WILL CLOSE AT SIX

HEREAFTER PENDLETON STORES WILL CLOSE EARLY.

Clerks' Union Has Been Organized and the Day of From 13 to 16 Hours With No Sunday Rest, Will Be Done Away With.

After the 5th of August all business houses of Pendleton will close promptly at 6 o'clock in the evening except Saturdays.

This was the decision of the Clerks' Union at their meeting Tuesday night. Recently the local clerks of Pendleton organized themselves together to further their own interests and arrange, if possible, to make their hours shorter behind the counter, as at present they are in the stores at 7 o'clock in the morning and remain there until 8 o'clock in the evening. This is 13 hours in the store, counting what little time they usually take for their noon meal, and is longer than anyone should have to work. To get away from this, if possible, and get shorter hours, the clerks have organized a union and are now going to arrange to close earlier. This will be done without working any material injury to the employers, as it is a recognized fact that where the early closing movement is in vogue the merchant does just as much business as where they keep open for 13 or 14 hours. There is seldom a case where the purchasing public cannot secure what it wants between 7 a. m. and 6 p. m. and if the people once get used to this they will get along just as well as if the stores were kept open all night and the clerks made to work long hours.

The Sunday closing law will be enforced and no business houses will be allowed to open on Sunday. This will give the over-worked clerks a chance for a little recreation, which they have not been allowed in the past, as all business houses have been kept open on Sunday and the clerks have been compelled to be at their posts not only long hours through the week, but most of the day Sundays. At the meeting last night Edward

Eben resigned from the union and Fred Earl was appointed financial clerk in his place. The committee on the early closing reported favorable. They have been quietly working and find things coming their way. The committee is composed of Mrs. M. A. Clark, J. C. Allen and Charles Bean.

Virulent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by druggist G. W. Roberts, of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed the case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50c, Salve, 25c, at Tallman & Co's.

The St. Agnes Guild will give an ice cream social on the lawn at the parish house, Wednesday evening, June 11. Everybody invited.
