THE WESTON NEIGHBORHOOD.

Local and Personal Mention—Athena Postoffice Now of the Third-Class.

The East Oregonian is indebted to the Weston Leader for the following items:

Mrs. F. F. Perham and Miss Edith Issacs, of Pendleton, visited friends at Weston Sunday.

J. M. Downs reports a good strawberry crop at his Weston mountain farm. The berries will soon be ready for market.

Gambling games have been closed down at Weston, under notification from Mayor Best that the ordinance against them would be enforced.

E. M. Denton, of Walsburg, formerly of Weston, is among the republican nominees for representative in Walla Walla county. Old friends here wish him success.

Mrs. William Krassig, of Pendleton, has been visiting at the home of her parents, Mr. and Mrs. W. P. Leach, on Weston mountain. Mr. Krassig came up Sunday for a short stay.

Henry Van Buren, who found Thunder Mountain but little to his liking, after leaving Weston, will now be a farmer. He recently invested \$4500 cash in a ranch five miles from Walla Walla.

Jim Price, an ordinary mortal of Weston, will bask in the reflected glory of greatness for a day or two. He has been permitted to accompany Hon. Harlow Richmond, mayor of Helix, on a fishing expedition to the Umatilla river.

Will McDaniel has returned from Eureka Flat, where he finished plowing 1800 acres. Will has not been living on the fat of the land, evidently, for he would rival a snake in attenuation. He visited his Franklin county homestead while absent.

Weston Lodge, No. 71, A. O. U. W., elected I. H. Martin as its representative to the grand lodge, which convenes at Portland in July. Violet Lodge No. 48, elected Mrs. R. Jamieson as delegate to the grand lodge, Degree of Honor, and Mrs. Dick Gerbering as alternate.

The last games of the Yellow Kids for the season will be played with the Sharpshooters at Walla Walla, on July 4, 5 and 6. They will then disband and some of them will finish the season with other teams. Roll

Brown having been engaged by Butte. Baker City wanted to contract for the entire team, but was unable to secure it.

J. W. Young has added to Weston's list of industries by putting in a corn meal and graham mill at his water-power chopmill above town. It is the only enterprise of this character in the upper country except one at Walla Walla, which has been probably conducted for years, and will provide a market for corn grown in this locality. The machinery is first-class and is now being set up by Ben Walden.

A reception was given by the Baptist church last Friday at the home of Rev. and Mrs. C. R. Lamar, in farewell to Professor Harry C. Doane, whose departure is greatly regretted by members of the congregation and his other friends. The evening was most pleasantly spent in conversation and games. Professor Doane sang several songs, which were received with great appreciation. "The Bridge" being most effectively rendered. Refreshments were served at the close of the evening.

Dogs Will Stay at Home.

T. C. Elliott, a banker of Walla Walla, who is at the Hotel Portland, says that the blood hounds, whose noses are now next to the ground somewhere in the wake of Tracey and Merrill, were sorely needed at home Sunday. A convict named Rogers, who was allowed rather more than constitutional liberty, walked out of the penitentiary there and into the tall timber, and there was

not a dog in the kennel to be put on his trail. Hereafter the dogs will be kept at home, and not allowed to go baying after strange convicts, on the theory that a convict in Walla Walla county is worth two in Cowlitz.—Oregonian.

The grand jury of the circuit court found a true bill against W. O. Tycer and Thomas Vennum, charged with robbing the bank at Brownsville of \$1835. Both men Wednesday afternoon pleaded not guilty and the case was adjourned to the next term of court.
