ONE MORE SCALP
 EIGHTEEN CONSECUTIVE VICTORIES FOR INDIANS.

Won Saturday's Game by a Scratch. But it Was Different Sunday—The First a Good Exhibition—Last Not Enjoyed by Local Fans.
 In a game of baseball which delighted the hearts of the local fans the "Indians" on Saturday afternoon added one more scalp to their fine collection. In the Oregon City team one would not recognize the aggregation which Pendleton toyed with with the day before. It was a battle royal between the champions of the Webfoot country and the crack team of the Bunchgrass region.
 Wilner was in the box for Pendleton and pitched his usual steady, heady game, allowing only six hits and giving no passes.
 Fay at short and Schmidt at second were in the game all the time having together fifteen chances without an error, while Zeigler carried off the batting honors with two singles.
 Califf the twirler for the visitors pitched a good game, allowing six hits, but at times was a trifle wild. He fielded his position in fine style, accepting seven hot chances. The outfield for Oregon City played an errorless game.
 The Webfooters made their three runs in the third inning. The first one was earned. McCutcheon led off with a single. Rapp fanned and Califf flew out. Zeigler to Stovall; McCutcheon going to second on fielders choice. Davis hit safe and Lee followed with a two bagger, which scored McCutcheon. Young knocked a long fly to center which Rhea dropped, allowing Davis and Lee to cross the plate, but, Young went to sleep off first and was out.
 Clemens scored in the second and Ray in the third making an earned run on two singles and a sacrifice. Fay's score in the sixth was made possible by the errors of Davis and Rechner, the only ones charged up to the visitors.
 In the ninth with the score tied and two men out Wilner walked to first and Hayes followed with a single to the right pasture which advanced Bob to third. Hays had a good lead off first when the right fielder attempted to throw him out. Hays slid back but the first baseman let the ball go by, the catcher recovering it while the little pitcher attempted to steal second. He was headed off and in the attempt to put him out of the business Wilner sauntered in from third and ended the game.

Oregon City Wins.
 Pendleton, 6.
 Oregon City, 10.
 The boys from the Willamette valley won Sunday's game because they out played and out batted the Indians. It was as fine a mixture of errors and good plays as one would wish to see in a day. The locals were somewhat weakened by the absence of Ziegler, Knox and Clemens.
 It was in the fatal second when Pendleton fell down. The visitors fell on Taylor for two singles and two doubles, which, by the aid of two passes, a wild pitch and three fielding errors, netted eight runs. "Slats" braced up for the remainder of the game and shut off their run-getting.
 In the eighth Pendleton made a desperate effort to win out, making four runs on three singles and a double, assisted by three errors. The visitors were in the air for some time, while the local rooters did noble service in their line.
 The pretty features of the game were the two double plays, Schmidt to Fay and Schmidt to Stovall, the

one-handed stop of a hot grounder by Parrott at short, the long throw from right field by McCutcheon, cutting Ulrich off at third and the hard catch by Lee of Fay's line drive.
 Brown was the star with the willow, making four safe hits. Davis played a good game at third, as did Young at first. McInnis, the pitcher, has a cute trick in the shape of a quick return ball which caught some of the boys napping.
 Mr. Califf, of the Oregon Cityites, officiated as umpire, and most of his decisions were above criticism. His intention to be fair was apparent.
 The habit of some people in the grand stand and the bleachers of roasting the regular players, and men who consent to fill in for accommodation, for occasional errors is disgusting and shows lack of judgment.
 The Oregon City players are as gentlemanly a lot of boys as have visited Pendleton this season. They took their defeats in two games good naturedly and their victory in one modestly, and the Pendleton fans have nothing but good wishes for them.

Ziegler Gone to Portland.
 Charles W. Ziegler, captain of the local baseball team, has resigned his position and left Saturday night for Portland. He goes to play on third base for the Portland team, having been made too flattering offers to be refused and more than the manager of the locals could afford to pay. While it is not positively known just what salary Mr. Ziegler will get with the Hub city team, it is understood that he got an advance of \$50, or about \$150 a month. Mr. Ziegler has made many friends in Pendleton who were surprised at his sudden decision to leave and who regret very much to have him go, saying nothing of the way it crippled the ball team. He was a good captain; knew how to handle his men to keep them in good humor and get the best work from them, and was a good coacher, besides was hard to beat as an all-around ball player. Brown will succeed him.

The Drink for Summer
 is Schultz's bottled beer. When properly cooled it is not only delightfully refreshing, but its tonical properties will counteract, as no other drink, the debilitating effects of hot weather, and being properly matured, will never cause biliousness like badly brewed "green beer." It's a marvel of purity, and is bottled with the greatest care.
