The county court in session today has done little business so far other than reviewing and considering petitions for changes of county roads.
Two new stages have been placed on the road between Pendleton and Ukiah. They are the regulation old time Concord stage coaches. One will run from this end and the other from Ukiah.

The Pendleton Woolen Mills has an artistic display of their beautiful portiers, couch covers and blankets in the main window of Alexander's Department Store, which is attracting much attention. The display is made with a view of showing the convenience of having a Pendleton robe and the different uses to which it can be put. This is demonstrated by photographs which show the robes in use. Now that the picnic season is here, every person who contemplates an outing should possess a robe for they are just the thing and if once used they become almost indispensable.

MUCH NEEDED RAIN.

Sprinkle Last Night Caused the Farmers to Smile.
Did you notice that smile on the faces of the farmers this morning? It was all caused by the nice shower that fell last evening.
The farmers are all feeling good and they have a reason to be as more than an average crop is assured. While the grain was not suffering for rain, as a general rule, it was acknowledged that a mild shower would do no harm and might do good. Most of the wheat was far enough along to insure a good crop but in some regions the spring sown grain was needing moisture.
The weather the past week has been ideal for wheat. It has been cool and cloudy, with threatening rain, and the shower that came last evening will settle the uneasiness about grain burning.

BOND CAN BE APPLIED.

Money put up by Bondsmen Can be Turned on Fine.
On page 832 of Hill's Annotated Laws of the state of Oregon, in regard to the application of money held for bonds of a man charged with crime, the following will be found:
"When money has been deposited in lieu of bail, if it remains on deposit at the time of judgment for the payment of money, the clerk must, under the direction of the court, apply the money in satisfaction thereof, and after satisfying the same must refund the surplus, if any, to the defendant."
Quite a little has been said recently about the \$800 bonds of John Tharp having been applied to his fine of \$100 by the court and the above is quoted to show those who were of the opinion that a bond for the appearance of a man charged with a crime could not be applied upon a fine after conviction, can be without the consent of the bondsmen.

Saves a Woman's Life.

To give up would have meant death for Mrs. Lois Cragg, of Dorchester, Mass. For years she had endured untold misery from severe lung trouble and obstinate cough. "Often," she writes, "I could scarcely breathe and sometimes could not speak. All doctors and remedies failed till I used Dr. King's New Discovery for Consumption and was completely cured." Sufferers from Coughs, Colds, Throat and Lung Trouble need this grand remedy, for it never disappoints. Cure is guaranteed by Tallman Co. Price 50c and \$1.00. Trial bottles free.

Livermors Resigned.

Little business was transacted out of the regular routine at the business meeting of the Commercial Association Tuesday night. L. A. Livermors, who has been appointed postmaster, handed in his resignation as librarian for the association and it was accepted. The resignation of the successor could be elected. No steps were taken toward electing a successor.

THE NEW COUNTY OFFICERS

NEWLY ELECTED OFFICIALS ARE TAKING OFFICE

Newly Elected Recorder has Now Assumed His Position and Others Will go in Monday.
The office of county recorder is now in new hands.
W. H. Folsom, elected at the late election to fill the office of recorder instead of J. W. Maloney, the old incumbent, took his seat this morning and Mr. Maloney, or his deputies, stepped down and out. Mr. Folsom has appointed William N. Valandigham his special deputy.
C. H. Marsh, who acted as deputy for Mr. Maloney, has taken a position with the Hartman Abstract Co., and Johnny Beam will remain in the office for a few weeks until Mr. Folsom and his deputy get the hang of the business. Miss Celia Renn, the stenographer, will remain in the office.
Other Changes Monday.
Most of the bonds of the other officers have been filed and will be approved by the court Monday, when they will take their seats. Few changes will be made in the offices. Sheriff-elect T. D. Taylor has not yet announced who will be his deputy, further than that no change will be made in the local force as far as it reaches. C. P. Davis will remain in the office, but who will be the other man is not given out.
County Clerk-elect W. D. Chamberlain will continue to run his office with the same force. B. B. Hall is his deputy. E. J. Summerville, elected to the place of treasurer, will run the office himself and the new assessor will not take his office until the first Monday in January.

Passenger Train Delayed.

O. R. & N. train No. 1, due through Pendleton from the east at 8 o'clock this morning, will not arrive until about six o'clock this morning. What the trouble is cannot be learned but it is supposed that something is wrong in the mountains. A special was made up at Huntington and went through at 9 o'clock this morning to take the place of No. 1.
