Time and trial have proven that there is no better ice cream made than Dutton's. We take pleasure in delivering it to your home.

A deed was recorded at the court house yesterday from Mrs. Esther J. Bushee to Robert Laing, transferring the Bushee property, on Thompson street, between Webb and the railroad, to Mr. Laing. Mr. Laing is one of the pioneer farmers of Umatilla county, and it is his intention to make his home in the property recently purchased. This is one of the nicest home places in Pendleton. The consideration was \$4000.

Baer & Daley have inaugurated a great mid-summer clearance sale and propose to make goods move rapidly while the sale is on. The secret of accomplishing the desired end as interpreted by Baer & Daley is to offer special inducements in the way of low prices. This they have done, as a perusal of their half page advertisement in this issue will demonstrate. Look over the big advertisement, study carefully the prices and figure out how much you can save by calling now. A penny saved is a penny earned and a dollar saved is a dollar earned. If you are of a saving turn of mind, profit by this opportunity.

SHUT OUT BAKER.

Indians Won First Game From the Gold Diggers.

Pendleton, 5; Baker City, 0.

The Pendleton baseball team was victorious in the first game of the Inland Empire League yesterday at Baker City. Although Captain Ziegler has left the team, the Indians have lost none of their cunning under the leadership of Bobbie Brown.

James Cox, who played with the Yellow Kids until they disbanded played center field for Pendleton while E. F. Chapler, also of the Athena team, played in left. These were the only new men in the team. The game was spirited from the start, but the Gold Diggers were clearly outclassed. They are playing another game today and will play Saturday and Sunday.

LA GRANDE WON.

Took First Game From Walla Walla Yesterday.

La Grande, July 11.—La Grande's baseball team won the first game with the Walla Walla team played here yesterday. The game started off with Walla Walla in the lead, but was evened up toward the last and in the ninth the score stood 10 to 10.

With one La Grande man out, Ray took up the stick and landed a single, but the long grass hid the ball and it was not found in time to keep him from making a home run. Walla Walla made 14 hits and La Grande 10. Each team made eight errors.

Back From Thunder.

John and Edward Marshall have returned to Portland from Thunder Mountain. Going to Welsler they took the train and then staged it to within 3 miles of camp, where it is necessary to go in on pack horses. They found no excitement at any of the fitting-out points, and met practically no one going in. They say that, while the mines are rich, it is all quartz mining of a low-grade ore, and until mills are put in it is useless to expect to do much, the camp itself being dead, with only prospecting going on. They state a mill is soon to be put up and things will then live up, as the mines are rich.

Wheat is Damaged.

Wes Noble, who has just returned from a visit to his uncle on Mill creek, in Walla Walla county, says the damage done to the wheat in that section is fearful. He says all the wheat along the creek between Walla Walla and the mountains is lying flat on the ground and whole crops are ruined. Many men who had in several hundred acres will make no attempt to head any of their grain. An effort will be made to get as much of it as possible for hay, but little will be saved for the thrasher. He says the grain was extraordinarily heavy and the rain followed by heavy winds, just laid the grain flat.

Card of Thanks.

We wish to thank the many kind friends who assisted us in our painful bereavement in the loss of our darling daughter, and wish to be allowed to ever hold them in kind remembrance.

ALMOST SERIOUS.

Runaway Accident Came Very Near Being Fatal.

Ed Culp came very near receiving serious, if not fatal injuries a few days ago by being dragged by a saddle horse. He was out riding and his horse was somewhat wild. On West Alta street the horse became frightened and started to run away. He jumped into the ditch, dug for laying the water mains and fell, throwing his rider to the ground. The horse scrambled to his feet and started to run with Mr. Culp's foot caught in the stirrup. He was dragged about a block, the horse kicking at him every step, but fortunately, his foot slipped from the stirrup, releasing him from his precarious position. The only injuries received by Mr. Culp were some bruises from being dragged and kicked in the ribs by the horse, and he is thanking providence that it was no worse.

Fistic Encounter.

A little fistic encounter on Main street this morning caused some excitement and landed one of the participants in jail. The man who caused the trouble was drunk, and his friends were trying to take him home when he turned and began to strike at them. Friends stood good for his appearance and the police judge allowed him to be taken home and put to bed.
