MAY LOSE W. & C.

CITIZENS OF WALLA

WALLA ARE WORRIED.

Strong Possibility of the Road Being Made a Branch Line of the Northern Pacific.

The citizens of Walla Walla are considerably worked up over the possibility of losing the W. & C. R. officials and general office in case of the swallowing up of this line by the Northern Pacific. At the present time the general manager, treasurer, chief engineer, freight and passenger agent and traffic agent, are located in Walla Walla and the Union claims that in case the road is absorbed by the larger road these officers will be done away with, which will mean a loss to the town of not less than \$28,000 per annum. In addition to the above officers the road superintendent, and several train crews are located at Walla Walla.

The crews will go with the other officers, but the road superintendent may remain as the present line of the W. & C. R. from Dayton to Pendleton contains 175 miles and this, added to the work of the present superintendent of the Northern Pacific would in all probability, make more than he would be able to handle.

The above sum given as an actual loss to the city of Walla Walla does not include the material for repair work that is purchased annually. The value of this material alone would be quite an item. It is also thought that the repair shops at Hunt's Junction and the office of train dispatcher would be done away with by the movement rumored.

The change of the management of the road from its present officers to the officials of the main line of the Northern Pacific would work no damage in this city. Beside, it undoubtedly would be a benefit to the traveling public who are compelled to go over the road. If those who ride on the "high line" knew its consolidation with the Northern Pacific would give them better passenger service, they would welcome the change with outstretched hands.

The accommodations on this line from Pendleton to Pasco are far from being what ought to be given the people. When there is a passenger coach on the train at all it is a combined passenger and baggage car, and hardly a day passes that this is not filled with Indians and the whites have to crowd themselves in the car with them. It is no infrequent thing to have to make the trip in a regular caboose. The kind used for work crews and sometimes a box car is the best on the line. People who have to go on the road have to put up with this fare for it is the best the company will provide.

SCIENCE SCORES AGAIN.

A Preparation That Will Destroy the Dandruff Germ Discovered.

Finally the scientific student has discovered a certain remedy for dandruff. When it first became known that dandruff is the result of a germ or parasite that digs into the scalp, and saps the vitality of hair at the root, causing falling hair and baldness, biologists set to work to discover some preparation that will kill the germ. After a year's labor in one laboratory, the dandruff germ destroyer was discovered; and it is now embodied in Newbro's Herpicide, which besides curing baldness, and thinning hair, speedily and permanently eradicates dandruff. "Destroy the cause you remove the effect."

Refused to Plead.

Charles Hines, the man arrested a week ago charged with indecent exposure, was taken before Judge Ellis Friday afternoon, but refused to plead. It was understood he would plead guilty, but he did not and was remanded back to jail until this afternoon, when he will again be taken before the court and allowed to plead. The charge against Hines is that he was on the streets of Pendleton on June 15 with his person exposed.

Virulent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by druggist G. W. Roberts, of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed the case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50c, Salve, 25c, at Tallman & Co.'s.

The United States government has unfavorably reported a proposal to grant Chile a coaling station on Calco Island. The prisoners taken during the last revolution have been pardoned.

SICK MADE WELL
WEAK MADE STRONG

Marvelous Elixir of Life Discovered by Famous Doctor—Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed—The Secret of Long Life of Olden Times Revived.

The Remedy Is Free to All Who Send Name and Address.

After years of patient study and delving into the dusty records of the past, as well as following modern experiments in the realms of medical science, Dr. James W. Kidd, 3030 Baltes and, Fort Wayne, Ind., makes the startling announcement that he has surely discovered the elixir of life.

Dr. James William Kidd

That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim, and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of his remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as if by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor, all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

Good enough for anybody!

ALL HAVANA FILLER
