OLD "KNOCK KNEE" KILLED

HE HAD BEEN HUNTED
FOR A SCORE OF YEARS

Seventeen Bullets and Buckshot Galore Found in the Old Veteran's Skin; Killed When he Tried to Swallow a Loaded Shot Gun.

Old "Knock Knee, the big bear that has terrorized the regions of the Upper Chetco district of Southwestern Josephine county, has been slain. Old "Knock Knee," as he was familiarly known by the residents of his section of the state, was undoubtedly the largest black bear ever killed in the west. His length was eight feet four inches, from tip to tip, and he weighed 820 pounds—as large as a giant grizzly. His years were many as was testified by the fact that 17 musket balls were taken from his body when slain, aside from dozens of slugs and buckshot that were bedded beneath the skin.

"Knockknee" terrorized the ranches of the Upper Chetco region for a number of years. Scores of goats, calves and even cattle and horses have fallen victims to his voracious appetite. Time and again he has been shot, and by ranchmen who prided themselves on their unerring aim; the fact that old "Knock Knee" paid no more attention to these hunters' rifles than he would peas from a popgun caused the superstitious to believe that the old bear was an agent of the devil. He was called "Knock Knee" on account of a deformity to one of his feet, which was caused by a gunshot wound.

"Knock Knee's" depredations increased, and finally became of such magnitude that all the ranchmen of the Chetco were forced to unite in a campaign against the marauder. A few days ago every man armed himself to the teeth, and with the best dogs in the neighborhood set out to hunt the bear. After an exciting chase up the Chetco, during which nearly all the dogs were slain and the hunters forced to flee, one man climbed a tree closely followed by the bear. The big brute attempted to wrest the rifle from the hunter and in so doing took the muzzle in his mouth. At this opportune moment the shot was fired that brought him to his death.

Congratulate Dr. Smith.

The Madison county, Ohio, Democrat, in its issue of the 13th instant, says:

Dr. C. J. Smith, formerly of this place, mention of whose election to the Oregon state senate was made in our last issue, made an excellent race, and although his district is republican, he was elected by a handsome majority, carrying his own county by the largest majority ever given a Democrat. The new senator has many Ohio friends, throughout Madison and Pickaway counties, who are delighted at his success in the far west.

Opium Planter Confessed.

Walla Walla, June 18.—F. S. Sullivan, an ex-convict, yesterday pleaded guilty to planting opium at the state penitentiary and was sentenced by Judge Brents to one year in state's prison. He began his time yesterday. Sullivan was released some time ago and tried to get opium to his former friends. He was arrested at Baker City, brought back and confessed.

Eczema, Psoriasis, Salt Rheum, Tetter and Acne

Belong to that class of inflammatory and disfiguring skin eruptions that cause more genuine bodily discomfort and worry than all other known diseases. The impurities or sediments which collect in the system because of poor digestion, inactive Kidneys and other organs of elimination are taken up by the blood, saturating the system with acid poisons and fluids that ooze out through the glands and pores of the skin, producing an indescribable itching and burning, and the yellow, watery discharge forms into crusts and sores or little brown and white scabs that drop off, leaving the skin tender and raw. The effect of the poison may cause the skin to crack and bleed, or give it a scaly, fishy appearance; again the eruptions may consist of innumerable blackheads and pimples or hard, red bumps upon the face. Purification of the blood is the only remedy for these vicious skin diseases. Washes and powders can only hide for a time the glaring blemishes. S. S. S. eradicates all poisonous accumulations, antitoxins the Uric and other acids, and restores the blood to its wonted purity, and stimulates and revitalizes the sluggish organs, and the impurities pass off through the natural channels and relieve the skin. S. S. S. is the only guaranteed purely vegetable blood purifier. It contains no Arsenic, Potash or other harmful mineral.

Write us about your case and our physicians will advise without charge. We have a handsomely illustrated book on skin diseases, which will be sent free to all who wish it. **THE SWIFT SPECIFIC CO., Atlanta, Ga.**

SSS

DON'T YOU KNOW

that a little more money spent at the start, for a furnace, will save a whole lot in the end. The majority of people, who think about it, do. We sell furnaces that cost more at the start, but pay in the end.
