### IN THE BASEBALL FIELD

#### THE WONDERS BEAT THE "ITS" ON SUNDAY.

While the Woodmen Beat the Pilot Rockers and the Indians Kept up the Reputation of the Town by Going Over to La Grande With Their Tomahawks Out.

Sunday was a disagreeable day for baseball. It was cold and the wind blew a hurricane part of the time which kicked up a dust from the Alta street diamond and hurried it into the faces of the players in the two games.

The first game of the day was played in the forenoon between the "Its" and the Wonders and the latter won by a score of 9 to 0.

In fact, the Wonders say they have not had a softer snap this season than playing with the "Its," and the latter team will have to get a move on themselves if they "ride in the same class." However, there is much to be taken into consideration in comparing the two teams. The Wonders have been organized for several weeks and have played eight games without losing a single game, while the "Its" have only been organized a week and this was their first game. They have the material for the making of a strong amateur team, but they lack in practice and coaching, but Manager Welch expects to have them in trim to do business with any of them within a few weeks.

Several good plays were made in the game but one which deserves mention was the triple by Roy Alexander, manager for the Wonders. One of the "Its" went to bat and knocked a fly to Alexander, who was on second base. He caught the ball, putting the batter out, stepped on the bag, putting out the man going from first to second, then threw to third and put out the man who was going from second to third. This is said to be the first play of its kind on the diamond this season and is worthy of praise.

The Wonders will go to Ukiah leaving here next Saturday, to play a game with a picked up team Sunday, and on their return will play the Pilot Rockers Monday.

#### Afternoon Game.

In the afternoon the Pilot Rock baseball team crossed bats with the Woodmen team of this city, and the latter won by a score of 14 to 7. This was a good game and both sides made some creditable plays. The Rockers are husky fellows and can play ball but they were outclassed by the Woodmen, who had the best amateur players in town with them. Not a very large crowd witnessed this game.

#### PENDELTON WCN.

Took an Easy Game From the Beet-Pullers at La Grande.

Pendleton, 23.  
La Grande, 2.  
Cohen's Indians added another scalp to their belts on Sunday when at La Grande they slaughtered the Beet-pullers before a disappointed crowd of 500 people.

The game was too one-sided to be very interesting, but some sensational plays were made. Mitchell, La Grande's disabled short stop, umpired the game and gave general satisfaction.

Clarke was found for 11 hits in the first three innings. He was then taken out of the box and Blair pitched the rest of the game, allowing 13 hits, four of which were doubles. Stovall was in the box for Pendleton doing effective work throughout the game.

The features of the game were the two double plays; Fay to Wilner and Adams to Marshall to O'Hanlon, the throw of Taylor from right field to home, cutting off a run and Ziegler's catch of what seemed to be an impossible chance in deep second.

Wilner played first in fine style and Fay accepted seven difficult chances at short without an error, while the out-fielders of both teams did good work. Rhea, for Pendleton, caught a fine game and improved his already good record. The following is the line-up of the two teams:

Pendleton—Stovall, p; Rhea, c; Wilner, 1b; Ziegler, 2b; Fay ss; Brown, 3b; Taylor, rf; Knox, cf; Clemens, lf.

La Grande—Clarke and Blair, p; Menefee, c; O'Hanlon, 1b; Marshall, 2b; Adams, ss; Mellen, 3b; Leitch, rf; Ray, c; Casner, lf.

Summary—Bases stolen—Knox Stovall, 2; Miller, Clarke. Two-base hits—Knox, Clemens, Stovall, Rhea, Ray. Bases on balls—By Stovall, 4; by Blair, 2; by Clarke, 1. Struck out—By Stovall, 6; by Blair, 4; by Clarke, 3. Wild pitch—Stovall, Blair. Passed balls—Menefee, 2. Time of game—Two hours. Umpire—Mitchell.

Pendleton, 27 runs, 24 hits, 4 errors; La grande, 2 runs; 9 hits, 7 errors.

Pendleton will play La Grande Monday and Tuesday, Winer pitching the former game and Taylor the latter.

#### WALLA WALLA WON.

Beat the Strong Colfax Team in Sunday's Game.

Walla Walla, June 2.—Colfax went down before Walla Walla yesterday

afternoon in a game of good ball, the score standing 12 to 2 at the close. The day was cool and the grounds very dusty, yet a good crowd gathered to witness the game, the first this season between the two teams. Colfax is out this year with a strong team and the local fans were afraid of results until the game was well started, when it was easily seen that the visitors could not compete with the Sharpshooters.

Another game has been arranged for between the same teams, to take place here June 10. On the 16th Walla Walla will play in Colfax.

Berkeley will play on the local grounds on Wednesday, and the game of the season is expected. The local team will meet the Californians with bright hopes, and a strong game will be put up. It is likely that the merchants of the city will close and a half holiday will be declared to allow the largest possible attendance.

#### Don't Use Too Many Words.

Multiplication of words increases the expense and decreases the effectiveness of advertising. Say what you have to say in as few words as it can be said—then stop. By so doing you can set what you want to say in larger type, so that it will command the attention of more readers than would a wordy discourse set in small type.

## OLD PEOPLE

Do not always receive the sympathy and attention which they deserve. Their ailments are regarded as purely imaginary, or natural and unavoidable at their time of life. Disease and infirmity should not always be associated with old age. The eye of the gray haired grandire may be as bright and the complexion as fair as any of his younger and more vigorous companions.

**Good Blood is the secret of healthy old age**, for it regulates and controls every part of the body, strengthens the nerves, makes the muscles elastic and supple, the bones strong and the flesh firm; but when this life fluid is polluted or poisoned and loses its nutritive, health sustaining elements, then there is a rapid decline of the vital powers, resulting in premature old age and disease. Any derangement of the blood quickly shows itself in an ulcer, sore, wart, tumor or some other troublesome growth upon the body, and rheumatic and neuralgic pains become almost constant, accompanied with poor digestion and cold extremities.

**SSS** being purely vegetable, is the safest and best blood purifier for old people. It does not shock or hurt the system like the strong mineral remedies, but gently and thoroughly cleanses the blood and stimulates the debilitated organs, when all bodily ailments disappear. S. S. S. is just such a tonic as old people need to improve a weak digestion and tone up the Stomach. If there is any hereditary taint, or the remains of some disease contracted in early life, S. S. S. will search it out and remove every vestige of it from the system.

Write us fully about your case and let our physicians advise and help you. This will cost you nothing, and we will mail free our book on blood and skin diseases.
