The social dance given at the Armory hall Tuesday evening was well attended and all enjoyed themselves. The music, furnished by Kirkman's orchestra, was excellent.

Hon. W. J. Furnish, republican candidate for governor, who spent three days in Pendleton with his family, left this morning for The Dalles, where he is billed for a speech tonight.

Charles Hein, of the Dry Tutuilla, was in town Tuesday. Mr. Hein says that the prospect for an excellent wheat crop was never better in his vicinity. He has several tons of fine rye hay for sale.

"The Black Cat," published by the Short Story Publishing Company, of Boston, contains the name of Miss Lydia E. Cranston, a well known Pendleton young lady, who has written a story entitled "The Backsliding of Yakob Mueller." The story will be published in "The Black Cat" soon.

Walter Mumford, who got a piece of emery in his eye at the Pendleton planing mill three months ago, has been in Portland receiving treatment and is expected home about the first of June. He has lost the entire sight of the eye. His wife, who has been with him, will accompany him home.

J. W. Smith, formerly a prominent farmer of the Athena country, but who sold out last winter, was in town Tuesday. Mr. Smith still resides at Athena, but has recently returned from a trip into Idaho and Wallowa country looking for a location. He says that Umatilla county is a better place to live than any place he has been.

### NEW CHURCH PLANNED.

Fine New Edifice to Go Up Here at Once.

Arrangements are being completed and work will soon commence on the new Christian church, which is to be erected at the corner of Water and Johnson street. Operations would have been commenced before this had they not been waiting on architect Burggraf, of Albany, for the plans.

The soliciting committee are having fine success in raising funds for the new edifice and it is expected that the full amount needed will be raised in a few weeks. Rev. Copple returned Tuesday evening from Athena, where he met with fine success in raising funds for this enterprise. W. M. Reeder, the prominent farmer living one mile north of Athena, pledged \$1000, and others gave liberally. The church is to cost \$5000 and is on the same plans as the Christian church in Albany.

### REPUBLICAN OREGON.

Appropriation for Public Building in Portland Cut Down and Why?

The senate amendment appropriating \$250,000 for the Portland post office has been cut down to \$200,000, a shave of \$50,000. At the same time, the committee accepted the amendment appropriating an additional \$200,000 for Seattle, making her appropriation \$950,000. Spokane and Tacoma had their appropriations increased from \$50,000 to \$100,000.

Washington has a habit of occasionally sending to Washington democratic senators and representatives and electing populist governors. She keeps the republican leaders in Washington in a case of delightful uncertainty. Hence, being coy, she is wooed with gifts.

Oregon, on the other hand, has made a solid republican record for more than a quarter of a century. This record is a very good one to cut off her appropriations.

In Washington, Oregon is not doubtful. They read the Oregonian back there and rely on that. Furnish enthusiasm that 15,000 republican majority and they then nonchalantly take the \$50,000 and give it to Seattle, with \$15,000 more, as extra inducement to get into the republican column.

So long as Oregon "goes republican" the powers at Washington will be careless as to her share of the "good things" because they have nothing to lose by ignoring her.

### Saloonkeepers Fined.

Walla Walla, May 28.—Two more men have been fined for keeping open on Sunday, this time the crime having been committed in Waitsburg. About a dozen men have been fined for similar offenses in this city. J. L. Small and Smith Hunt, proprietors of drinking places in Waitsburg, pleaded guilty to the charge before Judge Brents, of the superior court, and were fined \$30 and costs each. The fines were paid. This is the first move of the W. C. T. U. to secure enforcement of law in Waitsburg.

### Red Cross at Walla Walla.

Walla Walla, May 28.—The Washington State Red Cross Society is in session in this city, a number of lady delegates being present from different sections. The meetings opened yesterday morning, and will continue over at least a part of tomorrow. Yesterday afternoon the ladies visited the state penitentiary and were entertained afterwards by Mrs. J. B. Catron, wife of the superintendent. Last night the delegates attended a lecture at Whitman College and afterwards were entertained at St. Paul's school by the faculty. The business of the convention is being transacted today.

### Suit for Title.

An action was filed in the district court for Umatilla county today by Edward Byrnes against L. B. Banks, asking the court to compel defendant to appear and prove his right to 30 acres of land in township 6, north, range 35 east, to which plaintiff claims a title, but defendant claims to have some interest by virtue of an estate. Plaintiff further asks that the court declare defendant's claim invalid and his title valid.

### Returned to Pendleton.

W. T. Booth, the well-known Eastern Oregon manager of the Pacific Mutual Life Insurance Company, returned to the city last evening from the Athena country, with his pockets full of life insurance applications.

### CRANSTON-TODD.

Popular Young Couple United in the Bonds of Matrimony.

At the Church of the Redeemer, this afternoon, at 3:30 o'clock, Mr. Charles K. Cranston and Miss Frances M. Todd were united in holy matrimony, the rector of the parish officiating. The bridal party entered the church to the strains of the famous wedding march from "Lohengrin," the bride being escorted by Mr. N. W. Potwine, and preceded by the ushers, Messrs. Charles Bond and Roy Ritner. The groom met the party at the chancel steps, and led his bride-elect forward to the entrance to the sanctuary, where the full church service was read.

The bride was appropriately attired in a gown of white point de sprit, trimmed with lace and carried a beautiful bunch of bride roses; and the groom wore the usual black evening dress. The church was tastefully decorated with a profusion of choice flowers and ferns sent from Portland. Mr. Robert Pond presided at the organ, playing the stately wedding march from "Tannhauser" as the bridal party left the church.

The happy couple take the train tonight for the East, where they will spend their honeymoon, visiting relatives in Chicago, New York, Bridgeport and other places of interest. They will be at home in Pendleton after August, where they will be glad to receive their many friends. A host of good wishes follow them.
