### WITH THE OLD VETERANS MEMORIAL SERVICES WERE HELD ON SUNDAY.

Preparations Now Completed for Appropriate Services at the Cemetery on Decoration Day, May 30. Dr. Blackburn, of Portland, delivered the memorial address for the G. A. R. veterans in the Baptist church Sunday, beginning at 11 o'clock. At 10:50 the veterans of Kit Carson Post No. 28, met in front of Hotel Pendleton and formed in line for march, led by J. C. Spoonmore's drum corps. From there they marched down Main street to Hendricks hall, where they were joined by the members of the Ladies' Relief Corps, and all counter-marched back to Court street, up Court to Johnson street, and out Johnson to the Baptist church, on the corner of Johnson and Alta. Nineteen veterans of the civil war and eleven ladies of the Relief Corps were in line. Seats were reserved for them near the front of the church and they, as well as the audience, were treated to a very able and impressive address by Dr. Blackburn.

**Decoration Day**  
 Next Friday, the 30th instant, is Decoration day, and arrangements are being made by the G. A. R. veterans and the Ladies' Relief Corps to commemorate the occasion. The first services of the day will be the decoration of the graves of fallen friends who have been laid in Olney cemetery. A procession will be formed at Hendricks hall at 9:30 in the morning and march to the cemetery. A cordial and earnest invitation is extended to everybody to meet with the veterans, and especially those who have friends buried in the Olney cemetery, are requested to fall in line and march to the graves, where flowers will be placed on them as a token that, although dead, they are still remembered. Everybody who can get flowers is requested to bring them to the hall. Appropriate exercises will be held at the graves.

**Judge Lowell to Speak.**  
 The afternoon exercises will be held at the court house at 2 o'clock, where Judge S. A. Lowell will address the people. The school children have a special invitation to attend the service as well as the grown up people of the town and country. Besides the speaking other appropriate exercises will be rendered. The following committee has the arrangements in charge: B. F. Renn, A. B. Stevens, Henry Shockey, Mrs. Million, Mrs. Kruger and Mrs. Stevens.

**WALLA WALLA TO CELEBRATE**  
 Fourth of July Will Be Appropriately Observed in That City.  
 Walla Walla, May 26.—Walla Walla will celebrate the Fourth of July in a befitting manner and active preparations will be made next week. Nearly \$1200 has been raised by a soliciting committee, that amount being fixed as the lowest sum with which a celebration could be held. The business men contributed liberally and the funds were secured with no great effort. A program of sports, speeches, music and fireworks will be announced in a few days. The funeral of George D. Evans the man who committed suicide Thursday afternoon, was held Saturday morning from Cookerly's undertaking parlors. Mrs. Evans, at Vancouver, ordered the body interred here at her expense. John McLaughlin has been taken to the insane asylum by Sheriff Kees being received at the institution for the fourth time Saturday. The unfortunate man has been committed four times and released three times as permanently improved. Each time his mind has given way, and he will likely remain this time until his death. He is quite aged at this time.

**HE WILL IRRIGATE.**  
**Umatilla Farmer Who Has Become Decidedly Progressive.**  
 Calvin Cole, one of the pioneer farmers of Umatilla county, who was in town Saturday from his ranch, 13 miles north of Pendleton, says that he is not going to let his "garden truck" suffer for want of water in the future. Mr. Cole has a well which is only 12 or 14 feet deep that is inexhaustible and he intends using the water from this to irrigate his growing crops. He has put a large pump in the well and attached it to a power which is run by two horses. This pumps the water and Mr. Cole is able to pump nearly 100 gallons to the minute. He has purchased a supply of 1000 feet of pipe and several hundred feet of hose that he will use for running the water to different parts of his place. He is going into the fruit and vegetable business extensively.

**Holds up a Congressman.**  
 "At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork, nervous, tension, loss of sleep and constant seeping I had utterly collapsed. It seemed that all the organs of my body were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Overworked, run down men and weak, sickly women gain splendid health and vitality from Electric Bitters. Try them. Only 50c. Guaranteed by Tallman & Co.

**Meacham Mention.**  
 Meacham, May 26.—William Blakley, candidate for representative of Umatilla county; T. D. Taylor, candidate for sheriff on the democratic ticket, and E. J. Sommerville, candidate for treasurer of Umatilla county on the republican ticket, were in town from Pendleton yesterday looking after their political fences. No public meetings were held but there was a good deal of quiet and earnest talking done. Chamberlain sentiment seems to be growing daily and he will undoubtedly carry this precinct. Mr. Weisteg, the popular station agent here, expects to move shortly to Freeman, Wash., where he will be located in future. Mr. Weisteg and family will be greatly missed, especially in church circles.

The town is quite stirred up over a case of drunkenness and desertion which occurred here during the past week. A man whose name is withheld for various reasons, went to La Grande and got on a big drunk, leaving his wife and infant child alone in their house, and both ill with diphtheria. During his absence the child died and the woman is not expected to live more than a few days. Twenty or thirty Pendleton people came up yesterday to enjoy an outing in the mountains.

**At bedtime I take a pleasant herb drink, the next morning I feel bright and my complexion is better. My doctor says that it acts gently on the stomach, liver and kidneys and is a pleasant laxative. It is made from herbs, and is prepared as easily as tea. It is called Lane's Medicine. Lane's Family Medicine moves the bowels each day. Price 25c and 50c. For sale by Tallman & Co., sole agents.**
