## SOCIETY

Events of the  
Past Week.

Other than the picnicking parties and Fourth of July excursions little has been doing in social circles for the past week. In the turmoil and confusion of bombs and firecrackers the society editor of the East Oregonian may have overlooked some of the events worth mentioning, but it was not intentional and it is the desire to have every social event of each week hereafter in the Saturday's edition. In order to accomplish this, those who have parties at their homes and those knowing of any social event are earnestly requested to make it a point to let it be known.

### East End Dance.

Last Saturday night the dance at the east end was not so well attended as it might have been, although those there enjoyed a half night's dancing to the strains of music produced by Kirkman's orchestra.

### Pioneers' Dance.

Wednesday evening the members of the Pioneers met in the Hendricks hall and after the business session, several hours were enjoyed in dancing. The Pioneers have a social session every Wednesday night.

### Dance in Armory.

Thursday afternoon a number of the young people of the town concluded that the weather having been so bad that quite a few of them were knocked out of going picnicking they would get up a social dance by which the evening could be spent

by those wishing to dance. Accordingly word was sent round and at 9 o'clock quite a crowd of young folks were assembled in Armory hall eager to step to the music of Kirkman's orchestra. The dancing continued until a late hour and all were pleased with the entertainment.

### Melton-La Peri.

At Judge Fitz Gerald's office Tuesday, A. W. Melton and Jeanette La Peri were united in marriage by Mr. Fitz Gerald. This was a case of love on first sight. The bride and groom never met until the evening before they were married. Miss La Peri came to Pendleton Monday, Mr. Melton has been here several days and is connected with a carpet cleaning business. He and his bride met on Monday evening and within an hour or the time they met Melton had wooed and won Miss La Peri's heart and the promise of her hand in marriage. The county clerk's office was closed that night or perhaps they would have married that evening but as soon as it opened Tuesday morning Mr. Melton and his fiancée were at the court house and asked for a license. This was granted and they were married a few hours later.

### Winzler-McCarthy.

At the home of the bride's parents Mr. and Mrs. McCarthy, on Stage Guich, occurred the marriage of Geo. Winzler and Miss Nellie McCarthy Thursday afternoon at 1:30, Rev. F. L. Forbes officiating. The marriage was in the presence of a few friends.

Walter Appleton Clark, A. B. Frost, and others among the younger men. Mr. Low is represented in an unusual way, in that he furnishes both text and the pictures, and moreover the pictures are reproduced in colors. His article "In an Old French Garden," chronicles a unique experience. Mr. Low and his friend MacMonnies, the sculptor (who has recently taken up painting), decided to take a house together in rural France in order to spend nine months in painting direct from nature. To their delight they found a house with an old garden which furnished within its bounds all the subjects for their art, and this article reproduces the emotional and aesthetic side of an artist's life while creating his works direct from nature. The paintings reproduced give many phases of life in the old garden.

Debt is Decreasing.

## Used in Hot Weather PAINES' CELERY COMPOUND Renews and Invigorates the Body and Maintains a Strong and Clear Brain.

Thousands of people in whose blood lurk the seeds of disease, decline mentally and physically when the hot weather comes on. They become weak, languid, morose, have loss of memory, loss of appetite with wasting of flesh.

For all such, Paine's Celery Compound is an absolute necessity at this time. It is the only remedy approved by able physicians for purifying and enriching the blood, for feeding and nourishing the nerves, for maintaining digestive vigor, for the building of flesh, tissue and muscle, and for promoting refreshing and healthful sleep.

If your condition of health is not satisfactory; if you are not happy, active, and vigorous at present, try the virtues of one bottle of Paine's Celery Compound; you will have cause to thank Heaven that such a marvelous recuperator was placed within your reach.

The following letter from Hon. J. S. McCarthy, Washington, D. C., a gentleman of national reputation, is a blessed assurance to all hot weather sufferers that Paine's Celery Compound can best bestow that health and vigor so much needed at this season:—

"I was suffering with nervousness, loss of appetite, and insomnia. I was all run down and nothing did me any good, until a friend advised me to try Paine's Celery Compound. I took four bottles of the Compound, and I am more than proud to testify that it completely cured me. I haven't had an unwell day since. I eat hearty and sleep like a healthy baby. I consider Paine's Celery Compound the best remedy manufactured, and I most heartily recommend it to suffering humanity the world over."
