county, is visiting A. Noble, of this
city, and U. G. Horn, of Birch creek.

The baseball games at La Grande
Saturday and Sunday between the lo-
cal and Athena teams resulted in de-
feat for the locals. The score Satur-
day was 5 to 0 and Sunday it was 16
to 2. This makes 10 games that La
Grande has lost and only two won.

County Judge G. A. Hartman has
returned from Portland. Mr. Hart-
man says that considerable fun is be-
ing poked at the officials who engin-
eered the attempted capture of Tracy
and Merrill, the two escaped con-
victs, but he does not see anything
laughable about it.

THE STRAHON.

Beautiful New Rooming Home Ready
to Receive Guests.

The Strahon, the new rooming
home in the Martin block, is now
open and ready for the reception of
guests. It offers a nice, clean and
comfortable place for people seeking
lodging. The building is new, has all
the modern conveniences and has
been splendidly fitted up with furni-
ture that is both attractive and sub-
stantial, so that it offers a home-like
place.
Mrs. Strahon, the proprietor, was
formerly in charge of the lodging
house in the Desplains' block and has
taken special pains in making her
new home first-class in every particu-
lar. She extends a cordial invita-
tion to her friends to call and see her
when seeking a lodging place.

MISS SWITZLER INJURED.

Fell Out of a Cherry Tree at Walla
Walla and Broke Her Ankle.

Miss Eva Switzler, of St. Paul's
school, fell from a cherry tree at the
Stone farm Saturday afternoon and
sustained a fracture of one of her
ankles, says the Walla Walla Union.
She was removed to the home of her
sister, Mrs. Frank Sharpstein, and at
last accounts was resting easily. Miss
Switzler was spending the day at the
home of Mrs. B. F. Stone and was
picking cherries when the acci-
dent took place. The injured girl
was intending to go to California to
attend summer school in a few days.

Saved From an Awful Fate.

"Everybody said I had consump-
tion," writes Mrs. A. M. Shields, of
Chambersburg, Pa., "I was so low
after six months of severe sickness
caused by hay fever and asthma, that
few thought I could get well, but I
learned of the marvelous merit of Dr.
King's New Discovery for Consump-
tion, used it and was completely
cured." For desperate throat and
lung diseases it is the sweet cure in
the world, and is infallible for
coughs, colds and bronchial affec-
tions. Guaranteed bottles 50c and
\$1. Trial bottles free at Tallman &
Co.'s.

Railroads Frightened.

"The Tribune believes that the rail-
road companies assisted in the defeat
of George Buzan. They feared that he,
supported by the republican county
platform declaration, would raise the
rate per mile."—Pendleton Tribune.
How frightened the poor railroads
must have been! Mr. Buzan had al-
ready enjoyed two terms as assessor
and it is said indeed, that he was not
allowed to hold the office the remain-
der of his life so that he would have
had time to put this reform into ef-
fect. The naughty railroads, how-
ever, will be punished for their defeat
of Mr. Buzan for C. P. Strain is going
to do the very thing they feared Mr.
Buzan would do.—Milton Eagle.

PAUL UNDERWOOD CAPTURED

THE MAN WHO IS ACCUSED OF
DROWNING HIS BABY

Claims the Baby Badly Ruptured It-
self Before he Threw it into the
Sound.

Paul Underwood, who with his
wife is charged with the murder of
their three-weeks old baby at Seattle
two weeks ago, was captured Satur-
day morning in the woods while he
was making his way to Cedar river.
He almost walked into the arms of
Sheriff Cuddehe of King county, and
was brought to South Bend Saturday
afternoon on a steamer and is now
in a steel cage in the county jail
there.

He looks none the worse for his
flight and life in the woods. He
seems to take his flight philosophi-
cally, and says that he would have
given himself up before but he was
afraid he would be shot before he
could convince his pursuers of his
intentions.

Implicates His Wife.

He claims that his baby was prac-
tically dead when he threw it into
the water. It had been sick and
ruptured itself and when they were
going to take the train for Aberdeen
he gave it some chloroform to ease
its pain and later the baby became
limber and its heart ceased to beat.
He implicates his wife and claims
that she was anxious to get rid of the
child because of the disgrace of its
early birth.

Construction to Commence.

It is positively stated in Portland
that a railroad will be built between
Coos bay and Roseburg and that con-
struction will begin by September 1.
Chief Engineer L. D. Kinney, of the
Great Central railway, is authority
for this statement and says arrange-
ments have already progressed far
enough to make the Coos Bay-Rose-
burg railway a practical certainty.
As the matter now stands trans-con-
tinental interests back of the Salt
Lake Coos Bay enterprise have first
call on the railroad to Coos Bay until
August 15. If those interests do not
deem it expedient to carry the trans-
continental line that way, the local
road will be built by capitalists in-
terested in timber in the Coos bay
section.

School Election.

The annual school election, for
Pendleton school district No. 18, is
being held this afternoon at the court
house. One director is to be elected
for a term of five years to succeed
James A. Fee, whose term expires.
Little interest is being felt in the
election, as there is no scramble for
the office, and the only name on the
ticket is that of Lee Teutsch, although
there is space for inserting other
names if the voter wishes to scratch
and vote for someone else.
