**OREGON CITY WILL BATTLE WITH THE INDIANS.**

The Visitors Have a Strong Team—New League Schedule Not Arranged—Athena Will Not Play Off Tie.

Tomorrow at 3 o'clock the Oregon City baseball team, amateur champions of Western Oregon and the Pendleton Indians, champions of the eastern part of this state and also of Eastern Washington, will meet to do battle on the Alta street diamond.

This promises to be an unusually interesting game as the Oregon City team is far and away the fastest team in the Willamette valley outside of the Northwest league, and the locals have beaten everything which came their way, losing but nine games out of 43 played this season.

The visitors are about the strongest team which Pendleton's boys have yet gone against, and will give the redskins a hot chase to win out. They will remain for three days, playing tomorrow, Saturday and Sunday.

The schedule of games for the newly formed Inland Empire League has not yet been arranged, but will be announced very shortly, as the first games under the new league will be played about the 10th.

The Athena baseball team will close its season on Monday, the 7th, after a series of three games, 4th, 5th and 6th, at Walla Walla. The Yellow Kids will disband without settling definitely by a series of games the question of supremacy which was raised by the fact that the games played between the two teams have been equally divided, each winning three.

Pendleton was so certain that her Indians could scalp the Kids that the fans of this city were willing to put up a side bet of \$500 to \$1000 on a series; but Athena could not run the risk—at least they did not produce.

The homeliest man in Pendleton, as well as the handsomest, and others, are invited to call on any druggist and get free a trial bottle of Kemp's Balsam for the throat and lungs, a remedy that is guaranteed to cure and relieve all chronic and acute coughs, asthma, bronchitis and consumption. Price 25c and 50c. For sale by Tallman & Co., sole agents.
