's addition to Athena. The allegations are that in 1893 D. A. Richards and M. S. M. Richards contracted the lot to defendant for \$300 and that he never paid any part thereof. Later the lot was sold to plaintiff and now he wants the court to declare Taft's contract void, alleging that it clouds the title to the property.

Johnnie Beckwith has been assisting Deputy County Clerk B. B. Hall at the court house for the past several days in getting the election supplies ready for the different precincts. This is quite a job. A batch of blanks has to be placed in an envelope and sent to each precinct for the voting of any who neglected to register. Poll books, election laws, ballots, tally sheets, etc., also are being prepared to send out.

Eight hundred delegates were present when the first regular session of the 86th annual convention of the American Baptist Missionary Union was called to order at St. Paul, on Wednesday.

WHAT YOU DO, DO IT WELL

This Is Important for Health Building in May.

PAINES CELERY COMPOUND

Thousands of Cures Made by Should Convince You of Its Value.

"What you do, do well," is the golden rule of business life. This rule and far reaching command can be profitably observed in many other conditions of life. In sickness and suffering it is all important that "what you do" to banish disease and restore lost wealth should be well done. While prudence and common sense will, in nearly every instance, direct you aright, the experience of your friends and neighbors and the thousands rescued from sickness and suffering, will point directly to Paine's Celery Compound as the infallible health giver.

People who think they will get rid of troubles such as rheumatism, neuralgia, dyspepsia, and nervous disorders by medicines which have not yet passed the experimental stage, will be sadly disappointed and find their sufferings increased.

To get rid of rheumatism, neuralgia, dyspepsia and nervous complaints, it is wisdom to use Paine's Celery Compound, a medicine that proceeds at once to make the appetite normal, sleep natural and refreshing, the nerves strong, as a foundation for building up health and vigor.

If sick people in May look for a true nerve strengthener, an honest blood purifier, a reliable diuretic, that will restore strength, renew vitality, regulate the kidneys, liver they should at once make use of Paine's Celery Compound, and note the speedy and pleasing results that flow from its use.

"I am pleased to give my experience with Wine of Cardui as I am very grateful for its help. After my first baby was born I could not seem to regain my strength, although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband came home one evening with some Wine of Cardui and insisted that I take it for a week and see what it would do for me. As he seemed to have so much faith in it I did take the medicine and was very grateful to find my strength slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

It is the woman who is ailing—who has female weakness—who fears the ordeal of becoming a mother. Wine of Cardui builds up the womanly in a woman. It stops all unnatural drains and strains—irregularities which are responsible for barrenness and miscarriage. It makes a woman strong and healthy and able to pass through pregnancy and childbirth with little suffering. After the ordeal is passed the Wine prepares a woman for a speedy recovery to health and activity.

MOTHERHOOD is the noblest duty and highest privilege women can achieve or aspire to. Without this privilege women do not get all there is in life—too often they go through the world discontented, wrapped up in their own selfish cares and troubles.
