This was to have been a Fourth of July party, but owing to the cold weather it was postponed. served and several hours were spent in dancing. About 40 guests were present.

A VERMONT LADY'S Desperate Fight for Life

Mrs. Nathan Beal says: PAINES' CELERY COMPOUND

Saved Me from the Insane Hospital as Well as Cured My Rheumatism.

There never was a remedy so highly recommended as Paine's Celery Compound. There never was a remedy in such universal popular demand. It is popular and prized in tens of thousands of homes, because it makes sick people well.

Paine's Celery Compound has saved thousands from nervous prostration and collapse; it has effected wonderful cures in kidney and liver complaints; its victories over rheumatism and neuralgia have commanded the attention and admiration of our best physicians. It has cured disease when everything else has failed.

Mrs. Nathan Beal, a well known lady of Gallup's Mills, Vt., writes as follows:—"For ten months before I commenced taking Paine's Celery Compound, I could not put my foot on the first round of my chair, only five inches from the floor. I had nearly lost the use of my left side, and I could not lift a pound weight with the left hand without danger of dropping it. Many times I would lift something at the table, only to drop it. I had a pressure in the top of my head and a pain at the base of the brain, which would leave me so nervous that I used to tell my husband I would surely go crazy. I could not keep still at night, and Sundays were just awful to me. I found my whole system prostrated, and it took a long time to build up my poor, worn-out nerves. I think that Paine's Celery Compound saved me from the insane Hospital, as well as cured my rheumatism."
