### Wheat in Portland.

Portland, May 29.—The Commercial Review, in its issue today, says of the wheat market:  
The wheat market during the past week shows no change over that of the preceding weeks. Holders are offering very sparingly, and the market is not virtually dead, as there is something doing daily. Stocks are becoming smaller in the interior as receipts at tide water are beginning to be quite large, both at Portland and Tacoma. There is considerable wheat in the Willamette valley, but farmers are not selling. They look for the flour mills to purchase all of the stock on hand and there is no doubt that their expectations will be fully realized. The crop outlook in this part of the country is not very encouraging and a great many in the trade doubt if the crop will be as large as the past season. All of the disengaged tonnage has been taken up and there will be considerable wheat shipped yet before the new season begins. Most of the recent charters have been for South Africa, and trade with that country will be good for some time to come on account of the crop failure in Australia. Chartering for new season is not very active as yet, nearly every house in the trade has some ships, but exporters have quit temporarily, and will see the result of the crop before loading up quite heavily. Crop prospects are better than a month ago, and it looks as if the state of Oregon and Washington will have a fair crop, hardly as large as the last one. The warm weather will have a beneficial influence on the growing crops and barring hot winds in July the outlook is quite favorable. We quote club, 66¢ to 67¢; bluestem, 68 1/2¢; valley, 66c per bushel.

### Walla Walla Won.

Downed the Indians at Weston by a Score of Six to Four.  
Walla Walla's Sharpshooters won the baseball game at Weston yesterday from the Pendleton Indians by a score of 6 to 4. The game was a very good one and was exciting from start to finish, but the Sharpshooters started off in the lead and the Indians could not even things up. In the last inning, Fay, for Pendleton, led off with a double, Knox and Clemens singled and two runs were made while two expired on the bags.

### CLEANLY WOMEN.

Erroneously thinks by Scouring Her Scalp that She Cures Dandruff.  
Cleanly woman has an erroneous idea that by scouring the scalp which removes the dandruff scales she is curing dandruff. She may wash her scalp every day and yet have dandruff her life long. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide killing the dandruff germ, leaves the hair free to grow as healthy Nature intended. Destroy the cause, you remove the effect. Kill the dandruff germ with Herpicide.

### Wheat in San Francisco.

San Francisco, May 29.—The local market is quiet. There is not much doing. Exporters are not buying and the only purchasers of wheat at present are the flour mills. Holders are not offering freely and prices have declined since our last report. Shipments continue and something is doing daily in the way of clearances. We quote No. 1 shipping, \$1.13; milling, \$1.15 to \$1.16 per cental.
