SHOOTERS ARE HOME.
Competitors in Portland Shoot Have Returned.
The Pendleton sportsmen who went to Portland to take a hand in the Northwest Shooting Tournament, have returned. While the Pendleton boys did not win many honors in the shoot they report having a fine time and that the Portland sportsmen entertained them royally. H. J. Stillman was the only one of the local shooters who entered all the events and competed for a general average. He came out sixth in this, making a general average of 87 per cent. Waite won a racycle in a special event Sunday. This was given by Captain Riley, of Portland. Waite tied in the first shoot for the racycle with Dr. France, of Idaho, and Dr. Ellis, of Tacoma, each getting 24 out of 25. In the shoot off Waite won. He also won second place for the Multnomah cup which was won by How of Portland, by a score of 47 out of 50. Waite got 46 and Stillman 45. D. C. Clark, of Pendleton, won a fishing reel and Jim Spence won a set of camping stools in special events Sunday.

Soldiers Escaped.
Walla Walla, July 1.—Frank Dymond and Will H. Robinson, soldiers confined in the guard house at Fort Walla Walla and charged with serious offenses, escaped this morning by cutting their blankets into strips crawling up the ventilating shaft of the guard house and letting themselves to the ground. They are still at large.
Saw Rucker Rogers.
Walla Walla, July 1.—W. J. Keeney, of this city, while on a camping trip a few days ago in the wilds of the Toll Gate country, saw Rucker Rogers, the convict who escaped from Walla Walla. A part of the posse is in that neighborhood and will probably capture the escape.

Don't Forget Dates.
On July 2, 3 and 4, the O. R. & N. will sell tickets to Minneapolis and return and to Missouri river points and return at the extraordinary low rate of \$44.50. It's a chance of a lifetime to go "back east" at a trifling cost. Chicago and return on above dates, \$64.50.
Seaside and Return, \$10.
Beginning July 1, the O. R. & N. Co. will sell tickets to the seaside (Seaside, Gearhart and all stations on the Washington beach between Ilwaco and Nahcotta) and return at \$10.00. Tickets good until Sept. 30. No stop overs going or returning.
Baker Team Won.
Baker City papers today tell of the victory of the new Baker City base ball team over the Sumpter aggregation, which played against them on Sunday. The score stood 12 to 2 at the finish.
Meacham Excursion July 4.
Special train leaves O. R. & N. depot at 7:30 a. m. Returning will leave Meacham at 7 p. m. Round trip

Missing Portland is Found.
Seattle, July 1.—The steamer Portland and the steamer Jeannie are reported practically safe, though still locked in the ice floes of the Arctic Sea. The passengers on board both steamers are safe, as sentinel boats are ready to render any assistance made necessary by the movement of the ice. The Thesis is also reported in the vicinity of the Portland.
A Murderer Hanged.
St. Helena, July 1.—August Schlieve will be hanged here tomorrow for the murder of Joseph Shulkewski.
Earl Dickens, 7 years of age, was drowned at Portland Saturday afternoon by falling through a hole in a platform on which he was playing into water which covered the ground below.

WALLA WALLA WON.
Beat the Yellow Kids by a Score of 3 to 2.
Walla Walla, July 1.—Walla Walla won the second game on the local diamond yesterday from the Athena team by a score of 3 to 2. This was as lively a game of ball as has been witnessed in Walla Walla this season. Babe Brown played an invincible game at first and it was his home run in the seventh that won the game for the locals. The all round star of the occasion, however, was Ed Bruyette, who worked at short. The fans enjoyed his playing. He appeared to be everywhere all the time. Bradbury played good ball and invaded territory that belonged to other players in his eagerness to show the fans that he was in the game. He played center and took in everything that came within his reach. Mills was on the slab for the locals and he was only hit four times, while Willard, for the Kids, was slammed nine times.
Cost of the Boer War.
It has been generally conceded that England would eventually conquer the Boer forces in South Africa, but when the end comes she will find the cost to have reached an enormous figure. There are many persons who spend large sums of money in a vain search for health. They take all kinds of medicines, which at the best only give temporary relief, and the patient is as far from recovery as at the start. The result is far different with those who use Hostetter's Stomach Bitters for indigestion, dyspepsia, heartburn, constipation, biliousness, insomnia or malaria, fever and ague. It positively cures. Hundreds of people have said so, and many prominent physicians and druggists always recommend it. Be sure and try it. Our Private Stamp is over the neck of the bottle.
