IS DRAWING TO A CLOSE

ADVENTISTS' CONFERENCE TO LAST ANOTHER DAY.

People on Grounds Seem Delighted and Declare That the Meeting is One of the Best They Have Ever Attended.

Only one more day and the Adventists' camp meeting in Byers' grove will be a thing of the past. After having been in operation since the 15th of the month, as well as spiritual meetings, will close tomorrow evening and the occupants of the "White City" will leave for their respective homes.

While some are tired, worn and anxious for the meetings to close, so they can go home, many will leave the camp ground with reluctance for such expressions are heard on every hand, as "We never had a pleasanter time at a camp meeting," or "We were never treated with more courtesy by anyone than we have been by the Pendleton people," and the only thing that has marred the success of the meetings in the least was the rain. For the first three days of the week it rained and made it somewhat disagreeable on the grounds, but the campers remained cheerful and smiled through it all.

No business was transacted during the business session Friday other than the taking up and arranging for the sale of "Christ's Object Lessons," which was written by Mrs. E. C. White, of California. The author do-

SOME EDUCATIONAL DOINGS

PENDLETON ACADEMY CLOSING ON THURSDAY.

Past Year Has Been One of Best in Its History—Track Team Leaves Tomorrow for Baker—Public School Closes Wednesday.

Next Thursday ends the present school term of the Pendleton Academy. In speaking of the academy, Professor F. L. Forbes, who has been at the head of this institution for the past six years, said this morning that it never had a brighter future before than now.

When Professor Forbes took hold of this institution it had been run down and was almost ready to be abandoned. He took the school when it was in this fix and the enrollment for the term just ending was 220.

"Everything is organized and in the best of working order," said the professor, "and we look for a continual growth for the better from now on." Arrangements are almost completed for the commencement of the erection of a new academy building, north of the river, and the only thing that remains now is to hear from the building board, which is expected to give \$5000 toward this building. The plans have been drawn and the building is to cost \$15,000. It is to be two stories, with a basement and will be of brick, with all the latest modern furnishings and accommodations. The size is to be 65x100 feet.

Baccalaureate Sermon.

The baccalaureate sermon will be delivered Sunday evening, May 25, in the Presbyterian church, by Rev. F. L. Forbes. Everyone invited.

Public School Closes 28th.

Next Wednesday, the 28th instant, the Pendleton public school will close its doors for the summer vacation, and the commencement exercises will be held in Frazer's opera house in the evening.

Ho, for Baker City.

Instead of leaving on Monday morning, as was announced, the Pendleton high school track team will leave Sunday evening for Baker City to compete in the Eastern Oregon track meet. Beside the 11 members of the team who will go, several visitors will accompany them to see them win glory or go down in defeat before the husky track teams from the other competing towns.

Oratorical Contest.

Those who fall to hear the oratorical contest in the assembly hall tonight will miss a treat. Beside the speaking, good music will be rendered.

WESTON HAPPENINGS.

Democratic Candidate Well Received—General News of the Town.

Weston, May 23.—George E. Chamberlain, democratic nominee, spoke to a large crowd at this place today. The speaker well received and his remarks were heartily endorsed many times. Nearly all of the local democratic candidates were with Mr. Chamberlain.

All danger from the high water is now past, and the streams in this vicinity have sunk to their normal level. Rev. W. S. McAllister and wife have returned to their home in Davenport, Wash.

Dr. J. H. Beattie, of the normal school, made a flying trip to Pendleton yesterday.

The unusual amount of rain has retarded operations in the brick yard to a large degree this spring, but in spite of this H. B. Nelson has shipped over three hundred thousand brick since the yard began operations late in March. He reports that the indications are for one of the best years since he has been in the business.

SCOURING YOUR SCALP.

Will Remove the Loose Dandruff Scales, but it Won't Cure Dandruff.

If your hair is brittle and thinning, you have dandruff. The mere scouring of the scalp of the loose scales, won't cure dandruff; because dandruff is nothing but scales of scalp being thrown up by a pestiferous little germ in burrowing its way to the root of the hair where it saps the vitality causing falling hair, and in time baldness. Now you can't stop dandruff nor falling hair, nor prevent baldness unless you destroy that germ; and the only preparation that can do it is the new scientific discovery, Newbro's Herpicide. In fact no other hair preparation claims to kill the dandruff germ—all of them will clean the scalp; soap and water will do that, but Newbro's Herpicide gets at the root of the trouble and kills the dandruff germ.

Must end sale Tuesday evening. I still have a good refrigerator, two bed room suits, a cooking stove and cooking utensils, a lot of fruit jars and jelly glasses, a dining room table, two carpets, several parlor chairs, a lawn mower, 50 feet of garden hose and numerous other household goods.
